Therapy with Couples Michael Crowe, Jane Ridley, 2008-04-15 Since the first edition of this practical book was published in 1990 a number of important developments have taken place and have been incorporated into the new edition There are now many kinds of non traditional relationships that accompany an increasing divorce rate and the shrinking number of marriages Co habitation remarriage step parent step child relationships and their implications for the extended family their strengths and areas of tension are examined Accompanying these changes has been a development in therapeutic approaches and additional outcome data is now available Rapid progress has been made in treatments and their implications are described In addition the therapeutic managing of separating and divorcing couples domestic violence and the aftermath of sexual and physical abuse are discussed Book Prices: Used and Rare, 1994 Edward N. Zempel, 1994

The Intercultural Exeter Couples Model Janet Reibstein, Reenee Singh, 2020-12-02 Increase the efficacy of your treatment interventions in intercultural couples therapy The Intercultural Exeter Couples Model Making Connections for a Divided World Through Systemic Behavioral Therapy provides practitioners with a thorough guide to effectively treating intercultural couples The book consists of a systematic effort to translate systemic ideas that take into account a cultural perspective into a highly useable and practical form The Intercultural Exeter Couples Model also attempts to marry two often distinct forms of

practice the systemic and the behavioral Both approaches have much to contribute to effective couples counselling but they are often theoretically siloed This book demonstrates the value of using both approaches simultaneously This book provides concrete and practical strategies for implementing systemic and behavioral approaches to intercultural couples therapy in a manner consistent with clinical best practice Rather than ignoring the significant and complex impacts that differing cultures can have on a relationship The Intercultural Exeter Couple Model puts those differences front and center encouraging the therapist to engage with the cultural mismatch that can be at the core of many couples ongoing friction The book's chapters tackle both the model itself and a variety of interventions covering topics including Teaching couples how to break patterns and prepare them to establish new ones Training couples to communicate effectively Establishing new modes of behavior in couples An explanation of empathic bridging maneuvers A description of the use of life space explorations Perfect for clinicians students and professors interested in or practicing in the field of couples therapy The Intercultural Exeter Couples Model provides readers with an in depth exploration of an increasingly important model of couples therapy and describes in painstaking detail the interventions necessary to achieve positive patient outcomes

Marriage and Values in Public Policy Elizabeth van Acker,2017-01-20 Marriage is a site of political conflict It is a controversial issue in the UK Australia and the US where there is a clash of values between neoliberal governments and diverse groups either strongly opposing or supporting marriage In the meantime fewer couples are marrying while other family forms are more widely accepted This book explores this disconnect by examining policy issues such as class divides ethnicity religion same sex marriage gender relations and romantic expectations A top down approach explores different government policy responses to marriage In all three countries there are differences and similarities in how governments react to the changes in family formations but values or conceptions of the desirable play a significant role Enhancing stability and commitment as well as personal responsibility are important for policymakers who aim to keep the family intact and thereby lower the burden on the public purse It is difficult for political actors to respond to conflicting and changing values surrounding the diversity in relationships or to translate them into policies There is a strong case to be made for increased policy attention to adult relationships and a much weaker case for marriage Rich evidence is drawn from interviews with key stakeholders as well as politicians speeches government departmental reports stakeholders documents and responses to government policies and media articles **Research Handbook on Family Justice Systems** Mavis Maclean,Rachel
