Armageddon Virus:

The Armageddon Virus Robert Gallant, 2017-12-07 **Song of Freedom** Judith Moore, 2003-02-01 Judith Moore knew she had been brought up by loving parents. Before age 40 she had no memory of childhood trauma although she knew she had been sick a lot more than most people but it wasn't until she joined an incest survivors group to help her adopted daughter that the memories began surfacing. In this brave and groundbreaking work Judith Moore shares her shattering revelations of the reality of HIGH LEVEL MIND CONTROL. She opens the pages of her journal and the innermost feelings of her heart to share with the reader her JOURNEY TO WHOLENESS and to healing. Her early environment rich in NATIVE AMERICAN FOLK LORE helps her in her quest. With the help of caring professionals she researches, travels, investigates and meditates in an effort to set herself free to reclaim her very sense of herself as a person. Her search leads her into terrifying unknown territory and ILLUMINATING DISCOVERIES about her own psyche and that of today's society as a whole.

Origins of the Universe, Life and Species Plammoottil Cherian, 2018-03-22 The relationship between science and theology has been a crisis for humanity since Darwin's publication of *Origin of Species* that affects the very core of scientific and Biblical truths with serious consequences. In this detailed and absorbing book Dr Cherian provides astounding facts of science that were deciphered in the last 500 years each of which is recorded in the Biblical Scriptures. Heeding back to the Biblical account of creation Dr Cherian takes the readers from the erroneous notion of the origin of the universe without a cause and abiogenesis as the source of life to the latest scientific discoveries that corroborate the Biblical evidence for divine creation of the universe, life and species that dispel Darwinian evolution. *The Origins of the Universe, Life and Species* sheds much light for a better understanding of the Scriptures that were hidden to many scientists, researchers and students to relate the scientific discoveries that reveal the Biblical truths for a better appreciation of the unknown God who reveals himself through the many scientists and their discoveries. Dr Cherian uses all branches of science from astronomy to zoology connecting the dots between science and theology that stretches from the highest of heavens, outer space to the deepest of ocean floor revealing the unknown God to be the KNOWN GOD.

Realms Unreel Audrey Auden, 2011-11-22 A man bound to a mythic past. A girl chasing digital dreams. A love that defies the boundaries of reality. In the ancient realm of Dulai, master craftsman Dom Artifex is shattered when Ava, the woman he loves, vanishes into the underground river in pursuit of an otherworldly vision. Bound by a covenant with the mysterious Voice in All, Dom begins a centuries-long quest to find her again across timelines, across worlds, across death itself. On a near future Earth, Ava is reborn as Emmie Bridges, the youngest child in a family of brilliant inventors. Growing up alongside the alternate, an immersive virtual reality where memories, identities and realities are shaped by code, Emmie dreams of building something that lasts. When she's invited to join a groundbreaking project, her future seems limitless. But when tragedy shatters her world and Dom reaches out to help her, Emmie begins to question everything she thought was real. As their connection deepens and forgotten truths resurface, she must choose.
