Djurdjevic, 2014-05-21 India and the Occult explores the reception of Indian spirituality among Western occultists through case studies Rather than focusing on the activities of Theosophical Society India and the Occult looks at the hard core occultism in particular the British 20th century currents associated with Aleister Crowley Dion Fortune Kenneth Grant etc [From Moon Goddesses to Virgins](#) Pete Sigal, 2013-12-06 For the prequest Maya sexuality was a part of ritual discourse and performance and all sex acts were understood in terms of their power to create maintain and destroy society As postquest Maya adapted to life under colonial rule they neither fully abandoned these views nor completely adopted the formulation of sexuality prescribed by Spanish Catholicism Instead they evolved hybridized notions of sexual desire represented in the figure of the Virgin Mary as a sexual goddess whose sex acts embodied both creative and destructive components This highly innovative book decodes the process through which this colonization of Yucatan Maya sexual desire occurred Pete Sigal frames the discussion around a series of texts including the Books of Chilam Balam and the Ritual of the Bacabs that were written by seventeenth and eighteenth century Maya nobles to elucidate the history religion and philosophy of the Yucatecan Maya communities Drawing on the insights of philology discourse analysis and deconstruction he analyzes the sexual fantasies fears and desires that are presented often unintentionally in the margins of these texts and shows how they illuminate issues of colonialism power ritual and gender [Encountering the Goddess](#) Thomas B. Coburn, 1991-04-23 Coburn provides a fresh and careful translation from the Sanskrit of this fifteen hundred year old text Drawing on field work and literary evidence he illuminates the process by which the Dev M h tmya has attracted a vast number of commentaries and has become the best known Goddess text in modern India deeply embedded in the ritual of Goddess worship especially in Tantra Coburn answers the

following questions among others Is this document scripture How is it that this text mediates the presence of the Goddess What can we make of contemporary emphasis on oral recitation of the text rather than study of its written form One comes away from Coburn s work with a sense of the historical integrity or wholeness of an extremely important religious development centered on a text The interaction between the text and later philosophical and religious developments such as those found in Advaita Vedanta and Tantra is quite illuminating Relevant here are the issues of the writtenness and orality aurality of scripture and the various ways by which a deposit of holy words such as the Dev M h tmya becomes effective powerful and inspirational in the lives of those who hold it sacred Encyclopaedia of Untouchables Ancient, Medieval and Modern Raj Kumar,2008 The book entitled Encyclopaedia of Untouchables Ancient Medieval and Modern compiled in 2 volumes witnesses to the fact that how the Brahminical ideology used to behave with the poor people of the Father which is totally unbearable to a normal person even though they used to clean the cities latrines skin of the dead animals which were owned by the Brahmans Hence the Dalit literature is not a simple literature it is associated with a movement to bring about a change in the society by working personally to realize the basic facts of the life but Brahmans are only the philosophers of their literature working for their personal benefit not for others It has established its own strong tradition with anti caste or untouchables thinker like Buddha Ved Vyash Valmiki Qutab ud Din Aebik Balban Balban Firoz Shah Tuglaq Barani the great writer Amir Timur Sultan Sikandar of Kashmir Zain ul Abidin Mirza Haidar Dughlat Babar Ravidas Akbar Guru Nanak Kabir Phule Dr B R Ambedkar many more as its sign posts *Shakespeare's Lost Kingdom* Charles Beauclerk,2011-02-08 A book for anyone who loves Shakespeare One of the most scandalous and potentially revolutionary theories about the authorship of these immortal works Mark Rylance First Artistic Director of Shakespeare s Globe Theatre It is perhaps the greatest story never told the truth behind the most enduring works of literature in the English language perhaps in any language Who was William Shakespeare Critically acclaimed historian Charles Beauclerk has spent more than two decades researching the authorship question and if the plays were discovered today he argues we would see them for what they are shocking political works written by a court insider someone with the monarch s indulgence shielded from repression in an unstable time of armada and reformation But the author s identity was quickly swept under the rug after his death The official history of an uneducated merchant writing in near obscurity and of a virginal queen married to her country dominated for centuries Shakespeare s Lost Kingdom delves deep into the conflicts and personalities of Elizabethan England as well as the plays themselves to tell the true story of the Soul of the Age Beauclerk s learned deep scholarship compelling research engaging style and convincing interpretation won me completely He has made me view the whole Elizabethan world afresh The plays glow with new life exciting and real infused with the soul of a man too long denied his inheritance Sir Derek Jacobi
