Donald,2016-02-29 Incomparable Genius is a poetry book There is no continuous theme to the book style or rhythm of the poetry The poems are differently structured from one another they have been placed into nine circles though they are in no specific order apart from the trilogy entitled KMK Trilogy The illustrations in the book where given as a task for artists to complete the artists were each given three poems to read and illustrate how they made them feel In total the book has taken 8 years to complete with the poetry inside being written between 2007 2015 Incomparable Genius is to be read however you like back to front start in the middle and read outwards upside down there is no real start or end to the book The poetry has been made to share love humour sadness a wide mixture of emotions Choices, Changes & Friends Alice Parker,2017-08-10 In the tumultuous 1970s four twenty five year old female friends Beth Connie Michael and April newly divorced with children had no idea how their lives could change so radically and so quickly The somewhat ordinary Chicago suburbanite housewives became willing participants in escapade sex some drugs and more alcohol than needed They liked men just not the ones theyd been married to and though not fully fairy tale dreamers a little romance would be nice They experimented dating men not acceptable before tried some drugs often drank too much but danced their cares away With new male attention they grew more brazen and confident exploring the gamut of men for dalliance or clandestine Also some bikers and even a mnage trois with a famous movie star for Connie and Beth that empowered them more than expected all about laughing and learning They took college classes

started a house cleaning service and thought about their changes as the friendships shifted Dilemmas and decisions of children choices real careers and the biggie of remarriage came up with a sense of wiry satire and sarcasm in situations to handle whatever hit them Life separated them when Beth and April moved out of States then Beth overseas still they reunited frequently Twenty plus years later they became definitely changed women in so many different ways Yet some things did not change how they supported each other through thick and thin and other circumstances that would have torn weaker women apart Their history together was the foundation that kept them moving forward through lifes harshest realities They changed their lives and encouraged many other women to do the same sharing their experiences of the wild and crazy times of their younger years
