Courage in Persona Thomas A. Wright,1993 **"Like Water Covered the Sea"** Paul Ortiz,2000 **We Can Do It** Michael T. Gengler,2018-08-21 This book tells of the challenges faced by white and black school administrators teachers parents and students as Alachua County Florida moved from segregated schools to a single unitary school system After Brown v Board of Education the South s separate white and black schools continued under lower court opinions provided black students could choose to go to white schools Not until 1968 did the NAACP Legal Defense Fund convince the Supreme Court to end dual school systems Almost fifty years later African Americans in Alachua County remain divided over that outcome A unique study including extensive interviews **We Can Do It** asks important questions among them How did both races without precedent work together to create desegregated schools What conflicts arose and how were they resolved or not How was the community affected And at a time when resegregation and persistent white black achievement gaps continue to challenge public schools what lessons can we learn from the generation that desegregated our schools **A Family History: Wright-Lewis-Moore and Connected Families** ,1968 The ancestry of the author in the Wright Lewis and Moore families and their descendants today *The Literary World* ,1879 **1789, History of Oswego County, New York** Anonymous,2024-08-03 Reprint of the original first published in 1877 *The Spirit of '76* ,1895 **Flight from Chile** Thomas Wright,Rody Oñate,2023-08-15 2023 marks the fiftieth anniversary of General Pinochet s coup on September 11 1973 During the wave of mass arrests torture and executions that followed people began fleeing Chile Over the next fifteen years some two hundred thousand Chileans sought exile in countries around the world Out of their anguish and anger come these moving and powerful testimonies of their fractured lives the first oral history of the Chilean diaspora now revised and updated Many who fled had been tortured and they clung to the principle that the dictatorship was an evil that had to be destroyed But their zeal and solidarity with other refugees often failed to sustain families Many marriages collapsed and children lost interest in their native land and culture After civilian rule returned in 1990 many returning exiles felt estranged from a homeland forever changed This timely update of the 1998 collection continues to remind us of the fracturing legacy and enduring oppression of usurpation and authoritarian rule long after its time has passed **With Faith in God and Heart and Mind** Maurice J. Hobson,Eddie R. Cole,Jim C. Harper,Derrick P. Alridge,2025-01-10 When Edgar A Love Oscar J Cooper Frank Coleman and Ernest Everett Just founded the historically Black fraternity Omega Psi Phi on November 17 1911 at Howard University they could not have known how great of an impact their organization would have on American life Over the 110 years that followed its members led colleges and universities served in prominent military roles made innumerable contributions to education civic society science and medicine and at least one campaigned for the US presidency This book offers a comprehensive authoritative history of the fraternity emphasizing its vital role through multiple eras of the Black freedom struggle The authors address both the individual work of its membership which has included such figures as Carter
