The Selected Works of James Oliver Curwood James Oliver Curwood, There are not many who will remember him as Thomas Jefferson Brown For ten years he had been mildly ashamed of himself and out of respect for people who were dead and for a dozen or so who were living he had the good taste to drop his last name The fact that it was only Brown didn't matter Tack Thomas Jefferson to Brown he said and you've got a name that sticks It had an aristocratic sound and Thomas Jefferson with the Brown cut off was still aristocratic when you came to count the red corpuscles in him In some sort of way he was related to two dead Presidents three dead army officers a living college professor and a few common people He was legitimately born to the purple but fate had sent him off on a curious ricochet in a game all of its own and changed him from Thomas Jefferson Brown into just plain Thomas Jefferson without the Brown He was one of those specimens who when you meet them somehow make you feel there are a few lost kings of the earth as well as lost lambs He was what we called a first sighter that is you liked him the instant you looked at him You knew without further acquaintance that he was a man whom you could trust with your money your friendship anything you had He was big with a wholesome brown face blond hair and gray eyes that seemed always to be laughing and twinkling even when he was hungry He carried about with him a load of cheerfulness so big that it was constantly spilling over on other people There was a time when Thomas Jefferson Brown had little white cards with his name on them That was when he went to college and his lungs weren't so good It was then that some big doctor told him that if he wanted to live to have grandchildren the best thing for him to do was to tramp it for a time live out of doors sleep out of doors do nothing but breathe fresh air and walk That doctor was Fate playing his game behind a pair of spectacles and a bumpy forehead He saved Thomas Jefferson Brown all right but he turned him into plain Thomas Jefferson For Thomas Jefferson Brown never got over taking his medicine He kept on tramping He got big and broad and happy Somewhere perhaps in a barn he caught a microbe that made him dislike ordinary work He would set to and help a farmer saw wood all day just for company and grub but you couldn't hire him to go into an office or settle down to anything steady for twenty five dollars a day He had a scientific name for the thing that was in him the wanderlust bug I think he called it and he said it was better than the Chinese lady bugs that the government imports to save California fruit The nearest Thomas Jefferson ever came to going back to Thomas Jefferson Brown was when he took a job at braking on the Southern Pacific That held him for three days less than two weeks      *JAMES OLIVER CURWOOD: 20 Western Classics & Adventure Novels, Including Short Stories, Historical Works & Memoirs (Illustrated)* James Oliver Curwood, 2017-05-14 This carefully crafted ebook JAMES OLIVER CURWOOD 20 Western Classics Adventure Novels Including Short Stories Historical Works Memoirs Illustrated is formatted for your eReader with a functional and detailed table of contents Novels The Wolf Hunters The Gold Hunters Kazan Baree Son of Kazan The Courage of Captain Plum The Danger Trail The Honor of the Big Snows Philip Steele of the Royal Northwest Mounted Police The Flower of the North Isobel God's Country and the Woman The
