Armor Attacks The Tank Platoon An Interactive Exercise In Smallunit Tactics And Leadership:

Armor Attacks: The Tank Platoon John F. Antal, 2020-08-31 Extremely clever part tactical decision game TDG part combat adventure page turner and part The Defense of Duffer's Drift Capt Randall P Newman USMC In this unique interactive story you are the leader of a U S Army M1 Abrams tank platoon Throughout the text you ll have an opportunity to make life or death decisions and the events that unfold will be dictated by the choices you make As you progress through the book you ll learn important tactical and operational lessons Whether or not you are or want to be a tank platoon leader you ll find this book both highly entertaining and instructive There are two operations to survive an assault and a counter reconnaissance mission In each you must bring your knowledge and judgment to bear on the scenario in order to achieve the objective If you choose wrong defeat and even death may be your fate If you succeed you can savor the taste of victory and live to fight another day The scenarios are highly realistic and there are maps and appendices with detailed specifications of the hardware involved to help you make informed decisions Written before Operation Desert Storm and published in 1991 Armor Attacks may feature military technology that's dated by today's standards but the need for human leadership and effective rapid decision making has not changed Armor Attacks was recognized as an invaluable teaching tool by United States Military Academy West Point and was used to teach cadets the essential skills of leadership decision making and tactics a decade of USMA leaders trained with this book To supplement the original text this new edition includes the West Point instructor reference guide which explains and amplifies the teaching points of each scenario encountered 7

Leadership Lessons of the American Revolution John Antal, 2013-09-27 A leadership book written by a real leader eminently useful for those in command of organizations of any kind A stimulating five star work Ralph Peters New York Times bestselling author This book tells the dramatic story of seven defining leadership moments from the American Revolution as well as providing case studies that can improve your leadership at home business in your community in the military or in government Leadership is not about position it is about influence You can be a leader no matter what your rank or position It is not about power it is about selflessness You cannot be a good leader unless you can also be a good follower Good leaders don't shine they reflect Lessons like these are the core of this book The stories in this book are about leaders who were challenged at all corners adapted improvised and overcame The tales of leaders like Samuel Adams Patrick Henry Henry Knox Benjamin Franklin and George Washington to name a few are stories you will want to know and tell These leaders knew how to push teams to succeed under the toughest conditions These stories will come alive on the pages of this book to fuel your leadership fire and make you a better leader in any endeavor Learn how they secured our liberty so you can transform today into a better tomorrow John Antal has captured seven timeless stories that will raise your leadership awareness and make you a better leader in peace or war at home at work or in your community Steven Pressfield bestselling author of 36 Righteous Men **Army Officer's Guide** , 2023-10-17 The Army Officer's Guide is the crown jewel of Stackpole

s military reference line First published in 1930 this guide has been continuously revised since then and has become the gold standard reference for the U S Army s officer corps especially the new second lieutenants commissioned into the army out of West Point and ROTC programs This edition has been thoroughly revised and updated with the latest information on leadership training military justice promotions benefits counseling soldiers physical fitness regulations and much more everything the officer needs to know in order to do his job well to advance his career to navigate the military and to guide his soldiers on and off the battlefield Topics include How to train lead and counsel troops effectively Tips on how to move along your career as an NCO by continuing education training and professional development Information about all the regulations NCOs need to be aware of in carrying out their jobs And much much more Stackpole has been guiding military officers and soldiers for more than 80 years Our guides still offer the best advice in the business better than any other book better than the internet Military Review ,2000 **Professional Journal of the United States Army** ,1999 *Armor* ,1992

The Army Officer's Guide Keith E. Bonn,1999 This is the definitive guide to what the Army expects from its officers in leadership technical skills and character and what every officer junior or experienced needs to know to succeed in the Army of the 21st century It is packed full of information on regulations professional development academic opportunities organization and missions pay and benefits family services military courtesies and customs and professional and social life

Army ,1991 *Armored Forces* Robert M. Citino,1994-10-21 This volume analyzes the development of tanks and traces their history from the British attack at Cambrai in 1917 during World War I through the AirLand Battle of Operation Desert Storm in 1991 This text gives a short history of the rise and development of armored warfare in the 20th century an assessment of the significant literature on tank doctrine and an evaluation of the role of prominent commanders theoreticians and tacticians A chronology of important dates and pictures depicting major changes in tanks across the years enrich this teaching tool and reference guide for teachers and students of military history history buffs and professional soldiers
