practices      *Wicca Covens* Lisa Chamberlain, 2015-09-30 Everything You Need to Know About Wicca from Best Selling Wicca Author Lisa Chamberlain It is estimated that there are over 1 million practicing Wiccans around the world today But what is it that has made these people turn their back on the formal structured religions that encompass the majority of the Western world In our modern high pressured world many of us fail to take notice the sheer beauty of the natural world surrounding us In many ways this is a travesty the world we live in today seems so completely distant from the one our ancestors lived in a world where humans and nature were at one their existence intertwined in the natural cycles of life Wicca is a new way of life a religion that takes you back to a more simple time before the invention of the high tech gadgetry we see all around us You will learn to live and appreciate the natural world that surrounds you celebrating the intricate changes in the seasons and everything they bring from the bounties of the Summer harvest to the cold and darkness of the Winter months as Mother Nature rests in preparation for the next explosive cycle of life that Spring brings Wicca is a re incarnation of the very earliest religions long pre dating Christianity Wiccans celebrate and share many of the same beliefs that these early people held and try to embrace their way of life all while remaining fully functional in today s modern world Getting Started as a Wiccan If you re sold on this new exciting peaceful way of life that s great Good to have you on board Unfortunately and despite this commitment this is where many people get stumped One of the biggest questions I hear would be Wiccans ask how do I start practicing Wicca The truth is there is no right answer If you endeavour to learn as much as possible about this religion follow the core principles for example the Threefold Law and revere the natural world surrounding you as far as I m concerned you re a Wiccan If you re just starting out I m sure this vague answer is of little help to you That s why I set out to write this mini series of books titled *Practicing the Craft* In this particular book you ll learn everything you need to know about Wicca traditions including covens circles solitary practitioners and eclectic witches *Wicca Covens and Other Traditions* Practicing magic isn t compulsory for Wiccans however many people are inevitably attracted to the religion by the potential to positively change their lives for the better As such spellwork is one of the most discussed parts of being Wiccan If you want to start practicing magic it can help to join like minded individuals also known as a coven Covens allow you to be a part of a small Wiccan community They meet regularly to perform rituals especially on important Wiccan dates notably the sabbats and esbats As well as a sense of community covens are also one of the best places to accelerate your learning In this book we ll be looking at everything you need to know about covens including the history of covens their structures and how to join one Don t worry though not everyone wants to be part of a coven and that s perfectly fine too In this book we ll be discussing all of your options including circles and the solitary path We ll also look at the main Wiccan traditions Gardnerian Alexandrian and Dianic as well as a handful of less common traditions You don t have to follow one of the traditions rigidly and indeed many Wiccans don t choosing to become eclectic practitioners Throughout this book we ll be exploring all of the options available to you as well as helping you know which path is right for you In other words

Wicca Covens will teach you everything you need to know about starting your own Wiccan journey today      **Wiccan Beliefs & Practices** Gary Cantrell,2001      Circle, Coven & Grove Deborah Blake,2007 Part instruction manual part personal journey and part Book of Shadows this all in one ritual handbook is an ideal tool for busy Witches new covens and new Priestesses Priests or coven leaders Celebrate the Wheel of the Year with original group rituals that can be used as written personalized to reflect your coven s unique style or modified for solitary practitioners Along with practical tips on ritual basics there are beautifully written New Moon rituals Full Moon rituals and Sabbat celebrations for each month and season Back cover      **Your life, your roots, your way** ,      *The Witches' Coven* Tamara Von Forslun,2018-10-08 WITCHCRAFT is far more than just spellcraft and celebrations It is about honouring the ancient tradition and all the witch tools and fellowship that kept the tradition alive through the burning times before it was reawakened in the twentieth century THE WITCHES COVEN will help you discover the secrets the origins and the symbolism behind every tool of the witch Each tool has a magickal purpose as a key within our magick circle which is the temple of the Goddess and the God of Nature Each tool is also a sacred key to a specific magickal power that acts as a conduit for either electrical magnetic electromagnetic or alchemical change with one s will Many modern witches are not aware of these ancient tools which are as important today as they were thousands of years ago both for solitary witches and for full working covens The coven fellowship is a committed working spiritual family and is more important now in the twenty first century than it was in the past since we need the fellowship of a spiritual and magickal family to commit to a way of life that is as ancient as life itself In THE WITCHES COVEN you can work with the tools and enjoy the activities of fellowship becoming one with the Goddess and God and all of Nature
