*Crucified* Cheryl Arnold, 2010-10 The Love of God For God so loved the World that He gave His only begotten Son that whosoever believes in Him shall not perish but have everlasting life The love of God is a stream of crimson blood poured out It comes down from His head over His brow getting in to His eyes alongside His nose seeping into His mouth as He gasps for breath covering His naked body as He hangs in agony and shame pouring forth from His hands feet and side and from the flesh gaping open where He was stricken as the chastisement of our peace was upon Him dripping down onto the ground then covering the mercy seat in Heaven now covering me and more than covering me now cleansing me now coursing through MY veins and pumping through MY heart purifying me giving me life so I can through His life in me also give life giving you life if you know Him so you can also through His life give life There is a path that is stained with Jesus blood and leads to His crucifixion and ultimately to our crucifixion if we will follow Him After salvation man must be made to detest with all his being the sin nature within him When he does he will kill it Romans 6 6 How shall we who are dead to sin live any longer in it Romans 6 2 When he kills it he allows Christ to be fully formed in him and is fit then to walk out the rest of his life on earth in single minded devotion to Christ longing for the moment he will be forever with Him in glory This is the love of God Cheryl lives in South Carolina with her Husband and two children serving and loving the Lord *Yeshua, the Crucified Serpent* Rowland Stenrud, 2012-11 It was the atheist Jean Paul Sartre who once said that Hell is other people Rowland Stenrud s *Yeshua the Crucified Serpent* is about how mankind s savior Jesus of Nazareth has saved men and women from this hell by making it possible and indeed inevitable for human beings to love one another and their Creator Father Yahweh God This book is about the concept and practice of human and divine love The words of Paul in 1 Corinthians 13 1 13 the Bible as a whole and the reader s life experience will help in defining this The author reviews what he knows about the concept and its related precepts and brings them to bear in this book God himself is love which should tell us how mysterious a thing love is To acquire this ability to love one must suffer in union with the suffering Christ Salvation pure and simple is God delivering each one from the inability to love other human beings and the Creator Himself The obstacle to this perfect love is the serpent of human wisdom and pride that existed even in Jesus In his loving obedience to the Father Jesus nailed this serpent to the cross *Yeshua the Crucified Serpent* attempts to show that the question of evil and suffering in the world is answered by Yahweh s eventual success in saving all of mankind The majority of Christians believe in a number of key doctrines that the biblical authors do not unequivocally teach A few verses may support these unbiblical doctrines but a greater number of verses whose meaning is clearer contradict the standard interpretation of these few verses Other doctrines that Christians mistakenly believe in find support in this or that section of the Bible but are denied by the general thrust of the Bible as a whole These unbiblical doctrines followed by the correct biblical teaching are 1 Sometime in the distant past a large number of God s angels rebelled against Him becoming what are called devils or demons whose leader is known as Satan or Lucifer

The Bible teaches that the only agent of evil in the universe is man's heart 2 Adam and Eve possessed the perfection of Jesus Christ before they sinned If they had not sinned they would not have needed to be healed of any weakness The Bible teaches that Adam and Eve could not have had eternal life even before they sinned without the work of Jesus of Nazareth 3 Faith is an act of the free will of man The Bible teaches that faith does involve man putting his trust in God's promises and revelation but it is primarily a power given to man by God in order to enable him to see spiritual truth the natural man cannot see Without this gift of the Holy Spirit no human being can know God and be saved 4 Ultimately speaking we are saved by our faith On the contrary it is through Jesus's faith in and love for the Father that is the instrument of our salvation 5 Jesus saved us by paying the penalty due our sins and therefore saving us from the just wrath of God This is false No one had to pay any penalty for God to forgive the sins of the human race God relates to sinners on the basis of mercy and mercy is not mercy if the penalty for sin is paid By going to the cross Jesus healed our brokenness which forgiveness alone could not accomplish 6 Satan and the sins of men are ultimately responsible for human suffering False God is ultimately responsible for human suffering as it is a necessary part of God's work of saving human beings God Himself shares in all of our suffering physical emotional and spiritual even though He does not have a body or nervous system 7 Salvation is about our eternal destiny This is not correct Salvation is about being saved from the idolatries addictions corruption hatreds evil deeds that afflict the unsav

James Durham (1622-1658) Donald John MacLean, 2015-03-11 The free offer of the gospel has been a matter of significant debate within Reformed theology However despite this controversy Reformed theologians such as James Durham preached a gospel offer which was a sincere and free invitation from God to all to embrace Jesus Christ as Saviour This gospel offer expressed God's grace and goodness to all Donald MacLean argues that Durham's doctrinal position is representative of the Westminster Standards and embraced by his contemporaries and evidenced by the later disputes concerning the meaning of the teaching of the Westminster Confession of Faith **Israel and the Covenants in New Testament Times** Peter Williams, 2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation

yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that

*Apostle of the Crucified Lord* Gorman, Michael, 2017 THIS COMPREHENSIVE WIDELY USED TEXT by Michael Gorman presents a theologically focused historically grounded interpretation of the apostle Paul and raises significant questions for engaging Paul today After providing substantial background information on Paul s world career letters gospel spirituality and theology Gorman covers in full detail each of the thirteen Pauline epistles Enhancing the text are questions for reflection and discussion at the end of each chapter as well as numerous photos maps and tables throughout The new introduction in this second edition helpfully situates the book within current approaches to Paul Gorman also brings the conversation up to date with major recent developments in Pauline studies and devotes greater attention to themes of participation transformation resurrection justice and peace

*God's Covenant Plan* Jesse Wright, 2012-02 Why is so little reference made to covenant in the New Testament What importance does it have to us If we knew more about how the new covenant operates might it change the way we relate to God In this study the subject of in Him takes on a dynamic new meaning when seen diagrammed in the new covenant becoming the apex of Christian understanding This subject woven into covenant creates a picture of God s undying relationship to man that cannot be broken The new covenant of love culminated the development of God s covenants to man It is beyond man s comprehension as to why a supreme being would venture such an undertaking as man although it seems that this project was in God s planning all along and is the crowning act that all other creations point to In God s plan He gives man the freedom of choice as to whether to seek Him or deny Him Faith in His existence and dedication to Him leads to an eternal relationship Thoughts in this book deal with creating and deepening that faith An understanding of these and other subjects has been a historic journey in my life so now let your journey begin Jesse Maurice Wright was born in 1935 in south Texas to a very Bible oriented family His father M A Wright was an evangelist for the Church of Christ in many locations in the south west and central U S He has been married to Janiece for 55 years and has two children four grandchildren and two great grandchildren Maurice has served as deacon to congregations in Colorado Nevada and Oregon He has been an elder at the University Church of Christ in Denver Colorado His working career has been in building contracting which ended in the electrical field He is an avid private pilot having built

three small aircraft His retirement years have been mainly spent exploring his interest in God's covenants which explains this his only book **IMPORTANT** A Dialogue of Suffering Between the Crucifixion and the Holocaust Rick Wienecke, 2015-07-30 Revised B W version of the previous full colour book A Dialogue of Suffering Between the Crucifixion and the Holocaust is a curriculum designed to be used for personal use or small study groups This book also contains many pictures of the Fountain of Tears Not meant to be an intellectual exercise this study tool delves deeper in the connection and similarities that exist between the Crucifixion and the Holocaust The material is based on the The Fountain of Tears a sculptured dialogue of suffering between the Crucifixion and the Holocaust Don't expect to find clear cut answers but allow God the Father to share His tears one layer at a time in the questions **Early Quakers and their Theological Thought** Stephen W. Angell, Pink Dandelion, 2015-07-08 This comprehensive theological analysis of leading early Quakers work offers fresh insights into what they were really saying *The Two Covenants and the Second Blessing* Andrew Murray, 1899 *The Crucifixion Under A Microscope From The Eyes Of A Layman - What Really Happened At The Crucifixion?* Don Polson, 2024-08-26 This is a book about the crucifixion and its hidden message that the overall church is unaware of I never wanted it to be about a person or even the ark of the covenant I wanted the church and the theologians to see the possibility of a secret message or mystery that allowed the New Covenant and also allowed us entrance into the Kingdom of God Just to look or analyze and consider the evidence which I have presented in this book that's all When I pieced the evidence of this story together how God orchestrated every detail it deepened my relationship with Him It is my goal and the primary reason for writing this book is when a non christian reads it they will come to Christ I am especially thinking of the Jewish people who have rejected the God of Israel Isaac and Jacob This is the part I don't understand This hidden knowledge would be a deal maker for especially the Jewish people But because the experts don't even consider the evidence it has become a deal breaker When you see the evidence and analysis of Christ's blood I am hoping the reader will fall into the believers column that Christ's blood at Calvary was a ransom of the whole human race The Covenant of Redemption John V. Fesko, 2015-12-09 The covenant of redemption pactum salutis the eternal intra trinitarian covenant was a common staple within Early Modern Reformed theology yet there are very few historical works that examine this doctrine J V Fesko's study *The Covenant of Redemption Origins Development and Reception* seeks to address this lacuna In the contemporary period the covenant of redemption has been derided as speculative mythological a declension from trinitarianism or erroneously derived from one or two biblical proof texts Yet seldom have critics carefully engaged the primary sources to examine the different formulations supporting exegesis and ways in which the doctrine was employed Far from speculation sub trinitarian or a cold business transaction proponents of the covenant of redemption constructed this doctrine based upon a web of interconnected biblical texts and were very sensitive to maintaining a robust doctrine of the trinity as they employed this doctrine as a bulwark against the anti trinitarian claims of Socinian theologians Proponents of the doctrine also saw this pre temporal covenant as the

embodiment of intra trinitarian love that overflows unto those chosen in Christ for their salvation and ultimate fellowship with the triune God John V Fesko explores the historical origins of the doctrine and then surveys its development in the seventeenth through nineteenth centuries examining key advocates of the doctrine including David Dickson Herman Witsius Johannes Cocceius Francis Turretin Patrick Gillespie John Gill Jonathan Edwards Charles Hodge and A A Hodge He then examines the contemporary reception of the doctrine in the twentieth century with a survey of the doctrine's critics including Karl Barth Herman Hoeksema Klaas Schilder and John Murray After exploring the claims of the critics the study moves to examine the views of twentieth century proponents including Geerhardus Vos Herman Bavinck Abraham Kuyper Louis Berkhof and G C Berkouwer

**Jesus' Crucifixion Beatings and the Book of Proverbs** David H. Wenkel, 2016-12-22 This study takes a Christian perspective on the entire Bible rather than simply the New Testament David Wenkel asks Why did Jesus have to be beaten before his death on the cross Christian theology has largely focused on Jesus' death but has given relatively little attention to his sufferings Wenkel's answer contextualizes Jesus' crucifixion sufferings as informed by the language of Proverbs He explains that Jesus' sufferings demonstrate the wisdom of God's plan to provide a substitute for foolish sinners Jesus was beaten as a fool even though he was no fool in order to fulfill God's loving plan of salvation This analysis is then placed within the larger storyline of the whole Bible from the Garden of Eden to the story of Israel and beyond

*Jesus Christ and Him Crucified; or, the truth concerning Jesus as a Prophet, Priest, and King, shown to be subversive of popular views* John James ANDREW, 1870

**The Crucifixion of the Warrior God** Gregory A. Boyd, 2017-04-17 The Crucifixion of the Warrior God in an epic constructive investigation takes up the set of dramatic tensions between depictions of divinely sanctioned violence in Scripture and the message and life of peace of Jesus centering the New Testament Over two volumes author Gregory A Boyd argues that we must take seriously the full range of Scripture as inspired and the centrality of the crucified and risen Christ as the supreme revelation of God

A Treatise on the Covenant of Grace. [With a portrait.] John COLQUHOUN (D.D.),1818      Turning Toward the Victim Thomas Gates,2025-06-10 Part primer on Ren Girard s groundbreaking mimetic theory part Bible study through the lens of mimetic theory and part dialogue with early and contemporary Quakers Turning Toward the Victim demonstrates how these three perspectives can mutually inform one another in unexpected ways Contemporary liberal Friends Quakers have largely drifted away from the Bible due in part to its seeming sanction of divine violence Girard by contrast sees the themes of sacred violence and its overcoming as central to the biblical witness and so can provide the means by which Quakers and others might reengage with the Scriptures Girard s claim that the biblical God has nothing to do with violence will resonate with Friends traditional commitment to nonviolence and peacemaking Girard s insights into the scapegoat mechanism can also help us to understand the witness of early Friends who functioned as the scapegoat caste in seventeenth century England Using the traditional Quaker framework of conviction convincement and conversion Thomas Gates explores the relevance of these concepts for Friends and other Christians today      *The Ministry of the Word, Vol. 18, No. 01* Various Authors,2014-01-01 This issue of The Ministry of the Word contains a complete record of the twelve messages given during the 2013 winter training held December 23 through 28 2013 in Anaheim California on the continuation of the Crystallization study of Genesis The banners in the following section embody and summarize the crucial truths and main burdens in these twelve messages These messages are being published immediately following the training in order that they might benefit the saints participating in the many video trainings that are held throughout the earth The Reports and Announcements section at the end contains a report regarding the burden of the Lord s move to Europe and information concerning upcoming conferences and trainings sponsored by Living Stream Ministry      **Jesus, Revolutionary of the Poor** Mark Bredin,2017-11-06 Is Jesus relevant to the sufferings of the helpless the voiceless those dying of hunger those traumatized by violence people with learning difficulties In Matthew we see Jesus to be a man on the frontline battling against the forces that stop the non poor from living generously and the poorest of the poor living abundantly the way God intended This is Jesus as one who in his very being is an expression of God s wrath against human beings who live their lives as if creation is a battle zone where only the selfish and powerful flourish Matthew s Jesus is outraged at the lethargy and apathy that permits non poor people to live according to practices that lead so many to be excluded from the fruits of God s creation But the Jesus found in this gospel is also one who teaches that God has created a world that is good to see it is abundant as long as people live according to the dynamic order God has inwardly established in creation one rooted in generosity hospitality love self sacrifice righteousness justice Torah and mercy      **The Sequence** Steven R. Bates,2024-08-30 Sometimes the best way to let one know what something is is to let one know what it isn t Today s typical academic book in eschatology provides the reader with a brief history of the various positions in the field followed by why certain positions should be considered the better options This is not that book Over the course of twelve chapters six sequences will be presented from the three major

sources in the New Testament regarding the subject i e Paul s letters to the Thessalonians the Olivet Discourse and John s visions in Revelation Through a careful reconciliation of those six sequences Dr Steven R Bates will show that there s only one sequence of end times which he has labeled The Post Armageddon Premillennial Resurrection He asserts that had any other sequence of end times been correct whether pre tribulationism pre wrath mid tribulationism historic pre millennialism post millennialism a millennialism preterism or any other sequence that one could possibly imagine then the proponents of that postulation should be able to take the same six sequences from Scripture and reconcile them precisely with one another sentence by sentence and prove whatever sequence they propose But of course no one will ever attempt such an endeavor because it s theoretically impossible Scripture s six sequences only confirm one sequence and it is the one which has been presented in The Sequence
