American Bookseller, 1991 **Forthcoming Books** Rose Arny, 2003-04 **Encyclopedia of Contemporary Latin American and Caribbean Cultures** Daniel Balderston, Mike Gonzalez, Ana M. López, 2000 This new three volume encyclopedia features over 4 000 entries on more than 40 regions in Latin America and the Caribbean from 1920 to the present day Arts for Change Beverly Naidus, 2009-04-01 Arts for Change presents strategies and theory for teaching socially engaged art with an historical and contemporary overview of the field The book features interviews with over thirty maverick artists faculty from colleges and universities in the United States Canada and Great Britain whose pedagogy is drawn from and informs activist arts practice The issues these teaching artists address are provocative and diverse Some came to this work through personal healing from injustice and trauma or by witnessing oppressions that became intolerable Many have taught for decades deeply influenced by social movements of the 1960s and 1970s yet because the work is controversial tenured positions are rare Soviet Socialist Realism and Art in the Asia-Pacific Alison Carroll, 2024-10-08 This study evaluates how the ideology of Socialist Realism developed by the Soviets in policies and the practices of art has been influential in the Asia Pacific region from 1917 until today Focusing primarily on Russia then China Vietnam Korea Singapore Indonesia the Philippines and Australia this book demonstrates how each society adopted and adapted the Soviet example to make some of the most important imagery of recent history Included is an examination of how the practice of Western art history the nature of art history in Asia and the forces of the Cold War have led to this influence being inadequately acknowledged across Asia and more widely The book will be relevant to those interested in art history Asian studies political history and cultural history **The Encyclopedia of Political Revolutions** Jack A. Goldstone, 2015-04-29 The Encyclopedia of Political Revolutions is an important reference work that describes revolutionary events that have affected and often changed the course of history Suitable for students and interested lay readers yet authoritative enough for scholars its 200 articles by leading scholars from around the world provide quick answers to specific questions as well as in depth treatment of events and trends accompanying revolutions Includes descriptions of specific revolutions important revolutionary figures and major revolutionary themes such as communism and socialism ideology and nationalism Illustrative material consists of photographs detailed maps and a timeline of revolutions **Dissent, Revolution and Liberty Beyond Earth** Charles Cockell, 2016-03-10 This volume provides an in depth discussion on the central question how can people express and survive dissent and disagreement in confined habitats in space The discussion is an important one because it could be that the systems of inter dependence required to survive in space are so strong that dissent becomes impossible John Locke originally said that people have a right to use revolution to overthrow a despotic regime But if revolution causes violence and damage that causes depressurisation with the risk of killing many people is it even permissible to have a revolution How then are people to express their liberty or dissatisfaction with their rulers The emergence of structures of

dissent and disagreement is an essential part of the construction of a framework of liberty in space revolution is just the extreme example and thus the topic deserves in depth and immediate attention Even today the way in which we assemble organisations and corporations for the government and private exploration of space must take into account the need for mechanisms to allow people to express dissent

The Neglected Dimension Anissa Rahadiningtyas, 2023-07-07 The Neglected Dimension offers an insight into a moment in Southeast Asian modern art when a group of artists from the city of Bandung Indonesia reimagined Arabic calligraphic writing At the heart of this effort was an art school at Institut Teknologi Bandung ITB which stood at the forefront of experimentations with forms of Islamic spirituality and abstraction Four artists are featured in this exhibition Ahmad Sadali 1924 1987 A D Pirous b 1932 Haryadi Suadi 1938 2016 and Arahmaiani b 1962 They represent three generations of artistic training at ITB as well as distinct approaches to calligraphic abstraction that reflect changing values identities and conventions in Indonesia from the 1970s to the present Together their works highlight how they interacted with global conventions in modern art evolving ideas around Islamic spirituality feminist activism and the experience of being Muslim in Indonesia
