Couples And The Art Of Playing:

Couples and the Art of Playing Keith Hackett, 2003-11 Couples and the Art of Playing will help couples develop and nurture healthy relationships and heal troubled ones. It is short and can be read in about two hours. Limited to three easy and life-changing concepts: 1. play 2. 5 5 playful sharing and listening and 3. positive playful manipulation. Illustrated with examples with which the reader can relate. It offers immediate hope and healing in a playful way. Keith has been working with couples for over thirty years and has been married to Joan since 1969. He is well equipped to share techniques that will help people enjoy each other and heal damaged relationships. Without having to focus on sex, they will find that their sexual pleasure is increased. They discover they are better able to talk and resolve conflicts because they are focusing on play, not work. Above all, Couples and the Art of Playing will help partners develop good habits and have hope for their future in a playful, creative, and empowering way. These three easy techniques offer an alternative to violence and help to drastically lower the divorce rate.
