area and the final section deals with problems of oil and state and of economic development      **Arabian Deserts** H. Stewart Edgell,2006-07-21 This is the first comprehensive survey of all the deserts of Arabia based largely on the author s 50 years of experience there The text deals with every kind of desert in the region from vast sand seas to clay pans and stony plains to volcanic flows Along with dune types unique to the region the author outlines climatic changes current ecology and human influence on desertification      **Western Arabia and The Red Sea** Naval Intelligence Division,2013-10-28 First published in 2006 Produced during the Second World War for the use of commanding officers this work is a complete guide to the lands of Western Arabia Sections on geology geography the coasts climate vegetation history administration people public health agriculture economy ports and towns offer readers a unique military perspective on this important region Supplemented with hundreds of maps photographs and figures this book will be of great use to anyone with an interest in Arabia      **Golden River to Golden Road** Raphael Patai,2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press s distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas      **Indigo in the Arab World** Jenny Balfour-Paul,2012-10-02 The role indigo has played elsewhere has been fairly well documented but in the case of the Arab world little or no thorough investigation has been previously undertaken Sets out to provide comprehensive coverage of the subject from its earliest history to the present day      **The Bible Came from Arabia** 01-01-2012,ﻛﺎﻣﺎﻝ ﺳﺎﻟﯩﺒﻰ Kamal Salibi reveals startling linguistic evidence which controversially suggests that Judaism originated not in Palestine but in west Arabia Whilst looking at the gazetteer of Saudi place names he noticed a remarkable concentration of Biblical place names in an area of 600km long by 200km wide the region of Asir Ancient Hebrew like Arabic was written without vowels Salibi believes that scholars of the sixth century might have added the vowels wrongly when standardizing texts and so he went back to the original unvowelled Old Testament to prove his theory and it did The geography of Palestine has never corresponded in any way to the apparently specific stories on the Bible Salibi s research authenticates the events as history for the first time but within an Arabian setting This book has caused a predictable storm amongst academics and politicians The issue is of such importance that everyone should read the evidence first hand      Oral poetry and narratives from Central Arabia. 3. Bedouin poets of the Dawāsir tribe P. M. Kurpershoek,1999-01-01 This volume presents and analyses the work of four contemporary Saudi Bedouin poets based on taped records with special emphasis on this poetry s reflection of the tribal society s evolving self image at a time of rapid social economic and political transformation      Southern Arabia J. Theodore Bent,Theodore Mrs. Bent,2022-09-16 J Theodore Bent s Southern Arabia is a seminal work chronicling the author s ambitious explorations in the Arabian Peninsula during the late 19th century Meticulously researched and vividly recounted Bent s work not only offers a rare glimpse into the geopolitics culture and natural environment of Southern Arabia at the

time but also stands as a testament to the enduring value of ethnographic and archaeological pursuits His literary style marries the empirical rigor of Victorian scholarship with accessible narrative prose weaving an engaging story that is both educational and entertaining This book also serves as a crucial snapshot within the broader literary context of travelogues that informed Western understanding of foreign lands during an age of empire and exploration An esteemed explorer and archaeologist by profession J Theodore Bent was driven by intellectual curiosity and a deep seated fascination for the societies he studied Southern Arabia was a culmination of years of travel and meticulous study likely inspired by Bent s relentless quest for historical understanding and is reflective of a larger European fascination with Oriental civilizations His insights are enriched by the partnership and significant contributions of his wife Mrs Bent who was instrumental in documenting the journeys they undertook together For readers enthralled by the intersection of adventure and scholarship Southern Arabia by J Theodore Bent is an exquisite addition to the library of any travel literature enthusiast or student of Middle Eastern history It transcends the mere recording of geographical data to transport the reader to an Arabia of the past with all its mysteries and allure The book s republishing by DigiCat Publishing underscores its value not only as a historical document but also as a piece of world literature that continues to educate and inspire Indeed Southern Arabia is a work deserving of recognition and scholarly attention beckoning modern readers to step into the world of a bygone era *Society and Trade in South Arabia* R.B.
