ENP in the legal historical context of political union this book explains why coherence has become a substantive issue in EU external relations and why law is integral to attaining the ever enigmatic single voice of the European Union The text examines the role of EU external relations law in attaining a coherent neighbourhood policy and goes on to undertake an in depth analysis of the ENP arguing that the innovative nature of the ENP in regard to coherence lies beyond the narrowly defined legal sphere and stems primarily from its hybrid composition of hard legal soft legal and non legal policy instruments Adopting an interdisciplinary approach by integrating elements of law history and political science EU External Relations Law and the European Neighbourhood Policy is unique in its approach to the subject This book will be of particular interest to academics and students of EU Law Political Science History and International Relations as well as to practitioners engaged in the process of drafting coherent external policy

The Evolution of EU Law Paul P. Craig,Gráinne De Búrca,2011 The European Union has undergone major changes in the last decade including Treaty reform and a significant expansion of activity in foreign and security policy and justice and home affairs In the first edition of this influential textbook a team of leading lawyers and political scientists reflected upon the important developments in their chosen area over the time since the EC was formed This new edition continues this analysis ten years on Taking into account the social and political background and without losing sight of the changes that came before in each chapter the contributors analyze the principle themes and assess the legal and political forces that have shaped its development Each author addresses a specific topic event or theme from the European Court of Justice to Treaty reform the enlargement of the EU to administrative law the effect of EU law on culture to climate change Together the chapters tell the story of the rapid development of EU law its past present and future
