Coyotes And Canaries Characters Who Made The West Wild And Wonderful:

It Happened in the Old West Erin H. Turner,2017-06-01 These are the stories of what happened in the West as the trickle then flood of Easterners and immigrants first began to flow into the plains deserts and mountains between the Pacific Ocean and the Mississippi River and finally far north into The Last Frontier While some events would have happened regardless who was there earthquakes storms droughts and other natural disasters it was because of this influx of humanity that those events were recorded and have become part of America s history Amid tales of loss and horror are accounts of survival and success And among the countless adventurers who found the lure of wide open spaces and untapped resources to be as strong as the Sirens song to Odysseus many found the determination to thrive in the West And thrive they did even better for what they lacked in resources they made up in resourcefulness becoming inventors entrepreneurs scientists activists explorers and more

Old West Showdown Bill Markley,Kellen Cutsforth,2018-10-01 The real lives of the historic figures in Old West Showdown are shrouded in controversy and myth Was Jesse James a Southern Son fighting for the cause of the fallen Confederacy or a blood thirsty cutthroat justly pursued by the authorities Was Billy the Kid a misunderstood youth or a cold blooded killer Did Buffalo Bill Cody truly ride for the Pony Express as a young man Or was he just a blowhard who trumped up his own past in an attempt to seem more heroic in the eyes of audiences attending his Wild West shows In Old West Showdown dueling authors Bill Markley and Kellen Cutsforth draw on fact and folklore to present opposing viewpoints pertaining to controversies surrounding some of the most well known characters and events in the history of the Old West

Assault on the Deadwood Stage Robert K. DeArment,2012-09-10 In the 1870s Deadwood was a thriving and largely lawless boomtown And as any fan of western history and films knows stagecoach robberies were a regular feature of life in this fabled region of Dakota Territory Now for the first time Robert K DeArment tells the story of the good guys and bad guys behind these violent crimes the road agents who wreaked havoc on Deadwood s roadways and the shotgun messengers who battled to protect stagecoach passengers and their valuable cargo DeArment shows in dramatic detail how for two years gangs of robbers ruled the road perpetrating holdups and killings until lawmen and stage company and railroad agents finally brought an end to the mayhem The characters populating this violent tale include such legendary figures as Wild Bill Hickok and the famous railroad detective James L Whispering Smith a formidable opponent of bandits We also get to know the men who operated the stages the lawmen and company men who ran and defended the coaches and the outlaws who fought against them DeArment tells where these men came from and what became of them after the outlawry ended He ends his account in the 1880s with Buffalo Bill s Wild West show and its spectacular rendition of a shotgun robbery featuring an actual Deadwood stagecoach After nearly a century and a half the Deadwood stage continues to command our attention
