

Arabjewish Relations In Israel

Josef Meri

Arab-Jewish Relations In Israel:

Planning a Mixed Region in Israel Oren Yiftachel, 1992 The book shows that policies intensified competition over land control slightly widening socio economic gaps and maintaining pre existing power disparities between Arabs and Jews Subsequently most indicators of political instability also intensified The continuation of Israel's policies in the region is therefore likely to undermine the country's long term political stability

Arab-Jewish Activism in Israel-Palestine Marcelo Svirsky, 2016-04-15 Applying the insights of Deleuze and Guattari's works to Israel Palestine Arab Jewish Activism in Israel Palestine sets out to re conceptualise the relationship between resistance and power in ethnically segregated spaces in general and the Israeli Palestine context in particular Combining many years of ethnographic study and political and social activism with a solid theoretical conceptual framework Marcelo Svirsky convincingly argues that successful efforts to decolonise the region depend on taking the struggle beyond self determination and making it collaborative Decolonisation depends on political and cultural changes that elaborate on the historical partition of social life in the region that have been an issue since the early twentieth century This elaboration means producing a civil struggle aimed at the destabilisation of the Zionist supremacy and resulting in a democratic political community from the Mediterranean Sea to the Jordan River Simply not just another book on Israel and Palestine Arab Jewish Activism in Israel Palestine provides refreshingly new empirical evidence and theoretical analysis on the connection between resistance intercultural alliances civil society and the potential for actualising shared sociabilities in a conflict ridden society An indispensable read to all scholars wishing to gain original insights into the transversal connections which transcend ethnicity

Arab-Jewish Relations in Israel Sammy Smooha, 2010 Israel is and remains a deeply divided society of some 5.6 million Jews and some 1.2 million Palestinian Arab citizens This division is reflected in institutions culture national identity socioeconomic status and stances on fundamental issues Arab Jewish relations within Israel have worsened steadily since the Rabin assassination in 1995 Two conflicting theses explain the trends of changed relations between the Arab minority and Jewish majority Mutual alienation asserts Arabs and Jews are not only deeply divided but also on a violent collision course Mutual rapprochement suggests that Arabs and Jews are in the process of adjusting to one other Analysis of survey data taken from 1976 through 2009 indicates that both Arabs and Jews are committed to coexistence and democracy Arab attitudes toward the Jews and the Jewish state have become more critical and militant since 1996 Israel could accommodate the Arab minority without losing its character as a Jewish and democratic state The Arabs could fulfill most of their demands without transforming Israel into a full binational state A better balance compatible with the visions of both sides could be struck between the Jewish and democratic character of the state by policies of nondiscrimination inclusion and integration of the Arab minority Reform could be undertaken step by step along with settling the Palestinian question and building trust between Arabs and Jews within Israel No progress was made in this direction between 1996 and 2010 and the decline threatens the relative tranquility in Arab Jewish relations If

the Jewish state does not enhance equality and integration of the Arabs and does not move forward on peace with the Palestinians Arab attitudes will continue to harden and both sides will suffer Continued relative quiet in Arab Jewish relations is an important condition for settling the Palestinian question The answer to improving relations while keeping Israel Jewish and democratic and establishing a separate Palestinian state is to strengthen Israel's democracy and to find a better and fairer balance between its Jewish character and its democratic character

The Journey of An Arab-Jew in European Israel Dr. David Rabeeya, People and Politics in the Middle East: The Arab-Israeli Conflict-Its Background and the Prognosis for Peace Michael Curtis, 1971-01-01 Eighteen eminent contemporary scholars on the Middle East clarify the historical background of the Arab Israeli conflict present careful analyses of the economic social and demographic aspects of the area and lay the foundation for a better understanding of the relevant political problems on which a peaceful settlement rests No 1 in the series Contents Introduction Michael Curtis PART ONE ARABS AND JEWS IN THE MIDDLE EAST Israel and Palestine The Political Use of Ethics Ben Halpern Intergroup Relations in Israel Hugh M Smythe and Sandra Weintraub Ethnic Relations in Israel Yochanan Peres The Palestine Arabs A National Entity Don Perer Who Are the Palestinians Marie Syrkin DISCUSSION PART TWO ECONOMIC HISTORICAL AND GEOGRAPHICAL PERSPECTIVES Economic Aspects of the Arab Israeli Conflict Eliyahu Kanovsky The Ba'ath in Syria Sylvia G Haim Arab Refugees and the Arab Israeli Dilemma Fred Khouri The Second Arab Awakening Jon Kimche Demography and Geography in Palestine Samuel Merlin DISCUSSION PART THREE POLITICAL DYNAMICS AND THE ARAB ISRAELI CONFLICT Political Systems of the Middle East Opening Remarks Irving Louis Horowitz The Fiasco of Anglo American Middle East Policy Amos Perlmutter The Middle East and the Great Powers F H Hinsley Ending the Arab Israeli Conflict Yehoshafat Harkabi Clashing Horizons Arabs and Revolution Abdul Aziz Said The New Left and Israel Shlomo Avineri Closing Horizons Israelis and Nationalism Gil Carl Alroy DISCUSSION

Arab Education in Israel Sami Khalil Mar'i, 1978-06-01 *The Routledge Handbook of Muslim-Jewish Relations* Josef Meri, 2016-06-23 The Routledge Handbook of Muslim Jewish Relations invites readers to deepen their understanding of the historical social cultural and political themes that impact modern day perceptions of interfaith dialogue The volume is designed to illuminate positive encounters between Muslims and Jews as well as points of conflict within a historical framework Among other goals the volume seeks to correct common misperceptions about the history of Muslim Jewish relations by complicating familiar political narratives to include dynamics such as the cross influence of literary and intellectual traditions Reflecting unique and original collaborations between internationally renowned contributors the book is intended to spark further collaborative and constructive conversation and scholarship in the academy and beyond

Israel's Palestinians Ilan Peleg, Dov Waxman, 2011-06-06 Arguing that a comprehensive and lasting solution to the Israeli Palestinian conflict depends on a resolution of the Jewish Palestinian conflict within Israel as much as it does on resolving the conflict between Israel and Palestinians in the Occupied Territories this timely book explores the causes and

consequences of the growing conflict between Israel's Jewish majority and its Palestinian Arab minority. It warns that if Jewish Arab relations in Israel continue to deteriorate, this will pose a serious threat to the stability of Israel, to the quality of Israeli democracy, and to the potential for peace in the Middle East. The book examines the views and attitudes of both the Palestinian minority and the Jewish majority, as well as the Israeli state's historic approach to its Arab citizens. Drawing upon the experience of other states with national minorities, the authors put forward specific proposals for safeguarding and enhancing the rights of the Palestinian minority while maintaining the country's Jewish identity. Arabs And Jews In Israel Sammy Smooha, 2019-04-02. On December 9, 1987, the Palestinians on the West Bank and Gaza Strip launched the most serious challenge in this century to non-Arab rule in the area West of the Jordan river. A genuine grassroots movement against protracted occupation and for self-determination, the Intifadeh has already inflicted many losses and scored many gains. By the first anniversary of the uprising, the toll for the revolting Palestinians was at least 280 dead, 4,000 wounded, 5,500 detainees, and some deportations and house demolitions. The substantial suffering and privations also entailed numerous beatings, curfews, arrests, searches, cuts in basic services, closings of schools, and losses of income. The Israelis have had 10 killed, 1,150 wounded, a minimum of a 1.5% drop in the Gross National Product, the stress of a people's army fighting civilians of an occupied nation, increased international isolation and censure, and the straining of relations with the Diaspora.

Library of Congress Subject Headings Library of Congress, 2013. *Library of Congress Subject Headings* Library of Congress. Cataloging Policy and Support Office, 2007. Social Justice and Israel/Palestine Aaron J. Hahn Tapper, Mira Sucharov, 2019-06-24. This book critically assesses a series of complex and topical debates, helping readers to make sense of the politics surrounding the Israeli-Palestinian relationship. Each chapter considers one topic represented by two or three essays offered in conversation with one another. Together, these essays advance different perspectives; in some cases, they are complementary, and in others, they are oppositional. Topics include scholarly and activist interpretations of narratives in the context of Israel-Palestine, the concept of self-determination for Jewish Israelis and Palestinians, the debate over settler colonialism as an appropriate framework for interpreting the history of Israel-Palestine, and questions surrounding Jewish and Palestinian refugees and the impact of displacement among others. Through these foundational and contemporary topics, readers will be challenged to critically examine the strengths and weaknesses of each position in light of scholarly debates rooted in social justice and helped to gain a deeper understanding of the relationship between Israelis and Palestinians in order to see a path forward toward justice for all. Modern Middle Eastern Jewish Thought Moshe Behar, Zvi Ben-Dor Benite, 2013. The first anthology of modern Middle Eastern Jewish thought. *Islamists in a Zionist Coalition* Uriya Shavit, 2025-03-11. *Islamists in a Zionist Coalition: The Political and Religious Origins* explores the decision made in 2021 by the United Arab List, the political arm of the Southern Branch of the Islamic Movement in Israel (SIM), to join the Israeli Zionist coalition for the first time and specifically how and why it was possible for an Islamist movement to become the enabler of a

Zionist government without losing the support of its religious scholars or political base Through analyses of hundreds of books columns fatwas media interviews and posts on social media as well as interviews conducted by the author with all the living leaders of the SIM and the United Arab List Uriya Shavit demonstrates that the Islamic premises on which the SIM operates rather than limit the party's flexibility made it possible for the United Arab List to advance a pragmatic political agenda This book argues that while the decision of the United Arab List to join a Zionist coalition led to dramatic consequences it was grounded in decades of religious writings that prepared the ground for its legitimization and aligned with a political orientation with which significant segments of the Arab population identified since the founding of the modern state of Israel

Arab-Jewish Coexistence Programs Rachel Hertz-Lazarowitz, Tamar Zelniker, Stephan White, Walter Stephan, Irene Hanson Frieze, 2004-12-27 Israeli Jewish and Arab intergroup relations experts within Israel have developed innovative coexistence programs These programs consist of educational efforts designed to improve relations between Israeli Jews and Israeli Arabs This issue presents theory methods and data from these coexistence programs Studies the diverse Israeli coexistence programs which attempt to improve relations between Israeli Jews and Arabs Addresses conceptual and theoretical issues involved in establishing conditions for positive coexistence in Israel Examines specific coexistence programs presenting the background goals techniques and assessments of each program Critically evaluates coexistence programs

Israel Sammy Smooha, 1978-01-01

People-to-People Diplomacy in Israel and Palestine Sapir Handelman, 2016-04-08 The Minds of Peace Experiment is a small scale Israeli Palestinian public negotiating congress The exercise invites Israeli and Palestinian delegations to publicly negotiate solutions to their struggle over a limited period of sessions The initiative is designed to demonstrate the peacemaking power of a major public negotiating congress to evaluate its potential outcomes and to get support for its establishment Scholars from different disciplines describe and analyze the enterprise They provide valuable lessons for improving and elaborating the initiative which has been conducted in major universities around the U S Canada and in Israel Palestine The intention is to add a fresh perspective to the efforts to build a revolutionary peacemaking process in the Israeli Palestinian case The Minds of Peace Experiment is a fascinating laboratory for people to people diplomacy and negotiation The exercise succeeded to demonstrate how people from all walks of life and the entire political spectrum can reach peace agreements while their leaders face major problems in their relationship The book intends to provoke critical and fruitful discussion among those who are interested in negotiation diplomacy and the Israeli Palestinian conflict This book was published as a special issue of *Israel Affairs*

Politics in Israel Brent E. Sasley, Harold M. Waller, 2017 The Only Contemporary and Comprehensive Text that Offers Students a Framework for Understanding Israel's Past and Present Politics

The Oxford Handbook of Israeli Politics and Society Reuven Y. Hazan, Alan Dowty, Menachem Hofnung, Gideon Rahat, 2021 Few countries receive as much attention as Israel and are at the same time as misunderstood The Oxford Handbook of Israeli Politics and Society brings together leading Israeli and

international figures to offer the most wide ranging treatment available of an intriguing country It serves as a comprehensive reference for the growing field of Israel studies and is also a significant resource for students and scholars of comparative politics recognizing that in many ways Israel is not unique but rather a test case of democracy in deeply divided societies and states engaged in intense conflict The handbook presents an overview of the historical development of Israeli democracy through chapters examining the country s history contemporary society political institutions international relations and most pressing political issues It outlines the most relevant developments over time while not shying away from the strife both in and around Israel It presents opposed narratives in full force enabling readers to make their own judgments

Books on Israel, Volume I Ian Lustick, 1988-01-01 Books on Israel provides professional students of Israel and the general public with an informative and up to date survey of books and ideas about Israeli society ethnic relations religious life cultural trends history politics and literature Included in this volume are Nissim Rejwan s fascinating discussion of books on Israel published in the Arab world Avner Yaniv s analysis of changing Israeli ideas about security and military strategy Don Peretz s discussion of scholarship on Arab Jewish relations Ben Halpern s profile of Yitzhak Tabenkin and Berl Katznelson and Ian Lustick s provocative critique of Eisenstadt s *The Transformation of Israel* This volume and the series which it inaugurates provide a forum for the interchange of ideas and the discussion of new directions in the study of Israel Important works on Israel published in other languages will now be available to English speaking audiences At a time of rapid transformation in many spheres of Israeli life this collection will inform and invigorate debates over Israel s past present and future
