Looking for Rights in All the Wrong Places Emily Zackin, 2013-04-21 Unlike many national constitutions which contain explicit positive rights to such things as education a living wage and a healthful environment the U S Bill of Rights appears to contain only a long list of prohibitions on government American constitutional rights we are often told protect people only from an overbearing government but give no explicit guarantees of governmental help *Looking for Rights in All the Wrong Places* argues that we have fundamentally misunderstood the American rights tradition The United States actually has a long history of enshrining positive rights in its constitutional law but these rights have been overlooked simply because they are not in the federal Constitution Emily Zackin shows how they instead have been included in America's state constitutions in large part because state governments not the federal government have long been primarily responsible for crafting American social policy Although state constitutions seemingly mired in trivial detail can look like pale imitations of their federal counterpart they have been sites of serious debate reflect national concerns and enshrine choices about fundamental values Zackin looks in depth at the history of education labor and environmental reform explaining why America's activists targeted state constitutions in their struggles for government protection from the hazards of life under capitalism Shedding much needed light on the variety of reasons that activists pursued the creation of new state level rights *Looking for Rights in All the Wrong Places* challenges us to rethink our most basic assumptions about the American constitutional tradition

History of Nebraska, Fourth Edition

Ronald C. Naugle, James C. Olson, John J. Montag, 2014-11-30 History of Nebraska was originally created to mark the territorial centennial of Nebraska and then revised to coincide with the statehood centennial This one volume history quickly became the standard text for the college student and reference for the general reader unmatched for generations as the only comprehensive history of the state This fourth edition revised and updated preserves the spirit and intelligence of the original Incorporating the results of years of scholarship and research this edition gives fuller attention to such topics as the Native American experience in Nebraska and the accomplishments and circumstances of the state s women and minorities It also provides a historical analysis of the state s dramatic changes in the past two decades Constitutional Convention Procedures United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution, 1980 **The Proposed Amendments to the Constitution of the United States During the First Century of Its History** Herman Vandenburg Ames, 1897 Debates of the Convention to Amend the Constitution of Pennsylvania Pennsylvania. Constitutional Convention, 1873
