Garfield's Apprentices Leon Garfield, 1979 **Garfield's Apprentices** Leon Garfield, 1979-01-01 **The Apprentices** Leon Garfield, 2013-07-31 Life in eighteenth century London was hard and especially so for the city s apprentices For seven long years they struggled for their livelihoods among the fetid houses and sinister quays of old London But despite their hardships there was hope and even fun This compelling story cycle follows them round the year through the dark cold winter nights to midsummer in the city The lamplighter the pawnbroker the midwife or the clockmaker their stories interweave delightfully to paint a colourful picture of life in London 200 years ago *Lawnfield, James A. Garfield National Historic Site* Paul Newman, 1992 **Garfield's Apprentices: The lamplighter's funeral** , 1976 **The British Library General Catalogue of Printed Books 1976 to 1982** British Library, 1983 **The Oxford Companion to Children's Literature** Daniel Hahn, Michael Morpurgo, 2015 The last thirty years have witnessed one of the most fertile periods in the history of children s books A fascinating reference guide to the world of children s literature this volume covers every genre from fairy tales to chapbooks school stories to science fiction comics to children s hymns **Six Apprentices** Leon Garfield, 1984 One of a series of top quality fiction for schools this is a collection of six tales featuring historical detail of life in the 18th century [The Serial Killer's Apprentice](#) James Renner, 2008 Discusses twelve cold cases in Northeast Ohio involving murders and abductions **Short Story Index** , 1974 [Leon Garfield](#) Roni Natov, 1994 Through his historical novels adventure stories ghost stories satires fairy tales and retellings of myths and legends Leon Garfield consistently portrays the mystery of human identity which he describes as the only mystery one can unravel endlessly In this first book length study of the author of *Smith* 1967 *The Apprentices* 1976 *John Diamond* 1981 and *The December Rose* 1986 Roni Natov engagingly chronicles the career of a natural storyteller a man whose work is permeated with the theme of spiritual renewal Natov asserts that like Charles Dickens to whom he is most often compared and the romantics before him Garfield explores how the outcast child finds the potential to repair the fractured family by creating symbolic bonds with the larger community Virtually all Garfield s work Natov argues gives voice to the private concerns of those rendered poor and impotent by class and social order She shows how in his largely allegorical works Garfield dramatizes the problems of members of the underclass while asserting their individualism and vitality An insightful and biographically rich interview with Garfield prefaces Natov s lucid genre organized study From there she analyzes the theme of the search for the father in Garfield s early novels and proceeds to cover the ghost stories the fiction of satire and parody the historical fiction the myths fairy tales and legends and what she calls the new morality in Garfield s fiction In discussing Garfield s later novels she focuses again on the theme of the search for the father In assessing Garfield s place among contemporary children s writers Natov finds him unique in the way he uses his heroes for him they represent those on the brink still malleable though aware and able to articulate their perpetual state of becoming In them and in their historical past Garfield finds hope for the future Natov

contends she sees Garfield as interested in resurrecting a new social order out of what has been discarded from the traditional story of British history Natov s analysis is essential reading not only for students of children s literature but also for those interested in historical fiction generally for as Garfield has said although young readers are his primary audience he does not necessarily write with the child in mind Skill Wars Edward E. Collins,Judith Graham,2013-10-18 Historical fiction has a great deal to offer as its readers and devotees have always known The time is ripe however for the historical novel and historical picture book to be promoted more emphatically so that many more are made aware of the delight and learning to be found in the genre The editors of this book invited authors academic writers and teachers to reflect on the nature scope range and richness of historical fiction for children What is collected here provides an overview of the field a consideration of significant writers of historical fiction from the nineteenth century onwards a sense of the various historical eras commonly explored Stone Age to World War 2 a discussion of
