From Ancient Text to Valid Application Josiah D. Boyd,2021-12-10 As a child needs nutrient rich calories to grow healthily so God s people experience maturation through consistent Spirit empowered feedings from the Bible prepared by a capable Spirit filled chef This is why Paul emphatically charged Timothy an overseer of a local congregation to unwaveringly and unrelentingly preach the word 2 Tim 4 1 2 a task that assumes not only Scripture s right explanation but also its valid application Unfortunately while much scholarly attention has been paid to the former facet less has been given to the latter One homiletician Abraham Kuruvilla Privilege the Text A Theological Hermeneutic for Preaching has recently attempted to fill this void by articulating and demonstrating a methodology through which a preacher can with confidence and clarity lead the people of God from the word of God to its intended and thus binding application This work explores the effectiveness of his proposed theology and hermeneutic for the identification development communication and reception of biblically founded theologically valid and hearer relevant application

Business After God's Heart William Parker,2024-02-21 I have found David the son of Jesse a man after My heart Acts 13 22 Business leaders face perplexing challenges to succeed in the marketplace they make difficult decisions affecting the lives of their employees and they inspire their staff to give their best They experience triumphs and defeats elation and agony real wins and real losses And while the Bible doesn t give us a manual for business leadership it does give us a window into the heart after God s heart the heart of King David He faced similar challenges as a gifted tactician strategist and ruler and he was very far from perfect As David walked through his leadership challenges and his personal failures he communicated his heart in his psalms Many business leaders today apply the principles of the ancient Chinese general Sun Tzu from The Art of War to their business In fact legions of Sun Tzu

devotees are out there applying the principles of a pagan conqueror to attack the marketplace for personal gain How much better to consider the brilliance of God s conqueror King David a man after His own heart David s psalms are poetic expressions of this heart Furthermore his psalms continue to be living and active Hebrews 4 12 as they are indeed part of the living and active Word of God for business leaders today No followers of Sun Tzu would dare to make such an amazing claim Business after God s Heart challenges the heart of the business leader to follow after the heart of God as it is revealed in the psalms of David And ultimately as the leader s personal engagement in business flows from this heart it will yield the fruit of Business after God s Heart
