Practical Basis of the Religion of the Aquarian Age of the World and of The Church Universal** Levi H. Dowling,
What is an Age Astronomers tell us that our sun and his family of planets revolve around a central sun which is millions of
miles distant and that it requires something less than 26 000 years to make one revolution His orbit is called the Zodiac
which is divided into twelve signs familiarly known as Aries Taurus Gemini Cancer Leo Virgo Libra Scorpio Sagittarius
Capricorn Aquarius and Pisces It requires our Solar System a little more than 2100 years to pass through one of these signs
and this time is the measurement of an Age or Dispensation Because of what Astronomers call the precession of the
Equinoxes the movement of the sun through the signs of the Zodiac is in order reverse from that given above Exact Time of
the Beginning of an Age Regarding this matter there is a disagreement among astronomers but in this Introduction we are
not called upon to give the reasons of the various investigators for their opinions there are enough well authenticated facts
for our present purposes It is conceded by all critical students that the sun entered the zodiacal sign Taurus in the days of
our historic Adam when the Taurian Age began that Abraham lived not far from the beginning of the Arian Age when the sun
entered the sign Aries About the time of the rise of the Roman empire the sun entered the sign Pisces the Fishes and the
Piscean Age began so that early in this Age Jesus of Nazareth lived What is the Piscean Age This question requires further
consideration The Piscean Age is identical with the Christian Dispensation The word Pisces means fish The sign is known as a
water sign and the Piscean Age has been distinctly the age of the fish and its element water In the establishment of their
great institutions John the Harbinger and Jesus both introduced the rite of water baptism which has been used in some form

in all the so called Christian Churches and cults even to the present time Water is the true symbol of purification Jesus himself said to the Harbinger before he was baptized All men must be washed symbolic of the cleansing of the soul Aquarian Gospel 64 7 Fish was a Christian Symbol In the earlier centuries of the Christian Dispensation the fish was everywhere used as a symbol In his remarkable book Christian Iconography Didron says The fish in the opinion of antiquarians generally is the symbol of Jesus Christ The fish is sculptured upon a number of Christian monuments and more particularly upon the ancient sarcophagi It is also upon medals bearing the name of our Savior and also upon engraved stones cameos and intaglios The fish is also to be remarked upon the amulets worn suspended from the necks by children and upon ancient glasses and sculptured lamps Baptismal fonts are more particularly ornamented with the fish The fish is constantly exhibited placed upon a dish in the middle of the table at the Last Supper among the loaves knives and cups used at the banquet In the writings of Tertullian we find this statement We are little fishes in Christ our great fish The last two thousand years comprising the Piscean Age has certainly been one of water and the many uses of that element have been emphasized and sea and lake and river navigation has been brought to a high degree of efficiency What is the Aquarian Age The human race is today standing upon the cusp of the Piscean Aquarian Ages Aquarius is an air sign and the New Age is already noted for remarkable inventions for the use of air electricity magnetism etc Men navigate the air as fish do the sea and send their thoughts spinning around the world with the speed of lightning **The Greatest Story Never Told** G.
