The Ark on Ararat Tim LaHaye, John David Morris, 1977 The Quest for Noah's Ark John Warwick Montgomery, 1972
A treasury of documented accounts from ancient times to the present day of sightings of the Ark and explorations of Mount Ararat with a narration of the author's successful ascent to the summit of Noah's mountain *Noah's Ark and the Ararat Adventure* Master Books, John D. Morris, 1994 This unique family book was written by an explorer of that famous mountain A thrilling tale of danger daring and discovery this book contains actual photographs of Mt Ararat and detailed drawings of eyewitness sightings of Noah's ark The Explorers of Ararat and the Search for Noah's Ark B. J. Corbin, 1999 This book is a compilation of accounts written by experienced explorers who have searched for Noah's Ark since the 1960's Each explorer conveys his unique experiences and insights regarding the search The Ark Discoveries Richard Carl Bright, 2021-12-06
The Bible and Hebrew texts tell us The Bible tells us in Genesis 8:4 that the ark rested upon the mountains of Ararat Hebrew text tells us the ark came to rest on the mountains of Ararat There are no vowels in original Hebrew text so Ararat translated to Urartu and later to Ararat Research tells us the area extended from southeastern Turkey across the present border into Iran and north to include most of present day Armenia to the southwest corner of Georgia then southwest to about the present city of Malatya and back southeast and south of Lake Van and southeast Turkey It covered much of the eastern 1/3 of the present day Turkey Mount Ararat is within that general area Additional research that includes the time when Genesis is understood to have been written by Moses 1400-1450 BC indicates that the Urartu Kingdom may have included the area into what is now Northern Iraq and to Historic Assyria Additional research using Wikipedia tell us Assyrian sources from early 1300 BC have the Urartu Kingdom in the vast mountainous regions southwest of the Black Sea and Southwest of the Caspian Sea Mount Ararat is within that general area If the mountains of Ararat or Urartu has included such a large area or areas over the centuries then since there has been no verifiable discovery that has been proven to be a large structure of a great age It can be understood why some researchers are of the opinion that Mount Ararat may not have been in the area of Urartu at the time of the writing of the book of Genesis or the ark did not land on Mount Ararat but on another mountain within the vast area Some other mountains suggested by those who have varied opinions are mentioned in chapter 17 There is also the belief by some that Mount Ararat is a post flood mountain This rationale is pursued despite the many reports more than 40 of an ark sighting on Mount Ararat A question here given regarding the landing place of the ark may be Was Mount Ararat in the Urartu Kingdom at the time Genesis was written You have read this book you know my position on the position of Mount Ararat when the ark landed and when Genesis was written It certainly was in the Urartu Kingdom in the 9th century BC which later succeeded to the Armenians in the 6th century BC but was Mount Ararat included in the mountains of Ararat Gen 8:4 when the book of Genesis was written Moses is understood to have written the book of Genesis Henrietta C Mears chapter 9 foot note 13 says the book of Genesis closes about 300 years before Moses was born Moses could have only

received the information to write the book by a direct revelation from God or by historical records If historical records were involved where did the records come from She writes No doubt it was written long before by Abraham Noah or Enoch who knows Dr Henry Morris agrees also chapter 9 footnote 14 and adds that oral traditions handed down over the centuries may have been involved here too God shared the records with Moses in whatever manner he chose to do so The Word of God is truth As far as Mt Ararat being a post flood mountain as some seem to believe Dr John Morris Dr Tim LaHaye and other scientists tell us the mountain was pre flood and grew to its greatest height with all the geological activity that took place during the flood Chapter 9 Turkish geologist Dr Bayraktutan has located what are believed to be basement rocks that give proof that Mount Ararat was pre flood Who We Are section A question may be What area did the Urartu Kingdom occupy long before Moses arrived on the scene Wherever the area was I am of the belief that Mount Ararat was included in that area that would be known as the mountains of Ararat at the time the ark landed on it I have personally talked with at least 6 people who have seen or have personal knowledge of the ark on Ararat They are the Reverend Vince Will who saw it from an aircraft in WWII Ed Davis who during WWII was taken to see the ark by Kurds from his base in neighboring Iran two 2 Kurdish shepherds who told me they saw part of a large structure Dudley Thomas who held a top secret security clearance and saw satellite photographs and classified information in the Science and technology Highlights classified journal when in the navy and Saim Sahin who was taken to the ark and was able to touch it Their stories are in chapters 5 and 17 as well as in Who We Are and the Sketches and Photo Sections A complete study of the Urartu Kingdom can be seen here https://www.noahsarksearch.com/Urartu_Ararat_Boundaries.pdf *The Counter-Creationism Handbook* Mark Isaak, 2007-01-12 Those opposed to the teaching of evolution often make well rehearsed claims about science that sound powerful and convincing This work seeks to serve as a resource for addressing over 400 of the most prevalent claims made by creationists Each claim is followed by a scientifically valid rebuttal **Full Moon Over Noah's Ark** Rick Antonson, 2015-09-26 Rick Antonson joined a five member expedition to the 5 167 metre summit of Mount Ararat the most fabled mountain in the world He traces the earliest mountaineers seeking to scale Ararat initially drawn by eyewitness accounts of Biblical Ark sightings and later for the simple quest of conquering the seemingly unconquerable *The Quest for Noah's Ark*, 1974 **Foes From the Northern Frontier** Edwin M. Yamauchi, 2003-04-15 Are there any biblical references to territories in what is today the country of Russia The author's answer is yes but Ezekiel's reference to Rosh and Meshech is not one of them In a thoroughly documented discussion the author describes the Uritians Manneans Cimmerians and Scythians Three of these northern foes of Israel are referred to by Jeremiah in 51:27 the Cimmerians by Ezekiel 38:6 with the exception of Egypt writes the author almost all of Israel's enemies came from the north though from the viewpoint of a modern map many of these came ultimately from the east The Urartians occupied what is now Soviet Armenia southeastern Turkey and northwestern Iran The Manneans lived south of Lake Urmia between Urartu and Assyria The Cimmerians first appeared in the steppes north of the

Caucasus then crossed the Caucasus and eventually invaded Asia Minor The Scythians were nomadic tribes from the Russian steppes some of whom settled in the Ukraine north of the Black Sea others east of the Caspian But what of Rosh Meshech and other names in Ezekiel 38 2 Is Rosh Russia and Meshech Moscow Rosh cannot possibly be related to Russia insists the author Nor can the terms Gog and Magog no proposed identification for which has yet to win universal consent Meshech and Tubal on the other hand have been located for certain in central and eastern Anatolia **Quest for Discovery** Richard Carl Bright,2001-09-01 In 1985 researchers found Titanic resting on the ocean floor and the international buzz continues Now is there evidence that the worlds other famous ship is perched on the snowy slopes of turkey s Mt Ararat Is Noah s ark myth or reality Veteran explorer Richard Bright has spent two decades investigating the claims for the wooden vessel mentioned in the Bible Over a dozen expeditions to the site and countless hours in research make Bright an authority on the ship Genesis says preserved the life of eight humans and a cargo of animals during a global cataclysm This incredible book details the dramatic climbs political intrigue and sheer danger involved in a quest for the greatest archaeological treasure of all time Never before seen photographs expedition accounts and persuasive evidences point to a massive manmade abject hidden on remote Mt Ararat Read Quest for Discovery and make up your own mind *More Than an Ark on Ararat* James Benson Irwin, Monte Unger, 1985

Evidences for God and His Creations: Nature, the Flood, and the Bible Dr. T. J. Tofflemire, 2011-07-21 This book provides summary apologetics from about 200 references It is unique in that many authors with differing viewpoints are put together in brief key point summaries Some of the books covered are 1100 pages long The original authors views are briefly integrated and compared The different views of creation are also discussed and compared and given a open minded weighing Are you concerned about the fact that 70% of our youth no longer attend church and do not have a biblical world view The naturalistic or humanistic world view they adopt from schooling favors the following 1 Man evolved from primates and is a biological machine with no purpose 2 There is no source of true morals and thus morals are relative and determined by whatever a given group decides or whatever is most popular 3 Since man is only an animal there is no basis for individual human rights only rights for the masses There are some good arguments provided in the book to counter all of this and provide a biblical world view These arguments are brief and easy to share in witnessing situations
