ENIGMA Talva,2020-04-20 More often than not when we find out that someone is an only child we quickly surmise that the person has been spoiled rotten by his or her parent s thereby having a reputation of being selfish and bratty G Stanley

Hall was one of the first experts to give an only child a bad reputation when he referred to their situation as a disease in itself. Being spoiled can be interpreted in varying ways. One might say that it simply means that they are well taken care of. Yet others may argue that its meaning is derived from a parent's over showering their child with monetary riches all the while failing to instill other core values that will enrich their child's personality and character. Being a parent is undoubtedly one of the toughest tasks on earth. Nevertheless, a parent's flagrant foul on the parenting field can be extremely damaging and detrimental to their child's emotional well-being. Good children can make bad parents just as bad parents can make good children. For Crystal things just got real.

Love First Cece Savage, 2024-03-23 With diabolical characters, real struggles and profound emotions, *Love First* chronicles the journey of young Sheila as she grows into adulthood. Inspired by true events, Sheila's coming of age story is about escaping the legacy of an abusive household. A strikingly dark narrative of the struggles of African American families in America and the unintended prejudices that come with it, Sheila, accompanied by her sister Lita and her cousin Sarah, must persevere through harassment, emotional manipulation, physical abuse, and teenage pregnancy. She grows from a strong-willed, well-intentioned, albeit slightly gullible young woman into a fierce adult who vows to fight for her children until the very end. After making it out, she finds herself on a drastically different path from Lita and Sarah, and she falls back into the same patterns that she so desperately wanted to avoid. She becomes the very thing that she wholeheartedly despises her mother.
