an exasperated French general could not counterattack as he desperately reported Regret that my army is in hospital with malaria Malaria also popped up in Korea Vietnam and during Operation Restore Hope in Somalia Often malaria causes more casualties than enemy action A 1772 Dutch force sent to quell rioting slaves in Surinam lost three quarters of its troops to malaria and only a handful to the rebels Bugs in Armor takes the reader on a historical journey of military expeditions and their encounters with a relentless bug the malaria parasite It is also a story of how this confrontation fuelled research that gave the world a better understanding of the nature of malaria its treatment and prevention *Armor in Battle* Robert S. Cameron,2015 **MacArthur's Jungle War** Stephen R. Taaffe,1998 His book tells not only how victory was gained through a combination of technology tactics and army navy cooperation but also how the New Guinea campaign exemplified the strategic differences that plagued the Pacific War since many high ranking officers considered it a diversionary tactic rather than a key offensive *Armor-cavalry* United States. Department of the Army. Office of Military History,1961 This book contains the lineages honors and illustrations of the coats of arms and distinctive insignia of Army and Calavry units of the Active Army and Army Reserve *Argentina and the United States 1810-1960* Harold F. Peterson,1964-06-30 Dr Peterson s book is the first in English or Spanish to encompass the entire sweep of Argentine American relations from the time of Argentina s revolt against Spain in 1810 to the close of its 150th year of independence Through comprehensive analysis and narrative this study illuminates one of the most enigmatic areas of Western Hemisphere relationships From what would seem to be a bewildering array of incidents Professor Peterson isolates the basic undercurrents which mold Argentine policies Internally Argentina s path to stability is shown to be marred by developing social stratification and conflict economic mismanagement and the deep uncertainty of shifts from dictatorship to democracy Internationally the germs of discord with the United States are found in nationalism anticolonialism desire for hemispheric leadership and economic competition Discussed too are the fascinating crucial weaknesses and errors of human leadership in both countries Argentina and the United States 1810 1960 makes an important contribution to an understanding of current as well as historical affairs it greatly helps to explain why in the twentieth century the government and people of the United States frequently face an Argentine problem *Armor-cavalry* Mary Lee Stubbs,Stanley Russell Connor,United States. Dept. of the Army. Office of Military History,1972 **Japanese Tanks 1939-45** Steven J. Zaloga,2011-12-20 The Japanese Army used tanks to great effect in the build up to World War II Inspired by European designs in the 1920s and 1930s an innovative Japanese tank program facilitated their campaigns in China prior to the Pacific War During the ensuing war against the Allies tanks were deployed imaginatively in jungle terrain previously thought impassable by such vehicles being integral in Malaya and the capture of Singapore Steven J Zaloga uses detailed and colorful artwork and photographs to explore these designs explaining their neglect in favor of the naval priorities that left Japanese tanks outmoded by Western designs *The Iron Fist of Battle: America's Armored Might* Pasquale De Marco,2025-07-11 Prepare to embark on an armored odyssey through history
