Coups and Earthquakes Mort Rosenblum,1981 South Africa and the International Media, 1972-1979 James Sanders,2000 This book studies the Anglo American media s representation of South Africa in the 1970s the international media is shown to have been under continuous pressure from both the South African Dept of Information and the anti apartheid movement

Broadcasting Politics in Japan Ellis S. Krauss,2018-09-05 The aftermath of Japan s 1945 military defeat left its public institutions in a state of deep crisis virtually every major source of state legitimacy was seriously damaged or wholly remade by the postwar occupation Between 1960 and 1990 however these institutions renewed their strength taking on legitimacy that erased virtually all traces of their postwar instability How did this transformation come about This is the question Ellis S Krauss ponders in Broadcasting Politics in Japan his answer focuses on the role played by the Japanese mass media and in particular by Japan s national broadcaster NHK Since the 1960s television has been a fixture of the Japanese household and NHK s TV news has until very recently been the dominant and most trusted source of political information for the Japanese citizen NHK s news style is distinctive among the broadcasting systems of industrialized countries it emphasizes facts over interpretation and gives unusual priority to coverage of the national bureaucracy Krauss argues that this approach is not simply a reflection of Japanese culture but a result of the organization and processes of NHK and their relationship with the state These factors had profound consequences for the state s postwar re legitimization while the commercial networks recent challenge to NHK has helped engender the wave of cynicism currently faced by the state Krauss guides the reader through the complex interactions among politics media organizations and Japanese journalism to demonstrate how NHK television news became a shaper of Japan s political world rather than simply a lens through which to view it
