Around The World With No Hassles A Travel Journal:

Travel Diary - Bolivia Michael Hilburn, 2004 *Travel Diary Bolivia* is a travel guidebook with a slant. It uses personal travelogues from people's trips to Bolivia. By reading these travelogues, one can gain a greater perspective on the culture and customs of a country and they can also see the places that the author enjoyed or didn't enjoy visiting. The book is best used in conjunction with a regular travel guide which provides the basic information for travelers like hotel and restaurant information. But *Travel Diary Bolivia* will give you information on actual visits to some restaurants and hotels and can steer you towards good places to dine and sleep and it can help you avoid the bad places. Many people enjoy reading travelogues before visiting foreign countries but it is very difficult to print and carry this information with you. *Travel Diary Bolivia* allows you to have access to the information found only in those travelogues by printing the travelogues in a paperback format which is easy to carry and convenient for the traveler. *Around the World with No Hassles* Hunter S. Planning your first trip around the world can be daunting for even veteran travellers, but the Rough Guides author leads you through the process with experience, insight and humour, showing you how to create your own journey, not just how to tick off everything you're supposed to see.
