Clinical Issues with Interracial Couples Volker Thomas, Joseph L. Wetchler, Terri Karis, 2014-02-25 Go beyond cookie cutter therapy and interventions to provide culturally relevant therapy that works for your clients in interracial relationships With this book you ll explore an array of relational issues faced by various configurations of interracial couples Then you ll learn specific intervention strategies for treating these couples in therapy The first section presents research and theoretical chapters on issues faced by interracial couples who are heterosexual the second focuses on issues facing racially mixed gay and lesbian couples and the third provides you with specific interventions to use with couples in interracial relationships

Clinical Issues with Interracial Couples Theories and Research is an important addition to the collection of any therapist who counts an interracial couple among his or her clients From the editors Although interracial couples face challenges related to differences in their racial backgrounds couple and family theories have had little to say about how to work with these differences Not all couples are white married and heterosexual and there is a growing understanding that clinical practices based on these assumptions may not be adequate when working with interracial couples Recognizing the diversity of our clients the intent of this book is to contribute to more respectful and inclusive clinical practices that can address the treatment issues we face in the first decade of the twenty first century

The first section of this book examines challenges faced by heterosexual interracial couples focusing on how black white couples experience and respond to racism and how they negotiate the racial and ethnic differences they face in their relationships the significance of race or lack of it in white women s relationships with black men with suggestions on how to create a therapeutic space for discussing race without over determining its significance marriages where one partner is of Latino a descent and the other of non Latino a white descent a pilot study of a rarely investigated population approaches interventions and strategies to use when treating multicultural Muslim couples Hawaii s unusual history of interracial ties and relationships the common challenges that face interracial couples there and therapeutic interventions that can benefit them The second section of Clinical Issues with Interracial Couples looks at the issues faced by same sex interracial couples Here is a sample of what you ll find clinical considerations for working with interracial intercultural lesbian couples pitfalls to avoid in therapy as well as suggestions for a conceptual approach for gay Latino men in cross cultural relationships The book s final section presents interventions for use with interracial couples Here you ll find assessment techniques and interventions geared toward black white couples information on doing effective therapy with Latino a white couples a case study of the therapeutic process as applied to an Asian American woman married to a white man seven therapists perspectives on working with interracial couples focusing on

the historical context of intermarriage specific concerns and issues that interracial couples experience in their relationships and the experiences of therapists working with this diverse and challenging client population **Couples Connecting**

Barbara Jo Brothers, 2013-11-05 Help clients grow into loving commitment Making and keeping commitments is more difficult today than ever About half of all marriages end in divorce and serial monogamy is not uncommon Couples Connecting Prerequisites of Intimacy identifies the cultural and personal attitudes that impede commitment and impair intimacy and it gives you the therapeutic tools to work with clients who don't know how to build a lasting love Couples Connecting examines why past theories of self actualization are now failing Because our culture emphasizes individualistic values people do not learn how to create and share bonds with others Therapists must become developmental partners for clients who need to overcome failures of maturation in order to have successful loving relationships with their partner This essential guide offers you practical techniques and case studies as well the theoretical underpinnings to deal with this crisis of intimacy Couples Connecting provides specific insightful studies on overcoming obstacles to genuine commitment including identifying patterns of anger in distressed and nondistressed couples ways to help engaged couples overcome the fear of following negative family patterns using family systems theory and psychodynamics to understand developmental issues in marriage suggestions for clinical practice with couples who fear intimacy implications of ten essential factors in intimacy Couples Connecting will help you design and use techniques to promote personal growth and bridge gaps between clients to help couples achieve satisfying and intimate relationships Relationship Therapy with Same-Sex Couples Jerry Bigner, Joseph L. Wetchler, 2014-01-14 Use new knowledge of the LGBT culture to ably counsel same sex couples Relationship Therapy with Same Sex Couples provides psychologists therapists social workers and counselors with an overview of the array of treatment issues they may face when working with couples from the LGBT community This book highlights the experiences of therapists who have encountered concerns particular to LGBT clients especially those in intimate relationships This intriguing resource covers clinical issues sex therapy special situations and training issues for helping therapists successfully counsel same sex couples Relationship Therapy with Same Sex Couples explores the therapist's role in working through universal issues in couples therapy such as communication problems infidelity and decision making with a focus on how therapy should differ for same sex couples This important guide also identifies which problems are unique to couples as an aspect of their sexual orientation including gender role socialization and societal oppression With this book you will be able provide appropriate therapy without over or under attributing a couple's problems to their LGBT status This book shows how experienced therapists have developed methods for working with gay and lesbian parents heterosexual spouses and ex spouses couples in HIV serodiscordant relationships lesbian bed death couple and family dynamics supporting transgender and sexual reassignment issues and more Relationship Therapy with Same Sex Couples contains several features for you to utilize in your own practice including the Sexual Orientation Matrix for Supervision SOMS to assist

supervisors and trainers in preparing supervisees to work with lesbian gay and bisexual clients The book also offers guidelines for heterosexual therapists who plan to work with same sex couples and how to overcome any residual homophobia or heterosexual guilt Lastly this essential sourcebook reviews several articles book chapters books and Web sites that are relevant to same sex couples and the therapists who work with them
