Howard, 2023-02-07 Increase intimacy, connection, and love with this critical Vanessa Van Edwards bestselling author of *Captivate: The Science of Succeeding with People*. Science-based guide to creating meaningful and lasting relationships. When it comes to building a better relationship with your partner, touch and connection matter so much more than the words that you say. And author and therapist John Howard is here to tell us why. *More Than Words* shows you how to deepen love and connection in any relationship based on the latest cutting-edge research in interpersonal neurobiology, trauma-informed healing, attachment theory, and many more scientific fields. This brilliant guide, Diane Poole Heller PhD, author of *The Power of Attachment*, explains why verbal communication may not elicit the connection you seek and offers ways to practice and form new habits that can nurture love, care, safety, comfort, and passion in relationships. Science shows that these techniques work, but most people don't know them yet. You can start using these techniques today to increase intimacy and emotional connection in your closest relationships. Mindful of all the needs of the modern individual, *More Than Words* is inclusive of LGBTQ, polyamorous, and other nontraditional committed relationships and ultimately looks to elevate the way we strengthen the most important bonds in our lives. *Puzzles and Games, Grades 1 - 2* Thinking Kids, Carson-Dellosa
