Security & Arms Control in the North Pacific A. Mack, P. Keal, 2023-05-26 First published in 1988 Security others focus on particular issues the nuclear infrastructure controlling the arms trade confidence building and naval arms control A unifying theme of this collection is the tension between military and non military approaches to security between threat and reassurance and between deterrence and confidence building This comprehensive book is a must read for scholars and researchers of security studies defence studies international politics and diplomacy **Professional Journal of the United States Army**, 1981 *Military Review*, 1988 **Arms Control II** John H. Barton, Ryūkichi Imai, 1980 *Quarterly Review of Military Literature*, 1981 **Rethinking National Security** Frances Scott, 1990 **Department of Defense Appropriations for Fiscal Year 1986: Nondepartmental witnesses** United States. Congress. Senate. Committee on Appropriations. Subcommittee on Defense, 1986 **Department of Defense appropriations for fiscal year 1986** United States. Congress. Senate. Committee on Appropriations. Subcommittee on Defense, 1986 *Arms Control and Disarmament, Defense and Military, International Security, and Peace* Stephen E. Atkins, 1989 **American Studies** Jack Salzman, American Studies Association, 1986-08-29 A major three volume bibliography including an additional supplement of an annotated listing of American Studies monographs published between 1900 and 1988 **The Pacific** Ranginui Walker, William M. Sutherland, 1988 **Department of Defense Appropriations for Fiscal Year ...** United States. Congress. Senate. Committee on Appropriations. Subcommittee on Department of Defense, 1986 *Humanization of Arms Control* Daniel Rietiker, 2017-07-06 2 The use of nuclear weapons as a potential war crime **Parameters**, 1985 **Arms Control At Sea** J Richard Hill, 2024-04-01 Originally published in 1989 this book reviews the history of maritime control measures from before the First World War and provides a critical examination of both the objectives of maritime power and the concepts of disarmament peace zones parity verifiability and peaceful co existence It argues that the objectives or maritime power are not necessarily incompatible with international security and that strategic deterrence can contribute to improved security Limitation measures it is argued can in some cases be double edged endangering other security fields and having a destabilizing effect The book stresses the need for non absolute solutions in order to achieve a reasonable level of security and makes proposals for both structural and confidence building measures along those lines **Normalizing Japan** Andrew Oros, 2009-07-23 Normalizing Japan discusses the future direction Japan s military policies are likely to take by considering how policy has evolved since the Second World War and what factors shaped this evolution **Uneasy Partnerships** Thomas Fingar, 2017-04-25 Uneasy Partnerships presents the analysis and insights of practitioners and scholars who have shaped and examined China s interactions with key Northeast Asian partners Using the same empirical approach employed in the companion volume The New Great Game Stanford 2016 this new text analyzes the perceptions priorities and policies of China and its partners to explain why dyadic relationships evolved as they have during China s rise

Synthesizing insights from an array of research *Uneasy Partnerships* traces how the relationships that formed between China and its partner states Japan the Koreans and Russia resulted from the interplay of competing and compatible objectives as well as from the influence of third country ties These findings are used to identify patterns and trends and to develop a framework that can be used to illuminate and explain Beijing's engagement with the rest of the world *The Nuclear Freeze Debate*

Paul M Cole, William J Taylor Jr, 2019-06-26 From a local ballot initiative in Massachusetts the nuclear weapons freeze movement has grown during the last three years into an important national issue By 1983 Congress had been asked to consider more than two dozen freeze resolutions and more than 25% of the voters in the U S had the opportunity to vote on state wide and regional freeze initiatives This book explores the issues behind the current debate over nuclear weapons and the freeze movement from a wide range of perspectives The contributors assess the goals and implications of the freeze movement examine its origins in religious and secular pacifism explain the amendments to the original freeze proposal introduced in Congress and discuss the reaction and policies of the Reagan administration The nuclear freeze movement is placed in an international context with discussions of recent arms negotiations European views of U S policies and the possible effects of a freeze on NATO allies and on U S national security The book includes a comprehensive annotated bibliography

Survival: June-July 2025 The International Institute for Strategic Studies (IISS), 2025-06-09 *Survival* the IISS's bimonthly journal challenges conventional wisdom and brings fresh often controversial perspectives on strategic issues of the moment In this issue Lawrence Freedman assesses the sufficiency of the British and French nuclear deterrents for Europe in light of Russian revanchism and the United States strategic distancing from Europe Bence Nemeth argues that as speed becomes more critical than funding for European defence front line states in particular should undertake national military preparations before focusing on multinational integration Mariya Grinberg examines how the development of nuclear weapons has discouraged future use of economic warfare Steven Simon appraises Trump's first hundred days and the tenuousness of the American project And eight other thought provoking pieces as well as our regular Book Reviews and Noteworthy column To read free articles from the journal please visit its homepage at <https://www.tandfonline.com/journals/tsur20> Editor Dr Dana Allin Managing Editor Jonathan Stevenson Associate Editor Carolyn West Editorial Assistant Anna Gallagher
