Arizona The Beautiful:

The Beauty of Autumn Lance J. Kendrick, 2015-04-08 The Beauty of Autumn is a wonderful and vivacious story that dares to explore these subjects can an older woman compete and keep the heart and love of a younger man Can a younger man maintain his love and commitment to an older woman Michael Collins the sure self ambitious young bachelor has not met a woman he could not mesmerized by his charm and dapper Dan good looks Women cant help but to greet meet and keep when they get to know him Just when he thought he had this player thing down to a science he meets the sure independent intelligent and attractive Zoe Davis Zoe Davis as far as she was concerned had given up on love Shes been in love a few times and has come to the conclusion being in love was overrated Their chemistry and personality clashes and crashes like two trains Can the two work through their issues and differences such as age adult children and giving up being a player Can the two find what they both need and desire which is true love The story of The Beauty of Autumn is very provocative it will make you laugh cry and think
