Approaching The Sacred:

Approaching the Sacred Ute Luig, 2018 聖なる空間の探求 Baruch A. Levine, Robert Chazan, William W. Hallo, Lawrence H. Schiffman, 1999-01-01 A huge festschrift comprising 41 essays exploring mainly textual perspectives on Ancient Near Eastern and Jewish history and religious practice *Strindberg and the Quest for Sacred Theatre* Theo Malekin, 2010-01-01

Strindberg and the Quest for Sacred Theatre brings a fresh perspective to the study of Sweden's great playwright August Strindberg 1849-1912 anticipated most of the major developments in European theatre over the last century As such he is well placed to provide perspectives on the current burgeoning interest in sacred theatre The religious crises of the 19th Century provoked in Strindberg both sharp scepticism about claims to religious authority and a visionary search for truth Against the backdrop of a major change in European culture this book traces the emergence in some of Strindberg's late plays of a proto sacred theatre It argues that Strindberg faced the alternatives of a contentless transcendent abyss threatening the extinction of his ego or a retreat into conservative theism reducing him to slavish submission to the commandments and rule of an external father God Weaving together theatrical aesthetic and theological voices this book investigates the relationship of the sacred to subjectivity and its implications for Strindberg's dramaturgy In doing so it always keeps in view the sense both of loss and opportunity engendered by a turning point in the western experience of the sacred

Approaching the Sacred Susan Muto, 1988 Naming the Sacred Anna Mambelli, Valentina Marchetto, 2019-05-20 At what point is a place perceived as holy And when does it become officially so in its definition Inspired by the UNESCO debate and decisions made concerning holy places the authors seek answers to these questions *Naming the Sacred* is a diachronic excursus into the issues of perception and denomination of holy places The volume examines historical cases in which names and places have been modified or literally eliminated and others where places were subject to policies of protection and tutelage The work appertains to an ongoing evolving global debate where the challenge of the reciprocal recognition of holy sites has become increasingly complex The National Quarterly Review , 1875

Common Ground Andrew Greeley, 2008-08-18 What happens when two prolific religious scholars sit down and together read sacred texts of their different religions A History of Greece , 1870 From the Sacred to the Divine Anna-Teresa Tymieniecka, 2012-12-06 The contemporary revival of interest in the Sacred as a category of philosophico religious reflection here finds a radical reversal of the traditional direction taking the Sacred as the starting point of the itinerary toward the Divine The wide variety of essays contained in this volume attempt to ground philosophy of the Sacred and the Divine in phenomenological evidence Though employing different methodologies the contributors register by and large the contribution of A T Tymieniecka's phenomenology of life in providing a significant 20th century vision for the accomplishment of this task Its pursuit finds here expression in philosophical historical literary and political explorations leading to construing phenomenology of the Sacred as a prerequisite to the investigation of the Divine The contributors to

this extraordinary collection are C B dard A Ales Bello Gerard Bucher D Chidester D Conchi M Kronegger S Laycock Ph Liverziani J N Mohanty E Moutsopoulos A M Olson Y Park G Penzo B Ross C Osowiec Ruoff Th Ryba J Smith A T Tymieniecka and E Wyschogrod **Ablution, Initiation, and Baptism: Methodological considerations**, 2011 The present volumes is the result of an international collaboration of researchers who are excellent within their respective fields interpretation of texts studies of rites archaeology architecture history of art and cultural anthropology They met for two conferences to discuss the significance of rites of ablution initiation and baptism and their interpretation in Late Antiquity Early Judaism and Early Christianity The volume establishes a new international standard of research within these fields of scholarship

Dance—The Sacred Art Cynthia Winton-Henry, 2011-05-06 Unlock the transformative power of movement as a life changing spiritual practice If youre thinking But Im not a dancer or I feel awkward I hope to reassure you You dont need a special talent to move You dont need to be graceful or especially coordinated You dont need a body thats in shape Dancing helps us embrace all this humanity Dance connects us to the holy of life from the Introduction Seize the joy and healing power of dance Drawing from her years of experience as a dance and movement teacher and as cofounder of the international dance organization InterPlay Cynthia Winton Henry helps you overcome your embarrassment or anxiety and discover in dance a place of solace and restoration as well as an energizing spiritual force She taps into the spirit of dancing throughout history and in many world cultures to provide detailed exercises that will help you learn to trust your body and interpret its physical and spiritual intentions For both newcomers and seasoned movers alike she encourages you to embrace dance as a spiritual tool to Celebrate your unique spirituality and get in touch with your emotions Unify your body and mind and push your personal boundaries Work through trauma or crisis and restore spiritual well being Deepen your relationships and strengthen your community Find spiritual direction and much more **Atonement and Purification** Isabel

Cranz, 2017-05-05 Biblical scholars frequently attempt to contextualize the Priestly ritual corpus by comparing it to other ancient Near Eastern ritual traditions This comparative approach tends to detect a hidden polemic at work in the Priestly Source P which was meant to highlight its distinctly monotheistic outlook Isabel Cranz reframes current understandings of P by comparing Priestly rituals of atonement to their Assyro Babylonian counterparts In this way she shows how the Priestly ritual corpus is highly specialized and concerns itself primarily with sanctuary maintenance Viewing P in this new light in turn helps to demonstrate that the authors of P were not interested in discrediting foreign rituals or pushing a monotheistic agenda Instead P primarily aimed to confirm the Aaronide priests as the only legitimate priestly group fit for service at the altar Subsequently if a polemical agenda is present in P it can be shown to be directed against rivals and critics of the Aaronide priesthood not other rituals of the ancient Near East **Partnerships for Protection** Sue Stolton, Nigel

Dudley, 2014-01-02 Taking into consideration the fact that many ecosystems are under represented in protected areas of land and water and traditional management methods have often been ineffective this volume describes how improvements can be

made Specifically it explores ways of ensuring that all major ecosystems are safeguarded and innovative approaches to conservation involving individuals communities companies and governments The essence of the approach taken in the text is to build partnerships with those who have a stake in the care of land and water resources

Jerusalem and Other Holy Places as Foci of Multireligious and Ideological Confrontation ,2020-12-07 Jerusalem and Other Holy Places as Foci of Multireligious and Ideological Confrontation brings together the papers that were read at an international conference at the Schechter Institute in Jerusalem in May 2018 The contributions to this volume develop a multi disciplinary perspective on holy places and their development rhetorical force and oft contested nature Through a particular focus on Jerusalem this volume demonstrates the variety in the study of holy places as well as the flexibility of geographic and historical aspects of holiness

Writing and Religion in England, 1558-1689 Anthony W. Johnson,2016-02-17 The fruit of intensive collaboration among leading international specialists on the literature religion and culture of early modern England this volume examines the relationship between writing and religion in England from 1558 the year of the Elizabethan Settlement up until the Act of Toleration of 1689 Throughout these studies religious writing is broadly taken as being communicational in the etymological sense that is as a medium which played a significant role in the creation or consolidation of communities Some texts shaped or reinforced one particular kind of religious identity whereas others fostered communities which cut across the religious borderlines which prevailed in other areas of social interaction For a number of the scholars writing here such communal differences correlate with different ways of drawing on the resources of cultural memory The denominational spectrum covered ranges from several varieties of Dissent through via media Anglicanism to Laudianism and Roman Catholicism and there are also glances towards heresy and the mid seventeenth century s new atheism With respect to the range of different genres examined the volume spans the gamut from poetry fictional prose drama court masque sermons devotional works theological treatises confessions of faith church constitutions tracts and letters to history writing and translation Arranged in roughly chronological order Writing and Religion in England 1558 1689 presents chapters which explore religious writing within the wider contexts of culture ideas attitudes and law as well as studies which concentrate more on the texts and readerships of particular writers Several contributors embrace an inter arts orientation relating writing to liturgical ceremony painting music and architecture while others opt for a stronger sociological slant explicitly emphasizing the role of women writers and of writers from different sub cultural backgrounds

Prophetic Culture Federico Campagna,2021-07 Explores what kind of culture would emerge if we embraced an alternative understanding of reality and put key ontological concepts at the heart of our existence

Conditions of Visibility Richard T. Neer,2019 We often assume that works of visual art are meant to be seen Yet that assumption may be a modern prejudice The ancient world from China to Greece Rome to Mexico provides many examples of statues paintings and other images that were not intended to be visible Instead of being displayed they were hidden buried or otherwise obscured In this third volume in the Visual

Conversations in Art it concerns ancient societies and modern disciplines and encompasses material circumstances perceptual capacities technologies of visualization protocols of classification and a great deal more The emerging field of archaeological art history is uniquely suited to address such questions Intrinsically comparative this approach cuts across traditional ethnic religious and chronological categories to confront the academic present with the historical past The goal is to produce a new art history that is at once cosmopolitan in method and global in scope and in doing so establish new ways of seeing new conditions of visibility for shared objects of study

The Making of a Postsecular Society Prof Dr Massimo Rosati, Professor Alessandro Ferrara, 2015-01-28 Based on a rigorous construction of theoretical categories and on a close scrutiny of the common challenges confronting Europe and its Turkish neighbour long considered other with regard to the accommodation of religious difference this book sheds light on the possibilities for Europe to find new ways of arranging the relationship between the secular and the religious As such it will appeal to scholars of social theory the sociology of religion secularisation and religious difference and social change

Ablution, Initiation, and Baptism David Hellholm, Tor Vegge, Øyvind Norderval, Christer Hellholm, 2011-07-27 In the web of cultural processes of late antiquity ablution rites and initiation rites were performed in different forms and in different contexts Such rites existed in Early Judaism and Greco Roman cults and were also applied in early Christianity under the label baptism however not as one fixed rite uniformly performed and interpreted Baptismal rites developed diversely corresponding to the diversity among Christian groups of which some later came to be perceived as heretical Remains of art architecture and texts from these contexts were discussed in two conferences gathering scholars who are excellent within their respective fields text studies studies of rites archaeology architecture history of art and cultural anthropology These different fields of research have in recent years generated new knowledge that is relevant for the discussion of ablution and initiation rites and their function in late antiquity At the same time interests of research have altered in favour of a growing cooperation across discipline borders The present volumes are the outcome of two conferences in Rome 2008 and at Metochi Lesbos 2009

The Oxford Handbook of the Abrahamic Religions Adam J. Silverstein, Guy G. Stroumsa, Moshe Blidstein, 2015 The Oxford Handbook of the Abrahamic Religions includes authoritative yet accessible studies on a wide variety of topics dealing comparatively with Judaism Christianity and Islam as well as with the interactions between the adherents of these religions throughout history The comparative study of the Abrahamic Religions has been undertaken for many centuries More often than not these studies reflected a polemical rather than an ecumenical approach to the topic Since the nineteenth century the comparative study of the Abrahamic Religions has not been pursued either intensively or systematically and it is only recently that the comparative study of Judaism Christianity and Islam has received more serious attention This volume contributes to the emergence and development of the comparative study of the Abrahamic religions a discipline which is now in its formative stages This Handbook includes both critical and supportive perspectives on the very concept of the Abrahamic religions and discussions

on the role of the figure of Abraham in these religions It features 32 essays by the foremost scholars in the field on the historical interactions between Abrahamic communities on Holy Scriptures and their interpretation on conceptions of religious history on various topics and strands of religious thought such as monotheism and mysticism on rituals of prayer purity and sainthood on love in the three religions and on fundamentalism The volume concludes with three epilogues written by three influential figures in the Christian Jewish and Muslim communities to provide a broader perspective on the comparative study of the Abrahamic religions This ground breaking work introduces readers to the challenges and rewards of studying these three religions together
