the past and present of craft production its use and meaning within a range of community settings from the Huron Wendat of colonial Quebec to the Girls Friendly Society of twentieth century England The making of handcrafted objects has and continues to flourish despite the powerful juggernaut of global industrialization whether inspired by a calculated refutation of industrial sameness an essential means to sustain a cultural community under threat or a rejection of the imposed definitions by a dominant culture The broader effects of urbanizing imperial and globalizing projects shape the multiple contexts of interaction and resistance that can define craft ventures through place and time By attending to the political histories of craft objects and their makers over the last few centuries these essays reveal the creative persistence of various hand mediums and the material debates they represented

Handweaving Isabel Buschman,1991 Buschman annotates more than 550 books and periodical titles published on the techniques and history of handweaving from 1928 through October 1989 She includes works on how to weave_basic weaving texts books on looms and equipment and patterns both for weaving and for woven articles handweaving history and historic fabrics from around the world works on Native American weaving ranging from the Chilkats of the Northwest coast of North America to the Pueblos and Navajos of our Southwest Mexico and Central America and on through the rich weaving culture of the Andes reference works containing specialized bibliographies and information on fibers dyes education and marketing and periodicals With author title and subject indexes

The Book of Looms Eric Broudy,2021-09-29 A heavily illustrated classic on the evolution of the handloom The handloom often no more than a bundle of sticks and a few lengths of cordage has been known to almost all cultures for thousands of years Eric Broudy places the wide variety of handlooms in their historical context What influenced their development How did they travel from one geographic area to another Were they invented independently by different cultures How have modern cultures improved on ancient weaving skills and methods Broudy shows how virtually every culture has woven on handlooms He highlights the incredible technical achievement of early cultures that created magnificent textiles with the crudest of tools and demonstrates that modern technology has done nothing to surpass their skill or inventiveness

Weaving Abstraction in Ancient and Modern Art Iria Candela,Joanne Pillsbury,2023-11-01 Expanding the understanding of textile and fiber arts this edition of the Bulletin features two distinct bodies of work that are intimately connected despite being separated by hundreds of years Placing ancient Andean textiles from South America by unknown artists in conversation with works by global modern practitioners such as Anni Albers Sheila Hicks Lenore Tawney and Olga de Amaral *Weaving Abstraction in Ancient and Modern Art* shows how both traditions harnessed the structure of the loom to create dynamic geometric designs The 50 extraordinary pieces in this volume span over 2000 years and illustrate weaving s complex and varied ways of conveying meaning from stunning iconography to bold structural choices In highlighting the aesthetic and cultural choices of both ancient and modern artists this publication elevates textile arts beyond mere ornament to assert their role in the history of art past and present
