Around Uniontown Images Of America:

Around Uniontown Victoria Dutko Leonelli, 2003 Once scattered with frontier forts and Native American paths Uniontown has changed considerably since Henry Beeson a Virginia Quaker offered fifty four lots for sale on July 4 1776 Around Uniontown captures this history with nearly two hundred vintage images culled from personal collections and the Uniontown Public Library s archives In these pages revisit 1896 when Uniontown had its greatest patriotic festivity View beautiful tree lined streets with the magnificent homes of coal barons Visit the patch towns and meet the people who lived and worked during the booming coal and coke era Witness the sensational Polly Williams murder trial and learn about some of the unique individuals who have called Uniontown home such as Gen George C Marshall David Blythe and Crazy Billy

Western Pennsylvania History, 2006 The American Portrait Gallery Abner Dumont Jones, 1855 **George C.**

Marshall: Soldier-Statesman of the American Century Mark A. Stoler, 2021-06-25 In a career that paralleled the emergence of the United States as an international power Marshall was a participant in every significant event contributing to the nation s status as a superpower From his first combat duty in the Philippines at the turn of the century through both World Wars into the cold war and the Korean conflict Marshall was a key figure in devising and implementing US military strategies and foreign policies Stoler emphasizes the years 1939 1951 when Marshall served as World War II army chief of staff special presidential representative to China secretary of state at the beginning of the cold war and Korean War secretary of defense The book is unique in its merging of military and diplomatic history with biography It includes a chronology and a bibliographic essay Drawing on more detailed works supplemented by his sound judgments based on his own careful research Stoler has successfully caught the spirit of the man and his work Forrest C Pogue official biographer of Marshall former director of the George C Marshall Foundation Useful fascinating and very informative Stoler illuminates many historical debates and events David Eisenhower author of Eisenhower at War 1943 1945 A very readable book based on the most recent scholarship and presented in a way that students can understand Michael J Hogan Ohio State University In a skillful work of compression and synthesis Mark A Stoler sets himself an ambitious dual task to render comprehensible the life of an individual almost no one knew well and to ground this life firmly in the context of the revolution in American foreign relations during the first half of the twentieth century The enterprise succeeds admirably partly because Marshall s career lends itself to such treatment and partly because Stoler demonstrates a flair for selecting the essential from the immaterial H W Brands *The American Historical Review* This is the best available one volume biography of this distinguished man Stoler demonstrates Marshall s intellectual growth as he came to understand international politics and the limits of power Daniel R Beaver *The Historian* A richly researched and balanced assessment Stoler s insights into Marshall are many and valuable He perfectly captures his sterling integrity and the extent of his exemplary nonpartisanship this is the best single volume about a true hero Barry F Machado *The Journal of Military History* A n excellent book There have been short one volume biographies

of Marshall before but this is the best of the lot Among the strengths of Stoler s treatment are his careful exposition of the factors in Marshall s youth crucial to the formation of his character the importance of his various experiences with the National Guard the Plattsburg volunteers and the Civilian Conservation Corps in conditioning his faith in citizen soldiers and the formative role of his professional education at the Command and General Staff School at Fort Leavenworth and the Infantry School at Fort Benning I B Holley Jr The Journal of American History Stoler is able to present the issues faced by the new chief of staff lucidly and with great insight In sum Professor Stoler with style and verve has produced an excellent summary volume on George C Marshall and his times the book is insightful readable provocative and manageable I highly recommend it Douglas Kinnard Naval War College Review T he book breaks through the general s deliberately cultivated stoic persona and demonstrates the humanity that made him so admired in public and private Stoler s work stands as a model of its genre a concise study that incorporates themes from the large body of current scholarship in the field without ever losing sight of its central character Stoler captures the complexity of the man and his times in a book that is a pleasure to read Donald A Ritchie The Oral History Review This is a useful volume for those who lack the time to read all four volumes of Forrest Pogue s biography Gaddis Smith Foreign Affairs

American Portrait Gallery, Containing Correct Portraits and Brief Notices of the Principal Actors in American History ... from Christopher Columbus Down to the Present Time ... Abner Dumont Jones,1869 **The Grove Encyclopedia of American Art** Joan M. Marter,2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries

The Encyclopedia of Northern Kentucky Paul A. Tenkotte,James C. Claypool,2014-10-17 The Encyclopedia of Northern Kentucky is the authoritative reference on the people places history and rich heritage of the Northern Kentucky region The encyclopedia defines an overlooked region of more than 450 000 residents and celebrates its contributions to agriculture art architecture commerce education entertainment literature medicine military science and sports Often referred to as one of the points of the Golden Triangle because of its proximity to Lexington and Louisville Northern Kentucky is made up of eleven counties along the Ohio River Boone Bracken Campbell Carroll Gallatin Grant Kenton Mason Owen Pendleton and Robertson With more than 2 000 entries 170 images and 13 maps this encyclopedia will help readers appreciate the region s unique history and culture as well as the role of Northern Kentucky in the larger history of the Commonwealth of Kentucky and the nation Describes the Golden Triangle of Kentucky an economically prosperous area with high employment investment and job creation rates Contains entries on institutions of higher learning including Northern Kentucky University Thomas More College and three community and technical colleges Details the historic cities of Covington Newport Bellevue Dayton and Ludlow and their renaissance along the shore of the Ohio River Illustrates the importance of the Cincinnati Northern Kentucky International Airport as well as major corporations such as Ashland Fidelity Investments Omnicare Toyota North America and United States Playing Card American Art to 1900 Sarah Burns,John

Davis,2023-09-01 From the simple assertion that words matter in the study of visual art this comprehensive but eminently readable volume gathers an extraordinary selection of words painters and sculptors writing in their diaries critics responding to a sensational exhibition groups of artists issuing stylistic manifestos and poets reflecting on particular works of art Along with a broad array of canonical texts Sarah Burns and John Davis have assembled an astonishing variety of unknown little known or undervalued documents to convey the story of American art through the many voices of its contemporary practitioners consumers and commentators American Art to 1900 highlights such critically important themes as women artists African American representation and expression regional and itinerant artists Native Americans and the frontier popular culture and vernacular imagery institutional history and more With its hundreds of explanatory headnotes providing essential context and guidance to readers this book reveals the documentary riches of American art and its many intersecting histories in unprecedented breadth depth and detail From the simple assertion that words matter in the study of visual art this comprehensive but eminently readable volume gathers an extraordinary selection of words painters and sculptors writing in their diaries critics responding to a sensational ex

"An Arch Rebel Like Myself" Gene C. Armistead,Robert D. Arconti,2018-08-02 Dan Showalter was Speaker Pro Tem of the California State Assembly at the outbreak of the Civil War and the exemplar of treason in the Far West among the pro Union press He gained notoriety as the survivor of California s last political and actual fatal duel for his role in the display of a Confederate flag in Sacramento and for his imprisonment after an armed confrontation with Union troops Escaping to Texas he distinguished himself in the Confederate service in naval battles and in pursuit of Comanche raiders As commander of the 4th Arizona Cavalry he helped recapture the Rio Grande Valley from the Union and defended Brownsville against a combined Union and Mexican force Refusing to surrender at war s end he fled to Mexico where he died of a wound sustained in a drunken bar fight at age 35 Billboard ,1952-05-10 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Scientific American** ,1898 **Shot in Alabama** Frances Osborn Robb,2016 A sumptuously illustrated history of photography as practiced in the state from 1839 to 1941 offering a unique account of the birth and development of a significant documentary and artistic medium **From Concentration Camp to Campus** Allan W. Austin,2010-10-01 In the aftermath of Japan s attack on Pearl Harbor and the systematic exile and incarceration of thousands of Japanese Americans the National Japanese American Student Relocation Council was born Created to facilitate the movement of Japanese American college students from concentration camps to colleges away from the West Coast this privately organized and funded agency helped more than 4 000 incarcerated students pursue higher education at more than 600 schools during WWII Austin argues that the resettled students transformed the attempts at assimilation to create their own meanings and suit their own purposes and succeeded in reintegrating

themselves into the wider American society without sacrificing their connections to community and their Japanese cultural heritage

American Vanguard John Barnard, 2004 The struggles and victories of the UAW form an important chapter in the story of American democracy American Vanguard is the first and only history of the union available for both general and academic audiences In this thorough and engaging narrative John Barnard not only records the controversial issues tackled by the UAW but also lends them immediacy through details about the workers and their environments the leaders and the challenges that they faced outside and inside the organization and the vision that guided many of these activists Throughout Barnard traces the UAW's two fold goal to create an industrial democracy in the workplace and to pursue a social democratic agenda in the interest of the public at large Part one explores the obstacles to the UAW's organization including tensions between militant reformers and workers who feared for their jobs ideological differences racial and ethnic issues and public attitudes toward unions By the outbreak of World War II however the union had succeeded in redistributing power on the shop floor in its members favor Part two follows the union during Walter P Reuther's presidency 1946-1970 During this time pioneering contracts brought a new standard of living and income security to the workers while an effort was made to move America toward a social democracy which met with mixed results during the civil rights decade Throughout Barnard presents balanced interpretations grounded in evidence while setting the UAW within the context of the history of the U S auto industry and national politics

American Book Publishing Record R.R. Bowker Company, 1978 **Annual Report** United States. Small Business Administration, 1981

Traces of Old Sharpsville Ralph C. Mehler, 2024-04-05 Though just a small town Sharpsville has had an outsized influence on the American iron industry This book tells that story plus many more the canal that gave the town its start its railroads the personalities who lived here the churches and clubs its ethnic heritage sports heroes long gone landmarks and institutions and the traditions that make Sharpsville unique Events whether of local note or part of national trends are here recounted More than just an account of town lore this is a thoroughly researched book that gives the reader an insight into life here in years past from a variety of perspectives Anyone who lives in the Shenango Valley will find interest in these pages as will someone who has since moved away but whose heart still remains here The short articles contained within this book are grouped into themed chapters With many not seen before photos it makes for an enjoyable and readable account of this little burg in times past

Remaking the Rust Belt Tracy Neumann, 2016-06-28 Remaking the Rust Belt tells the story of how local leaders throughout the Rust Belt adapted internationally circulating ideas about postindustrial redevelopment to create the jobs and amenities they believed would attract middle class professionals but in so doing widened and deepened economic inequality among urban residents

Civil Wars, Civil Beings, and Civil Rights in Alabama's Black Belt Bertis D. English, 2020-10-06 Reconstruction politics and race relations between freed blacks and the white establishment in Perry County Alabama In his fascinating in depth study Bertis D English analyzes why Perry County situated in the heart of a violence prone subregion of Alabama

enjoyed more peaceful race relations and less bloodshed than several neighboring counties. Choosing an atypical locality as central to his study, English raises questions about factors affecting ethnic disturbances in the Black Belt and elsewhere in Alabama. He also uses Perry County, which he deems an anomalous county, to caution against the tendency of some scholars to make sweeping generalizations about entire regions and subregions. English contends Perry County was a relatively tranquil place with a set of extremely influential African American businessmen, clergy, politicians, and other leaders during Reconstruction. Together with egalitarian or opportunistic white citizens, they headed a successful campaign for black agency and biracial cooperation that few counties in Alabama matched. English also illustrates how a significant number of educational institutions, a high density of African American residents, and an unusually organized and informed African American population were essential factors in forming Perry County's character. He likewise traces the development of religion in Perry, the nineteenth-century Baptist capital of Alabama, and the emergence of civil rights in Perry, an underemphasized center of activism during the twentieth century. This well-researched and comprehensive volume illuminates Perry County's history from the various perspectives of its black, interracial, and white inhabitants, amplifying their own voices in a novel way. The narrative includes rich personal details about ordinary and affluent people, both free and unfree, creating a distinctive resource that will be useful to scholars as well as a reference that will serve the needs of students and general readers.

The Oxford Encyclopedia of American Literature Jay Parini, 2004. The Encyclopedia of American Literature gathers together 350 essays from over 190 leading scholars on the whole of American literature from European discovery to the present. At the core of the Encyclopedia lie 250 essays on poets, playwrights, essayists, and novelists. Figures such as Whitman, Melville, Faulkner, Frost, and Morrison are discussed in detail, with each examined in the context of his or her times, an assessment of the writer's current reputation, a bibliography of major works, and a list of major critical and biographical works about the writer. Fifty entries on major works such as *Moby-Dick*, *Song of Myself*, *Walden*, *The Great Gatsby*, *The Waste Land*, *Their Eyes Were Watching God*, *Death of a Salesman*, and *Beloved* place the work in its historical context and offer a range of possibilities with regard to critical approach. The Encyclopedia also contains essays on literary movements, periods, and themes, pulling together a broad range of information and making connections between them. Each entry has its own primary and annotated secondary bibliography, and a system of cross-references helps readers locate information with ease. The Encyclopedia of American Literature is an outstanding reference source for students studying authors or particular pieces of literature, libraries looking for one comprehensive source, and readers interested in American literature, its authors, and its connection with various areas of study.

Unveiling the Power of Verbal Art: An Emotional Sojourn through **Around Uniontown Images Of America**

In some sort of inundated with monitors and the cacophony of immediate interaction, the profound energy and emotional resonance of verbal beauty frequently fade into obscurity, eclipsed by the constant assault of sound and distractions.
