first century the performativity of contact has been a crucial element in the political significance of the beach Conceptualising the beach as a creative trope and as a socio cultural site as well as an aesthetically productive topography this collection examines its multiplicity of meanings and functions as a natural environment engendering both desire and fear in the human imagination from the Victorian period to the present The contributors examine literature film and art in addition to moments of encounter and environmental crisis to highlight the beach as a social space inspiring particular codes of behaviour and specific discourses as a geographical frontier between land and water as an historical site of contact and conflict and as a vacationscape promising regeneration and withdrawal from everyday life The diversity of the beach is reflected in the geographical range with essays on locales and texts from Britain Ireland the Caribbean South Africa the United States Polynesia and New Zealand Focusing on the changed function of the beach as a result of processes of industrialisation and the rise of a modern leisure and health culture this interdisciplinary volume theorises the beach as a demarcater of the precarious boundary between land and the sea as well as between nature and culture

Social Trauma and Telecinematic Memory Pelin Başcı, 2017-10-24 This book explores responses to authoritarianism in Turkish society through popular culture by examining feature films and television serials produced between 1980 and 2010 about the 1980 coup Envisioned as an interdisciplinary study in cultural studies rather than a disciplinary work on cinema the book advocates for an understanding of popular culture in discerning emerging narratives of nationhood Through feature films and television serials directly dealing with the coup of 1980 the book exposes tropes and discursive continuities such as childhood and the child It argues that these conventional tropes enable popular debates on the modern nation's history and its myths of identity
