Country Miles Are Longer Than City Miles:

Uranium Seekers Craig Evan Royce, 2012-07-11 The Uranium Seekers saga began in 1976 when world famous Hollywood California photographer Martin was contracted to come to Utah and begin documenting paying photographic tribute to uranium miners native Americans and the Vanadium King uranium and vanadium mines on Temple Mountain Emery County Utah The essence of the project was to pay tribute to the persons who traversed Zane Greys and John Fords great western expanse in search of uranium ore one rock at a time from before Madame Curies trips to the then present and to remind the worlds public that uranium was and still is used to kill not humanity rather cancer I harbored the hope that by going back to the first uranium rocks the nuclear industry would re evaluate the physical structure of nuclear reactors one cubic yard at a time Nuclear reactors when built witness Fukushima Daiichi are still being created with too much haste Like the uranium miners themselves its the hands of the humanity who cast the cement forms in which the reactors rest which determines safety I also rather naively hoped when uraniums harmonous utilization was embraced its destructive military reality throughout the world would melt Even with the support of the fine Beverly Hills California literary agent Clyde M Vandenburg of Vandenburg Linkletter Associates who represented Ronald and Nancy Reagan Barry Goldwater and many others at the time the national and international events at Three Mile Island and Chernobyl put Uranium Seekers and Martins great photographs to bed for decades However recently I learned the Utah Historical Quarterly Unpublished Manuscripts from the Department of Community and Culture at the Utah State Archives had harbored some of the manuscript material for decades and the recent events at Fukushima Daiichi made uranium part of the international conversation once again I decided to dust off Martins work and snatches of the original material for Uranium Seekers **Marks, Martin and the Mule Train**

Hilliard Lawrence Lackey, 2014-02-24 Marks Martin and the Mule Train is a third person chronicle of Marks Mississippi as the origin of the Mule Train component of the 1968 Poor People s Campaign The book begins with the backdrop of living conditions in Marks a small town in the Mississippi Delta mired in abject poverty during the transition period when farm implements displaced field hands More than half of area residents had left the cotton fields to work in factories up north But those that stayed home were devoid of jobs and many were hungry It was this pervasive sense of hopelessness and widespread hunger that struck Dr Martin Luther King Jr during his two visits to Marks in 1966 His first visit was made to preach the funeral of a marcher who had suffered a heart attack while engaged in the James Meredith March Against Fear from Memphis TN to Jackson MS Allegedly Dr King asked some black junior youth what they were going to be when they grew up Their responses drew tears from the Civil Rights leader when summarily they acknowledged no future because of their skin color The second visit also aroused tears empathy when Dr King and Dr Ralph David Abernathy watched a teacher feed her students four apples and a box of crackers for lunch Southern public schools declined to accept federal aid for free and reduced meals to sidestep integration These observations in Marks convinced Dr King to follow the suggestion of Marian

Wright Edelman to lead a Poor Peoples Campaign for jobs and justice Dr Abernathy writes in his book *And the Walls Came Tumbling Down* that Dr King wanted the Poor Peoples Campaign to begin at the end of the world in Marks Mississippi And so it did Even though Dr King was assassinated on April 14 1968 his inspired Mule Train left Marks on May 14 1968 The 1 000 mile journey took a month to complete but 28 wagons pulled by 56 mules paraded down Pennsylvania Avenue on Juneteenth June 19 1968 as the centerpiece of the Poor Peoples Campaign The Mule Train fulfilled one of Dr Kings dreams **Catalog**
