from the Sea Thomas Petri, 2009 ANGLICO Super Grunts of 1st ANGLICO were deployed to all four tactical zones of Vietnam in small mobile fire control teams providing support to U S Army and allied elements This organization was the last tactical unit to stand down from the war and gained distinction as the only Marines in country reporting directly to MACV Working closely with Korean Marines recounting several actions involving these legendary warriors from the Land of the Morning Calm this little known but highly effective unit had an impact on the war far greater than their small numbers Field radio operators and naval gunfire spotters composed the tactical membership of this unit Both professions were cross trained in each competence and each in turn was further qualified as tactical air controllers An airborne capable platoon was established mandating many ANGLICOs attend jump school and undertake other specialty training in the event they are called on to enter combat by unconventional means Not being able to predict who they may be called on to support training was pushed to the level of the most elite forces in the free world BLUE DRAGONS Most men of the Blue Dragon Brigade came of age during a war that raged fierce on their own homeland little more than a decade earlier During a short lived occupation by North Korea the people of the south endured extremely harsh treatment by would be conquerors Events of recent history still burned in their hearts and haunted their dreams They were mostly all children at the time leaving scarcely a man untouched by personal tragedy that could only be forged in a crucible of terror Many were orphaned and all shared a thirst to settle a score that only those who drink deep from the same cup of dread can truly understand **The Marine Corps Gazette** ,1984 **Hard Corps** ,2004-11-10 The Marine Corps reputation as the world s premier fighting force was forged on many battlefields by a succession of extraordinary men Here are their stories The battles Belleau Wood Samar Makin Iwo Jima Hue City and Operation Iraqi Freedom The Marines O Bannon Daly Basilone Puller Boyington and Chontosh and much more If anyone ever asks what makes Marines special give them a copy of this book **The War that Would Not End** Charles D. Melson, 1998 In the spring of 1972 Hanoi launched a full scale invasion of South Vietnam one of the largest offensives of the Vietnam War For three tense months it was close confrontation and many observers predicted the end for the Saigon government But the South Vietnamese held Their victory came in large measure due to American air power and the presence of U S Army and Marine Corps advisors on the ground Yet their heroic story is not well known The War That Would Not End paints a vivid picture of the battle for northern I Corps concentrating on the Marines and their fight to stem the North Vietnamese tide **The Bridge at Dong Ha** Estate of John G. Miller, 1996-08-19 This is the true story of the legendary Vietnam War hero John Ripley who braved intense enemy fire to destroy a strategic bridge and stall a major North Vietnamese invasion into the South in April 1972 Told by a fellow Marine the account lays bare Ripley s innermost thoughts as he rigged 500 pounds of explosives by hand walking the beams beneath the bridge crimped detonators with his teeth and raced the burning fuses back to shore thus saving his comrades from certain death First published in 1989 the book has broad appeal as a riveting tale of adventure But John Miller has taken this daring act of heroism beyond the specifics of time

and place to provide new insights into the nature of war and warriors characteristics that have remained unchanged for centuries and will remain valid for generations to come It has been on the Marine Corps Commandant's recommended reading list since 1990 Newly illustrated by Col Charles Waterhouse USMCR Ret Marine Advisors with the Vietnamese Provincial Reconnaissance Units, 1966-1970 Andrew R. Melson, Wanda J. Renfrow, 2009-07-07 I first served with Vietnamese Marines in 1972 when they came on board the U S Navy ships that Battalion Landing Team 1 9 was embarked on They were preparing for an amphibious landing to counter the North Vietnamese Army's Spring Offensive in Military Region 1 I Corps in South Vietnam They brought with them their U S Marine advisors who were known by the senior members of the battalion We had already witnessed or heard of the exploits of then Captain John Ripley and Lieutenant Colonel Gerry Turley in blunting the initial attacks of the Easter Offensive As the Vietnamese were formed into helicopter or boat teams and fed a meal before going ashore they bantered with the American Marines and Sailors telling them to come along to kill communists After a turbulent start to the offensive the Vietnamese Marines exhibited the fighting spirit that elite units create for themselves This was reflected in the various names of their battalions that were the focus of their unit identification The infantry battalions had a series of nicknames and slogans that were reflected on their unit insignia 1st Battalion's Wild Bird 2d Battalion's Crazy Buffalo 3d Battalion's Sea Wolf 4th Battalion's Killer Shark 5th Battalion's Black Dragon 6th Battalion's Sacred Bird 7th Battalion's Black Tiger 8th Battalion's Sea Eagle and 9th Battalion's Mighty Tiger For the artillery units this was the 1st Battalion's Lightning Fire 2d Battalion's Sacred Arrow and 3d Battalion's Sacred Bow Support and service battalions followed this example as well The 9th Marine Amphibious Brigade and its embarked troops provided helicopters amphibious tractors and landing craft support for a series of attacks leading to the recapture of Quang Tri City through the fall of 1972 In addition command and control facilities and liaison were provided to the Republic of Vietnam's I Corps and Military Advisory Command Vietnam's 1st Regional Advisory Command in the sustained counteroffensive This reinforced the impression made by the Vietnamese Marines themselves This began my interest in the story that follows The period after World War II saw a number of associated Marine Corps formed in the republics of China Korea Vietnam the Philippines Indonesia and Thailand They had been founded with the help of foreign

military aid to fight the various conflicts to contain communist expansion in the region Also present at various times were other Marines from the Netherlands France and Great Britain The beginnings of the Cold War witnessed this proliferation of amphibious forces in Asia in part because of the reputation the U S Marines had earned in the cross Pacific drive against Japan and in other postwar confrontations This is about one of them the Vietnamese Marine Corps or Thuy Quan Luc Chien TQLC This occasional paper provides documents on the topics of the Vietnamese Marines and the U S Marine Advisory Unit from this period William D Wischmeyer created the reference that the unit and history was based on As a captain he drafted the Vietnamese Marine Corps Marine Advisory Unit Historical Summary 1954 1973 signed off by the senior Marine advisor on 22March 1973 **Ban Bak: A Historian's Notebook, 2014** Nail 213,2015 Ban Bak is a definitive study of the discovery and destruction of a secret Laotian logistics complex on the Ho Chi Minh Trail Forward Air Controllers observed suspicious activity near the Ban Bak river crossing CHECO reports of the COVEY Bomb Dump were flawed but COVEY 257 Gary Beard corrects the record with first person accounts by participants Additional information both historical and fictional is provided by veteran authors whose writings lend both resource and context Ban Bak is third of three FAC related volumes associated with FACs in the Vietnam War Cleared Hot Vol I and Cleared Hot Vol II BAN BAK extends these accounts by including tributes to fallen FACs a Time Line of Forward Air Controllers in history an Lexicon of FAC Terms and Information a classified report on COMBAT INK surveillance methods and an extensive bibliography of FAC related literature and sources useful to all readers of Vietnam history Ban Bak is 474 pages long A4 format in soft binding only **U.S. Marines in Vietnam** Robert H.
