Appointment At Armageddon Muckraking And Progressivism In The American Tradition:

Muckraking and Progressivism in the American Tradition Louis Filler, 2018-04-17 Muckraking and progressivism have always marched arm in arm cutting a wide path through modern American history Originally published as Appointment at Armageddon Filler's book is a vital contribution in understanding the intrinsic dynamic of reform in American life It extracts from the issues that fostered progressivism and muckraking an essence that illuminates contemporary debate Filler points out that early twentieth century progressivism was essentially middle class seeking common denominators for social interests It was also a modernizing force in such areas as child labor poverty farm problems and race relations In his new introduction Filler reviews various instances of progressivism throughout history Filler maintains that progressivism died out when pride in its achievements turned to bitterness Rather than celebrating the progress made by outstanding Americans such as W E B DuBois and Susan B Anthony various groups began focusing only on the oppressed and the oppressors By concentrating on the negative instead of the positive Americans abandoned the forward looking tenets of turn of the century progressivism Muckraking and Progressivism in the American Tradition is a timely book It is needed to inspire Americans to find a new way to solve current dilemmas This significant work will be of interest to sociologists historians and political theorists

Herbert Croly's The Promise of American Life at Its Centenary John Allphin Moore, 2009-05-27 As of 2005 Herbert Croly's *The Promise of American Life* first published in 1909 had gone through eleven different printings from a variety of publishing houses suggesting its enduring stature as an American classic The book had an acknowledged influence on early to mid twentieth century American politics and political thought Theodore Roosevelt read the book after he left the White House and when he decided to run for another term as president in 1912 used Croly's themes in his campaign After Willard and Dorothy Straight read the book they contacted Croly and brought him together with Walter Lippmann and Walter Weyl to edit the journal they founded in 1914 *The New Republic* In 1961 Charles Forcey announced in *The Crossroads of Liberalism* that Croly's *Promise of American Life* of 1909 has become the prevailing political faith of most Americans Following Franklin Roosevelt's Croly inspired New Deal the New Frontier and the Great Society of John Kennedy and Lyndon Johnson seemed by the 1960s to have confirmed Forcey's assessment and thus Croly's ascendant place in American politics While the rise of a notable conservative backlash to American liberalism dimmed Croly's reputation by the end of the century his book has continued to be part of the canon often studied in college seminars and even today his name surfaces in public policy discussions This anthology analyzing *The Promise* at its 100th birthday presents essays by historians political scientists an economist and an international relations scholar discussing the impact of Croly's book on twentieth century America and opining on the suitability of *The Promise*'s ideas for the twenty first century

Reader's Guide to American History Peter J. Parish, 2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they

want The Reader's Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography. Each of the 600 entries on topics in political, social, and economic history describes and evaluates some 6 to 12 books on the topic, providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs. The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors, all scholars of American history. Muckraking and the Progressive Movement Mark Neuzil Riley, 1993

Madeline McDowell Breckinridge and the Battle for a New South Melba Porter Hay, 2009-04-24

A biography of the Kentucky women's rights activist and progressive reformer featuring personal interviews and recently discovered correspondence. Preeminent Kentucky reformer and women's rights advocate Madeline McDowell Breckinridge (1872-1920) was at the forefront of social change during the late nineteenth and early twentieth centuries. A descendant of Henry Clay and the daughter of two of Kentucky's most prominent families, Breckinridge had a remarkably varied activist career that included roles in the promotion of public health, education, women's rights, and charity. Founder of the Lexington Civic League and Associated Charities, Breckinridge successfully lobbied to create parks and playgrounds and to establish a juvenile court system in Kentucky. She also became president of the Kentucky Equal Rights Association, served as vice president of the National American Woman Suffrage Association, and even campaigned across the country for the League of Nations. In the first biography of Breckinridge since 1921, Melba Porter Hay draws on newly discovered correspondence and rich personal interviews with her female associates to illuminate the fascinating life of this important Kentucky activist. Deftly balancing Breckinridge's public reform efforts with her private concerns, Hay tells the story of Madeline's marriage to Desha Breckinridge, editor of the Lexington Herald, and how she used the match to her advantage by promoting social causes in the newspaper. Hay also chronicles Breckinridge's ordeals with tuberculosis and amputation and emotionally trying episodes of family betrayal and sex scandals. Hay describes how Breckinridge's physical struggles and personal losses transformed her from a privileged socialite into a selfless advocate for the disadvantaged. Later, as vice president of the National American Women Suffrage Association, Breckinridge lobbied for Kentucky's ratification of the Nineteenth Amendment, which gave women the right to vote in 1920. While devoting much of her life to the woman suffrage movement on the local and national levels, she also supported the antituberculosis movement, social programs for the poor, compulsory school attendance, and laws regulating child labor. In bringing to life this extraordinary reformer, Hay shows how Breckinridge championed Kentucky's social development during the Progressive Era.

Praise for Madeline McDowell Breckinridge and the Battle for a New South: An important contribution to American history, one that is of special significance to Kentucky history, the Progressive Era, and the women's rights movement. Paul Fuller, author of *Laura Clay and the Women's Rights Movement*. Hay brings to life a multi-dimensional woman emblematic of her times, with whom readers can identify and sympathize. Melanie Beals Goan, author of *Mary Breckinridge: The Frontier Nursing Service and Rural Health in Appalachia*.

America in the Age of the Titans Sean Dennis Cashman, 1988-08-01 Detailing the events of the Progressive Era and World War I 1901-20 *America in the Age of the Titans* is the only interdisciplinary history covering this period currently available. The book contains the results of research into primary sources and decent scholarship with an emphasis on leading personalities and anecdotes about them. Sean Dennis Cashman's sequel to *America in the Gilded Age* gives special attention to industry and inventions and social and cultural history. He covers developments in science, technology, and industry; the Progressive movement and the presidencies of Theodore Roosevelt; immigration; the new woman; and labor, including the Industrial Workers of the World and the Great Red Scare; the transportation and communications revolution in radio and motion pictures; the cultural contribution of artists, architects, and creative writers; and America's foreign policies across the world. Written in a lively, accessible style with over sixty illustrations, this book is an excellent introduction to these momentous years. It provides an assessment of the contributions of the titans: political, scientific, and industrial.

Alcoholism in America Sarah W. Tracy, 2007-05-21 Despite the lack of medical consensus regarding alcoholism as a disease, many people readily accept the concept of addiction as a clinical as well as a social disorder. An alcoholic is a victim of social circumstance and genetic destiny. Although one might imagine that this dual approach is a reflection of today's enlightened and sympathetic society, historian Sarah Tracy discovers that efforts to medicalize alcoholism are anything but new. *Alcoholism in America* tells the story of physicians, politicians, court officials, and families struggling to address the danger of excessive alcohol consumption at the turn of the century. Beginning with the formation of the American Association for the Cure of Inebriates in 1870 and concluding with the enactment of Prohibition in 1920, this study examines the effect of the disease concept on individual drinkers and their families and friends, as well as the ongoing battle between policymakers and the professional medical community for jurisdiction over alcohol problems. Tracy captures the complexity of the political, professional, and social negotiations that have characterized the alcoholism field both yesterday and today. Tracy weaves American medical history, social history, and the sociology of knowledge into a narrative that probes the connections among reform movements, social welfare policy, the specialization of medicine, and the social construction of disease. Her insights will engage all those interested in America's historic and current battles with addiction. *I Have Seen the Future* Peter

Hartshorn, 2012-01-10 At the dawn of the twentieth century, Lincoln Steffens, an internationally known and respected political insider, went rogue to work for McClure's Magazine. Credited as the proverbial father of muckraking reporting, Steffens quickly rose to the top of McClure's team of investigative journalists, earning him the attention of many powerful politicians who utilized his knack for tireless probing to battle government corruption and greedy politicians. A mentor of Walter Lippmann, friend of Theodore Roosevelt, and advisor of Woodrow Wilson, Steffens is best known for bringing to light the Mexican Revolution, the 1910 bombing of the Los Angeles Times, and the Versailles peace talks. Now, with print journalism and investigative reporters on the decline, Lincoln Steffens' biography serves as a necessary call to arms for the newspaper.

industry Hartshorn's extensive research captures each detail of Steffens' life from his private letters to friends to his long and colorful career and delves into the ongoing internal struggle between his personal life and his overpowering devotion to the cause

Creating the Big Easy Anthony J. Stanonis, 2011-04-01 Between the World Wars New Orleans transformed its image from that of a corrupt and sullied port of call into that of a national tourist destination Anthony J. Stanonis tells how boosters and politicians reinvented the city to build a modern mass tourism industry and along the way fundamentally changed the city's cultural economic racial and gender structure Stanonis looks at the importance of urban development historic preservation taxation strategies and convention marketing to New Orleans makeover and chronicles the city's efforts to domesticate its jazz scene democratize Mardi Gras and stereotype local blacks into docile servile roles He also looks at depictions of the city in literature and film and gauges the impact on New Orleans of white middle class America's growing prosperity mobility leisure time and tolerance of women in public spaces once considered off limits Visitors go to New Orleans with expectations rooted in the city's past to revel with Mardi Gras maskers soak up the romance of the French Quarter and indulge in rich cuisine and hot music Such a past has a basis in history says Stanonis but it has been carefully excised from its gritty context and scrubbed clean for mass consumption

Panic! David Andrew Zimmerman, 2006 During the economic depression of the 1890s and the speculative frenzy of the following decade Wall Street high finance and market crises assumed unprecedented visibility in the United States Fiction writers published scores of novels that explored this new cultural phenomenon In *Panic* David A. Zimmerman studies how American novelists and their readers imagined and in one case incited market crashes and financial panics *Panic* examines how Americans' understandings of and attitudes toward securities markets popular investment and financial catastrophe were entangled with their conceptions of gender class crowds and history Blending literary historical and cultural analysis Zimmerman investigates how writers turned to fledgling research in mob psychology psychic investigations and conspiracy discourse to understand how mass acts of reading and popular participation in the corporate transformation of the American economy could trigger financial disaster and cultural chaos In addition Zimmerman shows how writers by experimenting with sensationalism sympathy the sublime melodrama and naturalism explored the limits of fiction's aesthetic economic and ethical capacities in their portrayals of markets in crisis With readings of canonical as well as lesser known novelists Zimmerman provides an original and wide ranging analysis of the relation between fiction and financial modernity

The Battle for Butte Michael P. Malone, 2012-04-01 First published in 1981 *The Battle for Butte* has remained the best treatment of the influence of copper in the political history of Montana Fine history rich in detail full of finely drawn people masterfully clear where the subject matter is most complex constructed to preserve something of the tone and atmosphere of the age *American Historical Review*

Progressivism and Muckraking Louis Filler, 1976 *Journalistische Genres* Deutscher Fachjournalisten-Verband, 2017-06-30 In einer Zeit in der der traditionelle Print Journalismus in der Krise steckt ist das Experimentieren mit neuen Zugängen zur journalistischen

Arbeit ist die Grenz überschreitung sinnvoll und notwendig Das vorliegende Buch setzt sich mit knapp 40 unterschiedlichen Genres auseinander systematisiert diese und möchte damit die Diskussion über alternative Ansätze im deutschsprachigen Journalismus anregen Leitfragen sind dabei Was ist die grundlegende Idee des jeweiligen Genres Worin unterscheidet es sich vom idealtypischen Journalismus Vor welchem Begründungszusammenhang wurde der Ansatz formuliert und wie hat er sich historisch entwickelt Welche Chancen und Risiken sind damit verbunden *Narrative Struktur und*

American Journalism History William D. Sloan, 1989-04-24

Sloan has undertaken to fill a long standing gap in the study of journalism history He has compiled a comprehensive annotated bibliography of works pertaining to United States journalism history from colonial to contemporary times Some 2 600 separate entries provide information on dissertations articles monographs books and reference materials published between 1810 and 1988 Overall this is a useful stimulating volume that pulls together a diverse collection of materials It should enrich the teaching and writing of journalism history American Journalism The history of the American news media has been a popular subject with journalists popular writers and historians since the early years of the Republic and it continues to attract widespread interest Until now however no complete bibliography of these historical materials has been available This comprehensive work provides access to the existing literature on all types of journalism from newspapers to television In his introduction Sloan reviews the different approaches to journalism history that have characterized writing in the field The bibliography is divided by historical period and general theme into 16 sections Carefully annotated it presents concise summaries and bibliographic information for some 2 600 articles books research guides and reference works published between 1810 and 1988 More than 100 journals are included Cross referencing and a detailed index will help the reader locate materials on specific topics as well as those with wider application An invaluable tool for historians and other scholars engaged in research this book will also serve as a useful reference for courses in mass communications and the history of journalism **Personalities and Products** Edd C. Applegate, 1998-01-21 Profiling such luminaries as Benjamin

Franklin P T Barnum John Wanamaker and Harley Procter this book examines the contributions that several prominent individuals have made to advertising in America The work opens with a discussion of Colonial advertising and the printers such as Benjamin Franklin who created it It then goes on to consider early advertising agents such as Francis Wayland Ayer and the contributions of the great promoter P T Barnum Lydia Pinkham's Vegetable Compound and the advertising of patent medicines is also covered as is John Wanamaker's impact on retail advertising The book then examines the advertising style of Albert Lasker owner of Lord and Thomas advertising agency as well as Harley Procter's advertising of Ivory soap and Procter Gamble's first 100 years Elliot White Springs's use of sex in advertising and the Springs Cotton Mills advertising campaign of the 1940s and 1950s concludes the volume **The Trials of a Scold** Jeff Biggers, 2017-11-07 The Trials of a Scold by American Book Award winning author Jeff Biggers is a well researched and passionate biography of Anne Royall one

of America's first female muckrakers who was convicted as a common scold in 1829 in one of the most bizarre trials in the nation's history Anne Royall was an American original a stranger to fear and one of the nation's most daring impassioned and indomitable social critics A servant in the house of the man she would later marry Royall read constantly and pursued an education that few women at that time had access to When fifteen years later she was left widowed and destitute after her husband's family declared their marriage invalid she turned to her writing and to her political interests Travelling from Alabama to Washington DC to Pennsylvania Royall was a fiercely dedicated journalist Her tenacity earned her the first presidential interview ever granted to a woman but she acquired enemies for her scathing denouncement of the increasingly blurry lines between church and state Royall's pioneering role as a chronicler publisher muckraker and social commentator brought to light the timeless issues that still define the great American experience religion and politics

Peasants, Populism and Postmodernism Dr Tom Brass, 2013-02-01 Tracing the way in which the agrarian myth has emerged and re-emerged over the past century in ideology shared by populism postmodernism and the political right the argument in this book is that at the centre of this discourse about the cultural identity of otherness difference lies the concept of and innate peasant ness In a variety of contextually specific discursive forms the old populism of the 1890s and the nationalism and fascism in Europe America and Asia during the 1920s and 1930s were all informed by the agrarian myth The postmodern new populism and the new right both of which emerged after the 1960s and consolidated during the 1990s are also structured discursively by the agrarian myth and with it the ideological reaffirmation of peasant essentialism

Seasoned Authors for a New Season Louis Filler, 1980 This collection of essays probes the values in a variety of authors who have had in common the fact of popularity and erstwhile reputation Why were they esteemed Who esteemed them And what has become of their reputations to readers to the critic himself No writer here has been asked to justify the work of his subject and reports and conclusions about this wide variety of creative writers vary sometimes emphasizing what the critic believes to be enduring qualities in the subject in several cases finding limitations in what that writer has to offer us today

Appointment At Armageddon Muckraking And Progressivism In The American Tradition Introduction

In today's digital age, the availability of Appointment At Armageddon Muckraking And Progressivism In The American Tradition books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Appointment At Armageddon Muckraking And Progressivism In The American Tradition books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Appointment At Armageddon Muckraking And Progressivism In The American Tradition books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Appointment At Armageddon Muckraking And Progressivism In The American Tradition versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Appointment At Armageddon Muckraking And Progressivism In The American Tradition books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're

a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Appointment At Armageddon Muckraking And Progressivism In The American Tradition books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Appointment At Armageddon Muckraking And Progressivism In The American Tradition books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Appointment At Armageddon Muckraking And Progressivism In The American Tradition books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Appointment At Armageddon Muckraking And Progressivism In The American Tradition books and manuals for download and embark on your journey of knowledge?

FAQs About Appointment At Armageddon Muckraking And Progressivism In The American Tradition Books

1. Where can I buy Appointment At Armageddon Muckraking And Progressivism In The American Tradition books?
