Arafat From Defender To Dictator:

Arafat Said K. Aburish,1999-09-27 A biography of the Palestinian leader *Arafat* Said K. Aburish,2003-09-01 In this meticulously researched and iconoclastic work Said Aburish the internationally respected Palestinian political analyst and writer turns the popular western perception of Yasser Arafat upside down Far from being the benign heroic freedom fighter who has kept the hopes of his displaced people alive Arafat is revealed as a narrow minded operator out of touch with reality whose personal ambitions and lack of understanding of democratic principles have made him a deterrent to real peace in the Middle East Aburish exposes the unsound foundations of Arafat s leadership and shows that his PLO has never been a revolutionary movement rather Arafat and the PLO have always represented an elite group of Palestinian families who have grown ever more rich Moreover Aburish has discovered from hitherto silent but impeccable sources that since 1963 when Arafat first established contact with the CIA in Beirut the PLO has conducted a secret dialogue with the US amounting to a betrayal of its people in effect an agreement to avoid military or economic confrontation with Israel Aburish goes on to demonstrate that in his current role as President of the Palestinian Authority Arafat has created one of the ugliest expressions of absolute dictatorship even by Middle Eastern standards in the world today He concludes with a stimulating analysis of the likely future for Palestine and of the crucial world implications **Arafat - From Defender to Dictator** Aburish Said,1998-08 **Yasir Arafat** Barry M. Rubin,Barry Rubin,Judith Colp Rubin,2005-03-03 Chronicles the life of controversial Palestinian political leader Yasir Arafat describing his early years in Egypt and his decades in the Palestinian Liberation Organization assessing whether his work for his people has done them more harm than good *Palestinian Politics After Arafat* As'ad Ganim,2010 Here the author analyzes the internal and external events that unfolded as the Palestinian national movement became a failed national movement marked by internecine struggle and collapse the failure to secure establishment of a separate state and much more *Arafat's War* Efraim Karsh,2007-12-01 A noted historian analyzes Yasser Arafat s role in destabilizing the Middle East in a book praised as eye opening and exhaustively researched New York Post Offering the first comprehensive account of the collapse of the most promising peace process between Israel and the Palestinians historian Efraim Karsh details Arafat s efforts since the historic Oslo Accords in building an extensive terrorist infrastructure his failure to disarm the extremist groups Hamas and Islamic Jihad and the Palestinian Authority s systematic efforts to indoctrinate hate and contempt for the Israeli people through rumor and religious zealotry Arafat has irrevocably altered the Middle East s political landscape and the ongoing Israeli Palestinian conflict will always be Arafat s war **Co-opting the PLO** Peter Ezra Weinberger,2006-01-01 Co opting the PLO analyzes the Oslo Accords the interim self government agreements signed between the government of Israel and the Palestine Liberation Organization using a theoretical framework based on the work of Gilles Deleuze and Michael Hardt Guided by these theoretical insights Weinberger puts forth an innovative and provocative argument about Israel s simultaneous empowerment and

disempowerment of its Palestinian partners in peace **The End of the British Empire in the Middle East, 1952--1971** Wm. Roger Louis, 2025-03-28 A comprehensive account of the decline and fall of the British Empire in the Middle East from 1952 to 1971 *Edward Said at the Limits* Mustapha Marrouchi, 2004-01-08 Shows the full breadth and scope of Edward Said's work and of his role as a public intellectual **Israel/Palestine and the Politics of a Two-State Solution** Thomas G. Mitchell, 2013-05-27 This is a dispassionate examination of the viability of a two state solution in the Israeli Palestinian conflict based on the politics of Israel Palestine and the United States It includes instructive case studies from South Africa in Namibia and the Irish claim to Northern Ireland The results of Israeli elections from 2001 to 2013 are analyzed with the conclusion that the Likud will be in any government coalition for at least the midterm future giving it a veto over policy A chapter examining the history and ideology of the secular right over the last 90 years follows There are three chapters of case studies the Likud withdrawal from the Sinai in 1979 1982 and from Gaza in 2005 the withdrawal of South Africa from Namibia in 1988 1989 and the dropping of Ireland's constitutional claim to Northern Ireland in 1998 under a Fianna Fail government the same party that wrote the constitution in 1937 A chapter examines Palestinian politics since the mandatory era and another the American Israeli alliance and American politics A concluding chapter draws lessons from the case studies and the analysis **Israeli-Palestinian Conflict: from Balfour Promise to Bush Declaration** Gabriel G. Tabarani, 2008-03-25 In the coming five to ten years the highest number of key global security challenges is likely to be concentrated in the Middle East or be related to it And the traditional most significant challenge in the Middle East is the Arab Israeli conflict and its core the dispute between Israelis and Palestinians It is a center of gravity around which the region has revolved and remains of vast political and symbolic significance Both in its own right and due to its positive or negative signaling effects reinvigoration of the peace process is a key challenge for regional and international policy makers in the coming years So what is the origin of this Israeli Palestinian old conflict Why did we reach this point in that region Who to blame How we can find a just solution What will be the consequences if the conflict is not resolved Can a viable state be made in the West Bank and the Gaza Strip Gabriel Tabarani who is a specialist on Middle East affairs will try to find the answers in this book where he takes us back to that region through its history and facts analyzes some turning points in it which affected that region discovers the causes and the important aspects of the conflict and the obstacles to peace He presents all current events details and information from both sides of this conflict Furthermore this book offers some recommendations on how we can solve this conflict gives the light on all events and tries to answer all questions in a fair and balanced way [A Short History of the Gaza Strip](#) Anne Irfan, 2025-08-28 The Gaza Strip is one of the most widely reported on regions in the world yet misinformation about its history and its people abound In this vital book historian Anne Irfan explains Gaza's outsized political significance through six pivotal moments in its modern history beginning with Israel's expulsion of the Palestinian people upon its establishment in 1948 when the Gaza region was truncated to the strip we know

today As she takes us through Israel's occupation of Gaza the Palestinian national struggle and formation of the PLO the first intifada the creation of the Palestinian Authority and the rise of Hamas she tackles widespread historical ignorance and untangles contradicting narratives Drawing on a decade of research Irfan weaves in the voices of everyday Palestinians from farmers and teachers to poets and activists Written with remarkable clarity and compassion *A Short History of the Gaza Strip* is an indispensable read for anyone seeking to understand Palestine today **A Genealogy of Evil** David

Patterson,2010-10-18 Based on extensive scrutiny of primary sources from Nazi and Jihadist ideologues David Patterson argues that Jihadist anti-Semitism stems from Nazi ideology This book challenges the idea that Jihadist anti-Semitism has medieval roots identifying its distinctively modern characteristics and tracing interconnections that link the Nazis to the Muslim Brotherhood to the PLO Fatah Hamas Islamic Jihad Hezbollah Al Qaeda the Sudan the Iranian Islamic Republic and other groups with an anti-Semitic worldview Based on his close reading of numerous Jihadist texts Patterson critiques their antisemitic teachings and affirms the importance of Jewish teaching concluding that humanity needs the very Jewish teaching and testimony that the Jihadists advocate destroying **Identity, Ideology and the Future of Jerusalem** D.
