**Control and Consolation in American Culture and Politics** Dana Cloud, 1997-11-26 In this perceptive analysis Dana Cloud traces the replacement of social and political activism by the pursuit of personal psychological change She identifies the new movement as the rhetoric of therapy where a persuasive cultural discourse that applies concepts such as coping and adapting replaces active attempts to reform flawed systems of social and political power Cloud focuses on the therapeutic discourse that emerged after the Vietnam War and links its rise to specific political and economic interests Critical case studies identify the extent to which therapeutic discourses are persuasive including the rhetoric of family values media coverage of support groups during the Gulf War Gloria Steinem's Revolution from Within the film *Thelma and Louise* and literature of the New Age Movement

**Control and Consolation in American Culture and Politics** Dana L. Cloud, 1998 In this perceptive analysis Dana Cloud traces the replacement of social and political activism by the pursuit of personal psychological change She identifies the new movement as the rhetoric of therapy where a persuasive cultural discourse that applies concepts such as coping and adapting replaces active attempts to reform flawed systems of social and political power Cloud focuses on the therapeutic discourse that emerged after the Vietnam War and links its rise to specific political and economic interests

**Control and Consolation in American Culture and Politics** Dana Cloud, 1998 What are the consequences in American society when social and political activism is replaced by pursuit of personal psychological change How does such a shift happen Where is it visible In wide ranging case studies *Control and Consolation in American Culture and Politics* points out this change in American culture and attributes it to the rhetoric of therapy This rhetoric is defined as a pervasive cultural discourse that applies psychotherapy's lexicon the constructive language of healing coping adaptation and restoration of a previously existing order to social and political conflict The purpose of this therapeutic discourse is to encourage people to focus on themselves and their private lives rather than to attempt to reform flawed systems of social and political power Author Dana L Cloud focuses on the therapeutic discourse that emerged after the Vietnam War and links its rise to specific political and economic interests The critical case studies describe in detail not only what the therapeutic style looks like but how and why therapeutic discourses are persuasive These studies include the rhetoric of family values media coverage of support groups during the Persian Gulf War Gloria Steinem's Revolution from Within the film *Thelma and Louise* and literature of the New Age Movement Cloud concludes with a chapter urging resistance to the therapeutic persuasion she describes envisioning in its place engaged public politics At once unique and engaging *Control and Consolation in American Culture and Politics* is a must read for academics and students interested in communication studies cultural studies sociology political science and media studies

*Affect, Alienation, and Politics in Therapeutic Culture* Suvi Salmenniemi, 2022-08-12 This book contributes to research on therapeutic culture by drawing on longstanding ethnographic work and by offering a new theoretical reading of therapeutic culture in today's society It suggests that the therapeutic field serves as a key site in

which a number of contradictions of capitalism are confronted and lived out It shows that therapeutic engagements are inherently ambivalent and contradictory as they can be articulated and engaged with in many different ways and harnessed for diverse and often contradictory political projects The book takes issue with the interpretation of therapeutic culture as merely individualising depoliticizing and working in congruence with neoliberalism and shows that therapeutic engagements may also open up a space for contestation and critique of neoliberal capitalism animate collective action for social change and articulate alternative forms of life and subjectivities The book will speak to a wide variety of audiences in the social sciences and will be of particular interest to those working in the fields of sociology anthropology critical psychology cultural studies gender studies and critical social theory      Therapy Culture:Cultivating Vu Frank Furedi,2013-10-28 First published in 2004 Therapy Culture explores the powerful influence of therapeutic imperative in Anglo American societies In recent decades virtually every sphere of life has become subject to a new emotional culture Professor Furedi suggests that the recent cultural turn towards the realm of the emotions coincides with a radical redefinition of personhood Increasingly vulnerability is presented as the defining feature of people s psychology Terms like at risk scarred for life or emotional damage evoke a unique sense of powerlessness Furedi questions widely accepted thesis that the therapeutic culture is primarily about imposing a new conformity through the management of people s emotions Through framing the problem of everyday life through the prism of emotions therapeutic culture incites people to feel powerless and ill Drawing on developments in popular culture political and social life Furedi provides a path breaking analysis of the therapeutic turn

*The Rhetorics of US Immigration* E. Johanna Hartelius,2015-11-10 In the current geopolitical climate in which unaccompanied children cross the border in record numbers and debates on the topic swing violently from pole to pole the subject of immigration demands innovative inquiry In *The Rhetorics of US Immigration* some of the most prominent and prolific scholars in immigration studies come together to discuss the many facets of immigration rhetoric in the United States *The Rhetorics of US Immigration* provides readers with an integrated sense of the rhetorical multiplicity circulating among and about immigrants Whereas extant literature on immigration rhetoric tends to focus on the media this work extends the conversation to the immigrants themselves among others A collection whose own eclecticism highlights the complexity of the issue *The Rhetorics of US Immigration* is not only a study in the language of immigration but also a frank discussion of who is doing the talking and what it means for the future From questions of activism authority and citizenship to the influence of Hollywood the LGBTQ community and the church *The Rhetorics of US Immigration* considers the myriad venues in which the American immigration question emerges and the interpretive framework suited to account for it Along with the editor the contributors are Claudia Anguiano Karma R Ch vez Terence Check Jay P Childers J David Cisneros Lisa M Corrigan D Robert DeChaine Anne Teresa Demo Dina Gavrilos Emily Ironside Christine Jasken Yazmin Lazcano Pry Michael Lechuga and Alessandra B Von Burg      **Beer, Babes, and Balls** David Nylund,2012-02-01 *Beer Babes and Balls* explores the

increasingly popular genre of sports talk radio and how it relates to contemporary ideas of masculinity Popular culture plays a significant role in fashioning identities and sports talk radio both reflects and inspires cultural shifts in masculinity Through analysis of the content of sports talk radio as well as interviews with radio production staff and audience members scholar and avid sports talk radio listener David Nylund sheds light on certain aspects of contemporary masculinity and recent shifts in gender and sexual politics He finds that although sports talk radio reproduces many aspects of traditional masculinity sexism racism and heterosexism there are exceptions in these discourses For instance the most popular national host Jim Rome is against homophobia and racism in sport which indicates that the medium may be a place for male sports fans to discuss gender race and sexuality in consequential ways Nylund concludes that sports talk radio creates a male bonding community that has genuine moments of intimacy and connection signifying the potential for new forms of masculinity to emerge while simultaneously reproducing traditional forms of masculinity

**Baring Our Souls** Kathleen S. Lowney, After framing the genre in this way Dr Lowney's book raises the essential question conversion to what The faith preached on talk shows is based on the principles of the Recovery Movement among whose tenets are that care for one's self is the highest virtue and that psychological wounds that endure from childhood into adulthood create troublesome and addictive behaviors or codependency The only cure is to join a therapeutic 12 step group BOOK JACKET **Baring Our Souls** probes the roots of the genre in the religion of recovery and holds both up to the scrutiny of sociological inquiry This will be a welcome supplementary text in courses in social problems media and civil religion BOOK JACKET

**The Public Legitimacy of Minority Claims** Plamen Makariev,2016-10-04 Problems involving minorities still constitute a significant challenge for public policies in countries such as the ones on the territories of the former Soviet Union and Yugoslavia Unassimilated facing the cultural non transparency of their lifeworlds and usually without autonomy their problems are quite different from those in Western Europe and North America This book presents a study of public policies concerning the national ethnic and religious minorities in the countries of Central and Eastern Europe It explores the opportunities available for applying the model of deliberative democracy to the domain of designing and realizing minority policies It examines the possibility that minority groups can influence and ideally even pre decide minority policies by legitimizing claims concerning their needs and rights in a way that leaves democratic public opinion no choice but to support them Adopting a novel approach to the public legitimization of minority claims it proposes that the general public s evaluation of the credibility of minority claims should focus on the procedural qualities of the intra group ethical political discourses through which these claims are articulated and substantiated This text will be of key interest to students and scholars of public policy minority politics the politics of Eastern Europe political theory and comparative politics *Total Landscape, Theme Parks, Public Space* Miodrag Mitrasinovic,2006 Placing theme parks from the United States Europe and Asia in a comparative multidisciplinary framework this fascinating book argues that these fantasy environments are an extreme example of the totalization of public space By illuminating the relationship between theme parks and public space the book offers an insight into the ethos design and expectations of public space in the twenty first century **Critical Femininities** Rhea Ashley Hoskin,Karen L. Blair,2022-11-10 What would change about our existing world if we re imagined and re valued femininity Critical Femininities presents a multidimensional framework for re thinking femininity Moving beyond seeing femininity as a patriarchal tool this book considers the social historical and ideological forces that shape present day norms surrounding femininity particularly those that contribute to femmephobia the systematic devaluation and regulation of all that is deemed feminine Each chapter offers a unique application of the Critical Femininities framework to disparate areas of inquiry ranging from breastfeeding stigma to Incel ideology and attempts to answer pressing questions concerning the place of femininity within gender and social theory How can we conceptualise feminine power In what ways can vulnerability act as a powerful mode of resistance How can we understand femininity as powerful without succumbing to masculinist frameworks What ideological underpinnings maintain Critical Femininities as an emergent field despite traceable origins pre dating second wave feminism As the provocative entries within this volume will certainly generate additional questions for anyone invested in society s treatment of femininity this book offers a launching pad for the continued growth of a field that cultivates insight from a feminine frame of reference as a means of rendering visible the taken for granted

presence of masculinity that remains pervasive within gender theory The chapters in this book were originally published as a special issue of *Psychology Sexuality* Educational Outcomes for the Canadian Workplace Jane Stobo Gaskell,Kjell

Rubenson,2004-01-01 Educational Outcomes for the Canadian Workplace explores how educational programs are changing which skills matter in the economy and how policy has responded to the educational and economic pressures of the 1990s

**The Rise of the Therapeutic Society** Katie Wright,2015-02-25 An examination of the Western world s contemporary fascination with psychological life and the historical developments that fostered it In this book sociologist Katie Wright traces the ascendancy of therapeutic culture from nineteenth century concerns about nervousness to the growth of psychology the diffusion of an analytic attitude and the spread of therapy and counseling using Australia as a focal point Wright s analysis which draws on social theory cultural history and interviews with therapists and people in therapy calls into question the pessimism that pervades many accounts of the therapeutic turn and provides an alternative assessment of its ramifications for social political and personal life in the globalized West Special Commendation TASA Raewyn Connell Prize *Murder, the Media, and the Politics of Public Feelings* Jennifer Petersen,2011-08-12 In 1998 the horrific murders of Matthew Shepard a gay man living in Laramie Wyoming and James Byrd Jr an African American man dragged to his death in Jasper Texas provoked a passionate public outrage The intense media coverage of the murders made moments of violence based in racism and homophobia highly visible and which eventually led to the passage of The Matthew Shepard and James Byrd Jr Hate Crimes Prevention Act in 2009 The role the media played in cultivating shaping and directing the collective emotional response toward these crimes is the subject of this gripping new book by Jennifer Petersen Tracing the emotional exchange from news stories to the creation of law Petersen calls for an approach to media and democratic politics that takes into account the role of affect in the political and legal life of the nation **Marx and the Political Economy of the Media**

Rodin,Stephen P. Steinberg,2011-04-07 A distinguished group of scholars and prominent figures here offers thoughtful new perspectives on the tenor and conduct of public life in contemporary America Originating in a shared concern that our civic culture was becoming coarser and more polarized Public Discourse in America provides a critical corrective to this widespread misperception about declining civility in public culture and the ways we as citizens negotiate our differences Together these essays explore the current condition and centrality of public discourse in our democracy investigating how it

has changed through our history and whether it fails to approach our widely held but often unarticulated ideal of reasoned and reasonable public deliberation Contributors consider whether rationality is really the best standard for public discussion and argument and isolate the features and principles that would characterize a truly exemplary more productive public discourse at the beginning of the twenty first century They investigate why public conversations work when they work well and why they often fail when we need them the most as in our nation s so often aborted national conversation on race Taking a comprehensive look at institutional and leadership practices in recent public debates over a variety of hot button public policy issues Public Discourse in America outlines how such conversations can be used to reintegrate our fragmented communities and bridge barriers of difference and hostility among communities and individuals These essays speak to urgent and perennial questions about the nature of American society the responsibilities of leaders the rules of democracy and the role of public culture in times of crisis conflict and rapid change Public Discourse in America originated in the work of the Penn National Commission on Society Culture and Community convened in 1996 by Judith Rodin President of the University of Pennsylvania Distinguished members of the Commission leading experts commissioned researchers and leaders in America s nascent public discourse movement offer unexpected insights and an optimistic vision of the health of our politics and culture Readers of all political persuasions from the halls of political power to the streets of urban neighborhoods from newsrooms and studios to think tanks and universities will find these essays opening up new paths to robust public discussion more engaged citizenship and stronger communities Contributors include Joyce Appleby Thomas Bender Derek Bok Alex Boraine Graham G Dodds Christopher Edley Jr Drew Gilpin Faust Neal Gabler Richard Lapchick Don M Randel Richard Rodriguez Jay Rosen David M Ryfe Michael Schudson Neil Smelser and Robert H Wiebe
