Appropriation Of Divine Life In Cyril Of Alexandria:

The Appropriation of Divine Life in Cyril of Alexandria Daniel A. Keating, 2000 *Cyril of Alexandria's Trinitarian Theology of Scripture* Matthew R. Crawford, 2014 This book concerns the theology of Scripture of Cyril of Alexandria c 376 444 whose surviving corpus is the second largest among eastern patristic authors Matthew R Crawford examines texts which have received little previous attention as well as situating Cyril in his broader intellectual context **Divine Participation: A Reconstruction of St Cyril of Alexandria's and Fr Matta al-Miskīn's Commentaries on the Gospel of St John** Wagdy Samir, 2025-03-24 This monograph offers a comparative study of Cyril of Alexandria c 378 444 and Matta al Misk n 1919 2006 on humankind's union with God or deification as articulated in their commentaries on the Gospel of John By bridging over fifteen centuries it highlights the continuity of contemporary Coptic Orthodox thought with its Alexandrian roots Both theologians emphasise the real existential and transformative nature of divine participation While this participation is substantial not superficial both Cyril and Matta underscore the profound asymmetry between the divine being God and the human participant affirming the mystery of this union within the framework of Orthodox theology *The Theology of St. Cyril of Alexandria* Thomas Weinandy, 2003-06-01 There is no book in English that treats the whole of Cyril's theological thought In the past scholars have normally focused on Cyril's Christology and left largely unexamined the remainder of his theological thought Thus the English speaking scholarly community has never fully appreciated the breadth the depth and the immense significance of Cyril's theology This book is therefore unique The editors have brought together many of the foremost experts on Cyril This international team examines all the major facets of his theology and here for the first time reveals the theology of Cyril of Alexandria as a magisterial whole *The Dyophysite Christology of Cyril of Alexandria* Hans Van Loon, 2009 The formula one incarnate nature of the Word of God has often been depicted as a summary of Cyril of Alexandria's ca 378 444 christology But no systematic study into his christological works has been published Besides there is no consensus regarding the meaning of the key terms and expressions in these works This book addresses this deficiency by an integral investigation of the archbishop's christological writings during the first two years of the Nestorian controversy and comes to the conclusion that his christology is basically dyophysite This reappraisal of his christology bears on the understanding of the Council of Chalcedon and on contemporary ecumenical relations especially those between the Eastern Orthodox and the Oriental Orthodox *The Oxford Handbook of Deification* Paul L. Gavrilyuk, 2024 This handbook offers a comprehensive and varied study of deification within Christian theology Forty six leading experts in the field examine points of convergence and difference on the constitutive elements of deification across different writers thinkers and traditions **Triadosis** Eduard Borysov, 2021-01-01 The complex nature of Christian communion with a personal God requires a nuanced expression Since its inception the early church affirmed God's unknowable nature and also participation in God through Christ The church fathers employed the language of theosis in

talking about union with God and human transformation in the likeness of God However the term theosis or deification is a broad category and requires precise explanation to avoid human dissolution into the divine in the mystical union it attempts to describe In Triadosis Eduard Borysov offers a new approach to the conundrum of the imparticipable divine nature and the prospect of personal union between human and the Trinity Most significantly he proposes that if God is Trinity then we are created and restored in the image of the same tri personal God Global Justice, Christology and Christian Ethics Lisa Sowle Cahill,2013-01-17 A Christian response to global realities of human inequality poverty violence and ecological destruction in the twenty first century The Wiley Blackwell Companion to Patristics Ken Parry,2015-09-08 This comprehensive volume brings together a team of distinguished scholars to create a wide ranging introduction to patristic authors and their contributions to not only theology and spirituality but to philosophy ecclesiology linguistics hagiography liturgics homiletics iconology and other fields Challenges accepted definitions of patristics and the patristic period in particular questioning the Western framework in which the field has traditionally been constructed Includes the work of authors who wrote in languages other than Latin and Greek including those within the Coptic Armenian Syriac and Arabic Christian traditions Examines the reception history of prominent as well as lesser known figures debating the role of each and exploring why many have undergone periods of revived interest Offers synthetic accounts of a number of topics central to patristic studies including scripture scholasticism and the Reformation Demonstrates the continuing role of these writings in enriching and inspiring our understanding of Christianity God's Presence Frances Young,2013-10-10 Explores how teachings of the church fathers can be applied today despite the differences in our intellectual and ecclesial environments

A Theology of Grace in Six Controversies Edward T. Oakes ,2016 Few topics in theology are as complex and multifaceted as grace over the course of centuries many seemingly arbitrary distinctions and arcane debates have arisen around it Edward Oakes however argues that all of these distinctions and debates are ultimately motivated by one central question What are God's intentions for the world In *A Theology of Grace in Six Controversies* Oakes examines issues relating to grace and points them back to that central question illuminating and explaining what is really at stake in these debates Maintaining that controversies clarify issues especially those as convoluted as that of grace Oakes works through six central debates on the topic including sin and justification evolution and original sin and free will and predestination SCM Studyguide Early Christian Doctrine and the Creeds Piotr Ashwin-Siejkowski,2013-02-11 The SCM Studyguides are becoming increasingly well known recognized and adopted as accessible textbooks for level 1 students who have no prior knowledge of the subject The SCM Studyguide *Early Christian Doctrine and the Creeds* offers an accessible stimulating and interactive guide book to the emergence of Christian identity with particular attention to the earliest form of the Christian thought and doctrine The author analyses the crucial statements of the early Creeds and rules of faith He explains the creedal statements on the nature of God creation incarnation redemption the Church and eschatology and outlines the theological context which influenced

their formulation and later modifications by other texts and authors The Creeds are part of the heritage of all Christian tradition and therefore have to be studied by both theological students and in the context of education for discipleship modules *Sacrifice As Gift* Michon M. Matthiesen,2013 Sacrifice as Gift is a timely presentation of a forgotten vision of eucharistic sacrifice one that reconfigures the current philosophical and theological divide between sacrifice and gift

Wade in the Water Eric E. Peterson,2018-05-02 Whether or not we are aware of it everyone is being baptized While the church baptizes people in the name of the Father Son and Holy Spirit the culture in which we live is baptizing us into the trinitarian values of consumption production and acquisition The respective baptism we choose to immerse ourselves in is consequential for the type of people we are becoming Wade In the Water alerts us to the presence of these formative forces so that we can choose the sacred ways that form us in the Jesus Way **The Singing-Masters** Aidan Nichols,2023-02-25 I find these Fathers to be in words of William Butler Yeats singing masters of my soul Anyone who prays through the year the Office of Readings in the Roman Liturgy of the Hours will understand why Fr Aidan Nichols From the Introduction The Singing Masters written by the author of *Rome and the Eastern Churches* is a passionate personalized account of the theological achievement of eighteen of the Church Fathers Ten come from the Greek East Irenaeus Origen Athanasius Gregory of Nyssa Gregory of Nazianzus Basil the Great Cyril of Alexandria Denys the Areopagite Maximus the Confessor and John Damascene Eight come from the Latin West Tertullian Cyprian Ambrose Jerome Augustine Leo the Great Gregory the Great and Bede the Venerable The Fathers chosen here are those who have been especially authoritative for Catholic doctrine or particularly influential in Church life While giving a dramatic humanized account of patristic thought colored by biographical detail Aidan Nichols O P draws the reader into a serious discussion of the Fathers complex theological doctrines The Singing Masters offers a holistic and loving introduction to the figures who most shaped Christian thought both in the East and in the West *Deification in the Latin Patristic Tradition* Jared Ortiz,2019-01-09 It has become a commonplace to say that the Latin Fathers did not really hold a doctrine of deification Indeed it is often asserted that Western theologians have neglected this teaching that their occasional references to it are borrowed from the Greeks and that the Latins have generally reduced the rich biblical and Greek Patristic understanding of salvation to a narrow view of redemption The essays in this volume challenge this common interpretation by exploring often for the first time the role this doctrine plays in a range of Latin Patristic authors **Engaging the Doctrine of Jesus (and Mary)** Matthew Levering,2025-03-10 The six chapters of this book focus upon Jesus conception and birth from a virgin his authoritative teaching his miracles his cross his resurrection and his ascension The purpose of the book is to articulate and defend the truth of these salvific mysteries as presented to us in Scripture In addition to conversing extensively with historical critical biblical scholarship the chapters make recourse to the theological tradition from the church fathers onward with Thomas Aquinas as a touchstone Levering seeks to make a case for believing in Jesus At the same time he shows how each of these mysteries is intimately linked with a

truth about Mary the Mother of Jesus thus arguing for the integral relationship of Christology and Mariology Mary enacts the reception of the Lord by God's faithful people the New Adam never chooses to be without the New Eve in God's new covenant family The Christology offered in this book is therefore both attuned to historical studies of Jesus and Second Temple Judaism and at the same time deeply traditional in a contemporary Catholic and ecumenical way **Papers**

Presented at the Fifteenth International Conference on Patristic Studies Held in Oxford 2007 Jane Baun, 2010

The Doctrine of Deification in the Greek Patristic Tradition Norman Russell, 2005-01-21 Deification in the Greek patristic tradition was the fulfilment of the destiny for which humanity was created not merely salvation from sin but entry into the fullness of the divine life of the Trinity This book the first on the subject for over sixty years traces the history of deification from its birth as a second century metaphor with biblical roots to its maturity as a doctrine central to the spiritual life of the Byzantine Church Drawing attention to the richness and diversity of the patristic approaches from Irenaeus to Maximus the Confessor Norman Russell offers a full discussion of the background and context of the doctrine at the same time highlighting its distinctively Christian character **Christ the Key** Kathryn Tanner, 2010 An innovative Christ centered theology exploring the centrality of Christ for Christian thought and shedding fresh light on major theological issues
