The Course Of Honour Lindsey Davis, 2011-03-31 A true historical love story from the bestselling author of the Falco novels He has no money no reputation and no famous ancestors The love story of the Emperor Vespasian who brought peace to Rome after years of strife and his mistress the freed slave woman Caenis this book recreates Ancient Rome's most turbulent period the reigns of Tiberius Caligula Claudius and Nero and Vespasian's rise to power As their forbidden romance blossoms Caenis is embroiled in political intrigue while Vespasian embarks on a glorious career Years pass then Vespasian risks all in the climactic struggle for power bringing hope for Rome but a threat to the relationship that has endured for so long

The booke of honour Francis Markham, 1625 **Perils of Empire** Monte Pearson, 2008 In *Perils of Empire* The Roman Republic and the American Republic the author traces how the Roman Republic gained an empire and lost its freedoms and he ponders the expansionist foreign policy that has characterized the American Republic since Teddy Roosevelt led the Rough Riders up San Juan Hill This well researched study of both long term trends and current events highlights the difficulties of balancing the demands of ruling an empire and protecting democratic political institutions and political freedoms

Calendar University of Toronto, 1895 *The Course of Honor* Lindsey Davis, 1998 A tale of love and intrigue set in first century Rome features a female slave who becomes the emperor's mistress Honor, Patronage, Kinship & Purity David A. deSilva, 2000-10-12 David A deSilva demonstrates in this book how paying attention to the cultural themes of honor patronage kinship and purity opens us to new facets of the New Testament documents

It's Your Misfortune and None of My Own Richard White, 2015-02-16 A centerpiece of the New History of the American West this book embodies the theme that as succeeding groups have occupied the American West and shaped the land they have done so without regard for present inhabitants Like the cowboy herding the dogies they have cared little about the cost their activities imposed on others what has mattered is the immediate benefit they have derived from their transformation of the land Drawing on a recent flowering of scholarship on the western environment western gender relations minority history and urban and labor history as well as on more traditional western sources *It's Your Misfortune and None of My Own* is about the creation of the region rather than the vanishing of the frontier Richard White tells how the various parts of the West its distinct environments its metropolitan areas and vast hinterlands the various ethnic and racial groups and classes are held together by a series of historical relationships that are developed over time Widespread aridity and a common geographical location between the Missouri River and the Pacific Ocean would have provided but weak regional ties if other stronger relationships had not been created A common dependence on the deferral government and common roots in a largely extractive and service based economy were formative influences on western states and territories A dual labor system based on race and the existence of minority groups with distinctive legal status have helped further define the region Patterns of political participation and political organization have proved enduring Together these relationships among people and between

people and place have made the West a historical creation and a distinctive region From Europeans contact and subsequent Anglo American conquest through the civil rights movement the energy crisis and the current reconstructing of the national and world economies the West has remained a distinctive section in a much larger nation In the American imagination the West still embodies possibilities inherent in the vastness and beauty of the place itself But Richard White explains the possibilities many imagined for themselves have yielded to the possibilities seized by others Many who thought themselves cowboys have in the end turned out to be dogies **Parameters** ,1982 **Titles of Honor** John Selden,1672
