Apprenticeships T. Jeffers,2005-05-05 Novels about growing up have long been loved by ordinary readers and analyzed sometimes with more heat than light by scholars This book respects the interests of ordinary readers while clarifying and frequently resolving the moral psychological social and occasionally religious coming of age dilemmas that scholars have wrestled with Focusing on Goethe s Wilhelm Meister Dickens s David Copperfield James s What Maisie Knew Forster s The Longest Journey Lawrence s Sons and Lovers and Santayana s The Last Puritan Jeffers writes in a fresh engaging style meant to give criticism a liveliness and even brilliance it has in recent decades often lacked The Apprenticeship to Love R. Phillip Colon,2009-06-16 Reentering the dating scene after a painful divorce or the end of a long term relationship can be difficult if not downright daunting Though there are numerous how to guides on how to navigate the dating world The Apprenticeship to Love is dramatically different Why It can help you find the right person at the right time Based on a simple step by step program specifically tailored to the love challenged this groundbreaking work will teach you how to look for and find a healthy fulfilling viable life partner while having fun and making new friends in the process Utilizing the principles of focused effort incremental success and social networking youll learn how to meet and date three members of the opposite sex who will become potential candidates in your search for a mate Dr R Phillip Colon makes the program easy to learn Once you develop a better understanding of what qualities characterize your life partner you will replace your first candidates with new ones several times until you find the person meant for you By learning and applying new social emotional and interpersonal skills youll soon access higher level more suitable contenders and at the same time ready yourself for better relationships through personal growth Love doesnt have to be complicated or agonizing Find your happily ever after with The Apprenticeship to Love *The Apprenticeship Novel* Randolph P. Shaffner,1984 The idea that a young person can become adept in the art of life by passing through definite stages until at last he becomes a master lives at the core of the apprenticeship novel Recognized among German critics as the Bildungsroman this type of novel has yet to be adequately defined on a grand scale for the English reader despite nearly two centuries of its development In an attempt to describe the apprenticeship novel as a modifiable type in Western literature Mr Shaffner combines a theoretical stance with analyses of three concrete examples drawn from over a hundred potential candidates Finding List of the Apprentices' Library ... General Society of Mechanics and Tradesmen of the City of New York. Free Library,1889 Artful History Aaron Sachs,John Demos,2020-02-18 A collection of memorable stirring and eloquent historical essays designed to help any historian write

more artfully Is there any reason that serious historical scholarship cannot receive literary expression Isn't it possible that the most committed empiricists and postmodernists might both achieve better results by thinking of writing as a craft rather than just a means of packaging research This book compiles some of the most compelling efforts to make history writing eloquent stirring and memorable in the realms of both practice and theory The authors included here prove the great potential of approaching the writing of history as a literary art even as they retain a commitment to rigorous scholarship The collection shows how historians can aspire to find a form that matches and enhances their substance nudging readers toward what historian John Clive called the spell that lingers in the memory and is conducive not just to reading but to rereading With selections from Jonathan Spence Simon Schama Saidiya Hartman Wendy Warren Jill Lepore Louis Masur Jane Kamensky and John Demos among others
