April The Arrogant Antagonist A Tree McDowell Mystery:

April Karol Birchfield, 2004-05-01 North Louisiana private investigator Tree McDowell expects an easy assignment when a bevy of senior citizens hire her to record sound levels from wild parties given by their obnoxious neighbor Mark Donner. She is happy to help especially after she experiences Donner's insufferable behavior firsthand. But her job begins to interfere with her personal life when her lover Aaron B. Abraham, CPA, takes on Donner's half brother Carlos Navron, a suspected crook, as a client. Tree worries that Aaron B. might get in big trouble with the law or worse if he does business with Navron. But then Tree finds Donner dead and her clients, who have motive and opportunity, are suspected. The police refuse to look further than the seniors, so it's up to Tree to find the real killer. Tree quickly learns that everyone who knew the dead man except his brother and girlfriend wouldn't mind having him out of the way. Tree's list of suspects is long but time is short. One of the seniors is ill with the stress of police suspicion, so Tree makes a deal with unlikely comrades to trap the killer. She soon finds her own life threatened. Will she be the next victim?

April Karol Birchfield, 2004-05 The Believer's Handbook shows that every Believer has a ministry in the Body of Christ. We are to be involved, not just sitting in the pew. All aspects of church life and growth depend upon our functioning as a unit. Some of the most miserable people are Christians wanting to do Jesus' bidding but not knowing what to do. The Believer's Handbook is the answer to their dilemma. It shows what ministries are available, how to discharge these ministries, and the Trinity's involvement in these ministries. It is written for the Christian sitting in the pew and wanting to be involved in church work, for the new convert beginning an exciting life in Christ, and for the Five Fold Ministry as a teaching tool in their ministry. The Believer's Handbook reveals important aspects of church growth and the spiritual maturing of the Saints in a clear, simple teaching format.
