## **Cowgirl Up:**

**A Cowgirl's Life In The Mountains** Lauralee Northcott, 2018-09-17 Cowgirl's Creed Courage doesn't develop when things are going well. Instead, it creeps up your backbone fed by the springs of fear. So begins *A Cowgirl's Life in the Mountains*, where colorful authentic characters including the author herself reveal their stories as they navigate rugged terrain and negotiate the temperaments of fellow travelers. In her debut book, Lauralee Northcott braids together stories, songs, poems, menus, and recipes from her 30-plus years as a horseback guide and cook in Washington's Pasayten and Lake Chelan Sawtooth wilderness areas. Lauralee captures human and animal behavior humorously and thoughtfully, recounting evenings where her cook tent and the campfire became the space for sharing hearty dinners, reflecting on the day, getting better acquainted, and enjoying cowboy music. Focused and engaging, her experiences as an entertainer and a mountain horseman shine through. Perfect for anyone who loves the mountains, horses, and the wilderness, *A Cowgirl's Life in the Mountains* will teach readers practical wilderness tips as well as the art of Dutch oven cooking and how to set up their own backyard campfire, a space to share a meal and a story and the magic of the outdoors. So saddle up and grab a big slice of hard-won horseman knowledge served up in some kickass prose and sweet poetry. **American Cowboy**, 2008-04 Published for devotees of the cowboy and the West, *American Cowboy* covers all aspects of the Western lifestyle, delivering the best in entertainment, personalities, travel, rodeo, action, human interest, art, poetry, fashion, food, horsemanship, history, and every other facet of Western culture. With stunning photography and you are there reportage, *American Cowboy* immerses readers in the cowboy life and the magic that is the great American West. **Cowgirls** Teresa Jordan, 1992-01-01 American lore has slighted the cowgirl, although at least one can still be found in nearly every ranching community. Like her male counterpart, she rides and ropes, understands land and stock, and confronts the elements. The writer and photographer Teresa Jordan traveled sixty thousand miles in the American West, talking with more than a hundred authentic cowgirls running ranches and performing in rodeos. The result is a fascinating book that also situates the cowgirl in history and literature. A new preface and updated bibliography have been added to this Bison Book edition. **Internet Lesbian and Gay Television Series, 1996-2014** Vincent Terrace, 2015-05-23 Created around the world and available only on the Web, internet television series are independently produced, mostly low-budget shows that often feature talented but unknown performers. Typically financed through crowd-funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The third of five volumes on Internet TV series, this book covers 335 alphabetically arranged gay and lesbian programs, 1996-2014, giving casts, credits, story lines, episode descriptions, websites, dates, and commentary. A complete index lists program titles and headings for gay, lesbian, bi-sexual, transgender, and drag queen shows.
