Phenomenology of Life. Meeting the Challenges of the Present-Day World Anna-Teresa Tymieniecka,2006-03-30

Philosophy has been always received or bypassed for its resonance or aloofness with the spirit of the time Should not philosophy phenomenology of life be expected to do more to ascertain its validity Should it not pass the pragmatic test that is to respond directly to the life concerns of its time What is the role of the philosopher and philosophy today Due to the ever advancing scientific technological social and cultural changes that are shaping human life and the life world in

transformation we are desperately seeking a measure to estimate life's unfolding a compass to stir the course between Scylla and Charibda to maintain humanhood and creative insight for laying the cornerstones for the unforeseeable unfolding of life dynamisms It is this challenge which philosophy phenomenology of life meets with underlying ontopoietic unraveling of the hidden logic concatenations of beingness in becoming The present collection of essays offers contributions to answer this challenge by focusing upon measure sharing in life intersubjectivity and communication societal equilibrium education and more It will be of great interest to those working in the fields of Phenomenology Philosophy History of Philosophy and Contemporary Philosophy
