Beth Henley Julia A. Fesmire, 2014-01-21 Beth Henley was awarded the Pulitzer Prize in Drama and the New York Drama Critics Circle Award for Best American Play for her first full length play *Crimes of the Heart* yet there has been no book length consideration of her body of work until now This volume includes original essays that contextualize and analyze her works from a variety of perspectives focusing on her vexed status as a southern writer her use of the comic grotesque and her alleged feminist critiques of modern society Receiving special attention are lesser known plays which are crucial to understanding Henley s development as a playwright and postmodern thinker

The Plays of Beth Henley Gene A. Plunka, 2014-11-18 Beth Henley s twelve complete plays three of which have been turned into films have achieved worldwide production At age 29 she produced her first full length drama *Crimes of the Heart* which won a Pulitzer Prize and garnered three Academy Award nominations as a film Her Mississippi upbringing and her penchant for the eccentricities of southern culture however have caused critics to categorize her writing as a kind of southern gothic folklore inspired by feminist ideology This book the first critical study of Henley s complete plays attempts to dispel the common stereotypes that associate Henley s work with regional drama and sociological treatises It argues instead that Henley can best be perceived as a dramatist who delineates an existential despair manifested in various forms of what Freud calls the modern neurosis The book maintains that Henley s plays must be understood as universal statements about the angst of modern civilization and Henley s characters are assessed in light of Freud s proposition that cultural restrictions create neurotic individuals The introduction provides a brief account of Henley s childhood and career Early chapters summarize the theory of the modern *angoisse* espoused in Freud s *Civilization and Its Discontents* while later chapters relate this theory to thematic and stylistic elements of Henley s most popular play *Crimes of the Heart* as well as *Am I Blue* *The Wake of Jamie Foster* *The Miss Firecracker Contest* *The Debutante Ball* *The Lucky Spot* *Abundance* *Signature* *Control Freaks* *Revelers* *L Play* and *Impossible Marriage*
