## **Approaches To Curriculum Management:**

*Approaches to Curriculum Management* Margaret Preedy, 1989      **Towards Innovative Ways of Managing Curriculum in Rural Secondary Schools in the Twenty-First Century**, 2023-02-17 The majority of South African principals believe that subject heads and Heads of Departments should be in charge of curriculum and teaching monitoring Due to this impression curricular management by principals does not support teaching and learning According to the KZN department of education s study from 2015 on curriculum management and delivery plan principals now spend more time on administrative responsibilities and learner discipline than on topics related to instructional leadership This book emphasizes how major social and economic development in rural areas is necessary in order to achieve actual quality education Until then the educational options available in rural areas will restrict people s ability to live long productive lives and to learn and experience freedom dignity and self respect Contributors are Bongani Thulani Gamede Samantha Govender Nontobeko Prudence Khumalo Azwidohwi Kutame Mncedisi Christian Maphalala Rachel Gugu Mkhasibe Dumisani Wilfred Mncube Ramashego Shila Mphahlele Fikile Mthethwa Edmore Mutekwe Nokuthula Hierso Ndaba Thandiwe Nonkululeko Ngema Phiwokuhe Bongwiwe Ngubane Sindile Ngubane and Dumisani Nzima      **ICIS 2020** Mukhibat ,Khoirul Fathoni,Fitra Rizal ,Andistra Candra Yusro,Robbi Rahim ,2021-02-03 As an annual event The 2nd International Conference on Islamic Studies ICIS 2020 continued the agenda to bring together researcher academics experts and professionals in examining selected theme by applying multidisciplinary approaches In 2020 this event will be held in 27 28 October at IAIN Ponorogo The conference from any kind of stakeholders related with Islamic Studies Education Political Law and Social Related Studies Each contributed paper was refereed before being accepted for publication The double blind peer reviewed was used in the paper selection      **Empowering Educators: Insights From Succession Planning To Classroom Management** Kazi Enamul Hoque,Ahmad Zabidi Abdul Razak,Intan Marfarrina Omar,2025-04-29 This book provides an in depth exploration of education management EM across primary secondary and higher education levels It covers essential aspects such as human resource planning teacher recruitment training and development as well as compensation packages and discipline management The book delves into staff safety relationships between educational managers and teachers as well as retirement rules and benefits Additionally it explores the role of digitalization in enhancing EM functions The book specifically examines performance management discipline and retirement in education using examples from countries such as the Maldives and Malaysia It concludes with insights into the growth of educational organizations and strategic EM as non functional activities Through its comprehensive scope this book aims to guide educators and managers to foster successful learning environments      **Practical Approaches to Curriculum Development** David C. Gardner,Grace Joely Beatty,1979      **An Integrated Approach to Curricular Contents** Muşata Bocoş,Vasile Chiş,2013-07-16 An Integrated Approach to Curricular Contents Particular Features for Primary Schools is closely related to the elements constituting the educational

and curricular reform in Romania The content integrated approach enables the student to undergo a complete development both on a personal and social level Competences are acquired and developed in a progressive manner through interactive and cumulative processes leading to both specific competences pertaining to a certain discipline and transdisciplinary competences competences that cross several disciplinary boundaries Currently the curricular integrated approach paradigm within the Romanian educational system is reflected in an explicit manner at the level of educational policies A new evaluation system has been laid down and promoted through the National Education Law no 1 2011 which will lead to the optimization of the whole Romanian educational system This law conceives and promotes a new evaluation system that will lead to the reconstruction and consolidation of an integrated vision pertaining to both the process of teaching learning evaluation and the optimization of the whole Romanian educational system As such the present work provides answers to some educational policy challenges and reflects on curriculum policy and educational enforcement It will be of great use and interest to curriculum scholars to primary school teachers and to teacher trainees The work has a pragmatic feature emphasizing both the authors thoughts and the knowledge gained throughout vast experience of teaching Moreover certain concrete and validated practical teaching methods are provided in order to design the integrated activity sequences at primary school level among which an emphasis on certain curricular aspects that are useful within an integrated approach represents the original feature of the present work and a practical feature of integrated knowledge

**Resources in Education** ,1997 **Implementing Change from Within in Universities and Colleges** Maria Slowey,2012-12-06 This volume describes the experiences of a number of middle managers in higher and further education describing how new developments have demanded new forms of leadership at the

middle level of educational institutions      **Approaches to Teaching and Learning** Ron Babbage, Helen Redding, Richard Byers, 2013-10-28 First published in 1999 Increased levels of interest in inclusive education for pupils with learning difficulties are set to continue and while much progress has been made challenges remain in promoting full and meaningful participation for these learners This book focuses therefore on the teaching and learning and processes which will facilitate organisational and curricular inclusion for pupils with learning difficulties within day to day classroom practice using their understanding of current theory the authors provide practical approaches to the analysis of teaching methods used with pupils with learning difficulties and the learning preferences strengths and areas of challenge of individual pupils They also discuss the various factors which impinge upon the development of more inclusive provision These approaches will provide practical help to all those working with pupils with learning difficulties in a variety of contexts The book will also appeal to those responsible for staff and school development including the changing roles of specialist teachers and special schools and for developing policy and practice with regard to inclusion      Managing Professional Development in Schools Sonia Blandford, 2012-11-12 The importance of professional development for teachers cannot be overstated In recent years there has been much debate on how to raise standards in schools and it is now recognised by theorists policy makers and practitioners that the professional development of teachers is an important factor in this context For professional development co ordinators and senior management knowledge and understanding of the nature of professional development roles and human resource management theories will provide a framework for practice This book includes chapters on managing professional development in a human resources context government policy initial teacher training the school development plan appraisal middle management leadership skills It will be of interest to co ordinators of professional development in schools and across local education authorities and to anyone who is part of a school s senior management team      *Managing the Curriculum* David Middlewood, Neil Burton, 2001-04-28 Each chapter in the book is firmly rooted in research and is well referenced as one would expect of such a book It will be of particular use to people with an academic interest in this aspect of school management but will also be thought provoking for those who are involved in the development of the curriculum within their institution escalate This book explores many of the new aspects of the core business of schools and colleges that is the curriculum Keeping the focus clearly on learning and teaching the contributors explore the practical issues for managers at institutional level within the context of their need to understand and analyze key educational values and principles Part One presents overviews of theories and models of curriculum while Part Two examines how these are applied through planning monitoring and evaluating Part Three explores in detail the various managerial roles within schools and colleges from leaders to those responsible for cross curriculum work and special educational needs The fourth part discusses the importance of effectively managing resources for the curriculum the environment support staff and finance Contributors use empirical research evidence to analyze current curriculum trends whilst proposing various new

models which are likely to emerge in the 21st century      *Conference Proceedings. New Perspectives in Science Education* Pixel,2017      *Leadership Approaches to Negotiate Challenges in a Changing Education Landscape* Leentjie van Jaarsveld,Kobus Mentz,Charl C. Wolhuter,2020-12-31 The argumentative point of departure of this scholarly book is the common conviction of specialists in the field of education in South Africa that the national education system is not at a satisfactory level in both the academic and the public discourse Such allegations are made and frequently stronger adjectives than non satisfactory are used Results of international test series in which South Africa has participated such as the 2015 TIMSS tests confirm the negative verdicts found in the public and scholarly discourse This book aims to argue that although the lack of performance could be attributed to a multiplicity of factors one factor that can make a difference in the achievement levels obtained by learners in schools is leadership The book demonstrates that a particular problem of both the scholarly and the public discourse on education in South Africa is an overtone of defeatism or resignation blaming all ills in the education system and educational institutions on historical legacies and or contextual factors such as socio economic deprivation in the catchment areas of schools or poor resources and infrastructure This collected work was inspired by a recently published spate of articles on top performing schools including top performing schools in rural communities in which it was demonstrated that good leadership can overcome such contextual and other challenges The book unpacks the issue of leadership in South African schools from a variety of perspectives thus contributing to the development of the scholarly discourse on Educational Leadership in South Africa The target audience of the book is scholars of Educational Leadership The research reported in the chapters draw on a wide range of methodologies including empirical survey research questionnaires and interviews critical literature surveys and the comparative method      The Principles and Practice of Educational Management Tony Bush,Les Bell,2002-08-09 The Principles and Practice of Educational Management contains newly commissioned material from leading national and international authors who provide a review of relevant theory and explain relevant research in the field      Reshaping the Landscape of School Leadership Development Philip Hallinger,2003-01-01 Reshaping the Landscape of School Leadership Development A Global Perspective traces developments in this arena as they evolved since 1980 The book is comprised of chapters authored by the leading scholars in the fields of educational leadership and school leadership development from the United States Canada Europe Asia and Australia The vol      Curriculum Development and Evaluation ,2024-12-30 Much has been written about successful curricula for of the fourth Fifth Industrial Revolution 4 5IR The written work has been dominated by a contestation between content driven approaches professional needs and outcomes driven approaches societal needs The contestation between these approaches misses the production of conclusive curriculum components that underpin a successful digitalised curriculum for of the 4 5IR The contestation further misses a pragmatic curriculum which is capable of addressing individual unique needs As such this book concentrates on curriculum components that underpin a successful digitalised curriculum for of the 4 5IR It further discusses

curriculum components for of a pragmatic curriculum that harmonises between the two dominating approaches Contributors are Bongani Boy Dlamini Reuben S Dlamini Terrie Jwan Sella Simon Bhekumuzi Khoza Dumisa C Mabuza Makhulu A Makumane Dumsani W Mncube Cedric Bheki Mpungose Sandile Ngcobo Makhosazana E Shoba and Lerato Hlengiwe Sokhulu
