Joyner Drolsum, 2007-04-01 All scripture is given by inspiration of God and is profitable for doctrine for reproof for correction for instruction in righteousness 2 Tim 3 16 According to this verse the bible is a divinely inspired moral guide However the critical analysis of Scripture that comprises the contents of this book clearly demonstrates that this claim is invalid for a number of reasons For example the multiple contradictions and absurdities contained in the bible confer an unreliability upon it that undermines its function as a guide for anything let alone moral decision making Furthermore many of the ideas it promotes are actually spiritually harmful And unless the misogyny violence intolerance injustice and cruelty can be removed then it is difficult to view the Scriptures as even remotely resembling an unassailable divine guide to ethical conduct Moreover the many errors that it contains including those about the natural world obviates the claim that the bible is divinely inspired In the course of using the verses themselves in discussing such topics as biblical errancy bible based morality the nature of the biblical god the nature of a religion based on the bible and the bible s stance on science nature and truth it will be shown that any belief that it is either divinely inspired or a trustworthy guide to right living is both misguided and delusional In addition the insights of such thinkers as Nietzsche Feuerbach Spinoza Shakespeare Euripides Dostoyevsky Camus Sartre Maugham Augustine Aquinas Twain Chaucer Einstein Freud Ingersoll Mencken and others will be used to illuminate the true character of the bible that it is a far more profane than sacred book *Impossible Extinction* Charles Cockell, 2003-03-03 Table of contents Eat Like Jesus Andrew L. Solving the Mystery of the Biblical Flood William Scott Anderson, 2001-11 This is a very unique book that for the first time puts forth a new theory on how a recent global flood as described in the Bible may have occurred that is both plausible and scientifically sound The

author treats Noah's flood as a scientific mystery story which he then proceeds to solve by examining the clues found in the geological record and human history building a theory that is in harmony with the biblical record of an earth wide deluge and with what we know about the geology of the earth In this detailed and well referenced book common objections to the biblical deluge are examined and answers are found that satisfy both a literal interpretation of scripture and a scientific examination of the facts This book is compelling as the author proves what many have come to view as mere myth is actually a historical event well supported by scientific evidence The author also presents the results of his research on detecting recently deposited micro marine fossils left by the flood in soil samples Presenting solid Paleoclimatological evidence of the deluge this book may require rewriting many currently used textbooks Sure to be considered very controversial this is a must read for any one interested in geology or the biblical deluge Written for the general public and the more geologically inclined as well this book is a seamless merging of a literal reading of Genesis with what geology knows about the earth 305 pages 20 B W illustrations index *The Medical and Surgical Reporter* ,1882 [Animals of the Bible](#) Mary Hoffman,2003 Presents nine retellings of Old Testament stories in which animals play an important role including God's creation of animals Noah's Ark Elijah's ravens and Daniel in the lion's den *God's Love and Promises: Bedtime Bible Stories for Young Hearts* Mary Jane Coy,2023-07-10 God's Love and Promises Bible Stories for Young Hearts is a children's book that introduces young readers to the amazing stories of the Bible Each story is carefully crafted to captivate the imaginations of children and to help them understand the love and goodness of God Through engaging narratives children will be introduced to Adam and Eve Abraham and Sarah Moses and more Along the way they will learn important lessons about courage faith forgiveness and love As children listen to these stories before bedtime they will be encouraged to look toward God and his wonderful works to guide them throughout their lives This book is the perfect way to introduce young children to the Bible and to help them lay a foundation for a lifelong relationship with God
