Arab Family Studies Suad Joseph, 2018-07-10

Family remains the most powerful social idiom and one of the most powerful social structures throughout the Arab world To engender love of nation among its citizens national movements portray the nation as a family To motivate loyalty political leaders frame themselves as fathers mothers brothers or sisters to their clients parties or the citizenry To stimulate production economic actors evoke the sense of duty and mutual commitment of family obligation To sanctify their edicts clerics wrap religion in the moralities of family and family in the moralities of religion Social and political movements from the most secular to the most religious pull on the tender strings of family love to recruit and bind their members to each other To call someone family is to offer them almost the highest possible intimacy loyalty rights reciprocities and dignity In recognizing the significance of the concept of family this state of the art literature review captures the major theories methods and case studies carried out on Arab families over the past century The book offers a country by country critical assessment of the available scholarship on Arab families Sixteen chapters focus on specific countries or groups of countries seven chapters offer examinations of the literature on key topical issues Joseph s volume provides an indispensable resource to researchers and students and advances Arab family studies as a critical independent field of scholarship **Family in the Middle East** Kathryn M. Yount, Hoda Rashad, 2008-07-16 This book examines in comparative perspective the different ideals about family and society and how they have impacted on real family life across a number of countries in the Middle East

The Psychology of the Arab Dr. Talib Kafaji, 2011-08-31 The Psychology of The Arab deals with The domination of the ruthless Arab rulers who have inflicted enormous pain and suffering on the populace and who are intoxicated with the pathology of narcissism The entire energy of the Arab population has to go toward massaging the Ego of these megalomaniacal leaders They have split personality both parts evil Religion is a big piece of the fabric of Arab society Arab are inclined to focus solely on the ritualistic part of religion and ignore the foundation of religion which is the faith in the Almighty God Sadly Arab have never deeply absorbed the true teaching of God In the time of Jaheliah time before Islam Arab used to feel ashamed of having a baby girl Thus they used to bury the girl alive The strict adherence to the practice of virginity has kept the Arab woman in such miserable place Psychologically virginity represents to a man that he is the first conqueror of a woman as if he is in battle and the blood from deflowering woman represent his victory Arab are inclined to overemphasize the significant of the words and pay less regard to action That can be also a result of the psychological replacement of action by words Throughout history Arab have been traders Thus their way of thinking is inclined to be in terms of benefits and losses and that has been reflected in the way how they deal with each other **Intimate Selving in Arab Families** Suad Joseph, 1999-12-01 The study of relationships a topic which has received considerable attention in Europe the United States and parts of Asia until now has not been addressed in the Arab world Here for the first time are articles written by native feminist scholars that focus on intimate Arab familial relationships and provide a scholarly discussion of gendering of the self the process of intimate selving in the Arab community The book is divided into three parts

biographical and autobiographical ethnographic and literary accounts in which the authors identify key family relationships mother son brother sister mother daughter granddaughter co wives and father daughter and explore them in terms of shaping and defining gender in relation to others
