

A portrait of a young man in a military uniform, likely a soldier, with an American flag in the background. The man is wearing a dark uniform with a V-neck collar and a dark beret with a circular emblem. He has a serious expression. The background features the red and white stripes of the American flag on the left and the blue field with white stars on the right.

Matilda Greig

Army Memoirs:

Naval and Military Memoirs of Great Britain Robert Beatson, 1790 *On Military Memoirs* L.H.E. (Esmeralda) Kleinreesink, 2016-10-11 Winner of the Caforio prize for the best book in armed forces and civil military relations published between 2015 and 2016 In *On Military Memoirs* Esmeralda Kleinreesink offers insight into military books who were their writers and publishers what were their plots and what motives did their authors have for writing them Every Afghanistan war autobiography published in the US the UK Germany Canada and the Netherlands between 2001 and 2010 is compared quantitatively and qualitatively *On Military Memoirs* shows that soldier authors are a special breed that self published books still cater to different markets than traditionally published ones that cultural differences are clearly visible between warrior nations and non warrior nations that not every contemporary memoir is a disillusionment story and that writing is serious business for soldiers wanting to change the world The book provides an innovative example of how to use interdisciplinary mixed method cross cultural research to analyse egodocuments *Military Memoirs of Field Marshal* Moyle Sherer, 1830

Military memoirs of ... the duke of Wellington Joseph Moyle Sherer, 1830 *The Military Memoir and Romantic Literary Culture, 1780-1835* Neil Ramsey, 2016-12-05 Examining the memoirs and autobiographies of British soldiers during the Romantic period Neil Ramsey explores the effect of these as cultural forms mediating warfare to the reading public during and immediately after the French Revolutionary and Napoleonic wars Forming a distinct and commercially successful genre that in turn inspired the military and nautical novels that flourished in the 1830s military memoirs profoundly shaped nineteenth century British culture s understanding of war as Romantic adventure establishing images of the nation s middle class soldier heroes that would be of enduring significance through the nineteenth and twentieth centuries As Ramsey shows the military memoir achieved widespread acclaim and commercial success among the reading public of the late Romantic era Ramsey assesses their influence in relation to Romantic culture s wider understanding of war writing autobiography and authorship and to the shifting relationships between the individual the soldier and the nation The memoirs Ramsey argues participated in a sentimental response to the period s wars by transforming earlier impersonal traditions of military memoirs into stories of the soldier s personal suffering While the focus on suffering established in part a lasting strand of anti war writing in memoirs by private soldiers such stories also helped to foster a sympathetic bond between the soldier and the civilian that played an important role in developing ideas of a national war and functioned as a central component in a national commemoration of war *Guarding the Border: the Military Memoirs of Ward Schrantz, 1912-1917* Jeffrey L. Patrick, 2009 Ward Loren Schrantz of Carthage Missouri entered the U S Army in 1912 at a time when military leaders were still seriously debating the future of the horse cavalry He left active military service in 1946 after the United States dropped the atomic bomb on Japan Schrantz served capably at a time when the U S military was undergoing rapid technological and strategic transformation and as a journalist and attentive observer left a vivid personal account of his time in the Army and

Missouri National Guard Editor Jeff Patrick has woven three undated versions of Schrantz's memoir into a single narrative focused on the sparsely documented pre World War I period from 1912 to 1917 thus helping to fill a significant gap in the existing literature Schrantz's memoir is notable not only for the period it covers but also for its lively evocation of a soldier's life during the U S Mexico border disturbances of the early twentieth century Schrantz's account demonstrates the perennial contrast between how soldiers were expected to behave and how they actually behaved it offers colorful and authentic details not usually available from official histories Patrick also has added an appendix consisting of the letters that Schrantz wrote for publication in his hometown newspaper the Carthage Evening Press These documents yield interesting insights into the attitudes and dispositions of U S soldiers during this time as well as the perceptions and opinions of the folks back home Students scholars and others interested in military and borderlands history will find much to enjoy in *Guarding the Border The Military Memoirs of Ward Schrantz 1912 1917*

The Military Memoirs of General John Pope Peter Cozzens, Robert I. Girardi, 2000-11-09 Union general John Pope was among the most controversial and misunderstood figures to hold major command during the Civil War Before being called east in June 1862 to lead the Army of Virginia against General Robert E Lee he compiled an enviable record in Missouri and as commander of the Army of the Mississippi After his ignominious defeat at the Second Battle of Bull Run he was sent to the frontier Over the next twenty four years Pope held important department commands on the western plains and was recognized as one of the army's leading authorities on Indian affairs but he never again commanded troops in battle In 1886 Pope was engaged by the National Tribune a weekly newspaper published in Washington D C to write a series of articles on his wartime experiences Over the next five years in twenty nine installments he wrote about the war as he had lived it Collected here for the first time Pope's war reminiscences join a select roster of memoirs written by Civil War army commanders Pope presents a detailed review of the campaigns in which he participated and offers vivid character sketches of such illustrious figures as Abraham Lincoln and Secretary of War Edwin M Stanton Clearly written and balanced in tone his memoirs are a dramatic and important addition to the literature on the Civil War Originally published in 1998 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

The Army Historian, 1993

Unusual Undertakings James Wilson, 2003-03-19 To find an example of a full and successful yet unconventional military career one need look no further than General Jim Wilson Always an outstanding sportsman Jim found himself in the Rifle Brigade after Oxford just before the Second World War His memoir concentrates on six of his major military endeavors North Africa as a platoon commander followed by the long struggle up through Italy both with the Rifle Brigade After the war he was sent to India and became caught up in the momentous events of Partition and in a position to comment on all the key political and military personalities His career prospered and he was

one of the first commanders of a major peacekeeping operation in Cyprus again closely involved with leaders such as Archbishop Makarios **Army History**, 1995 **Makers of Modern Strategy from Machiavelli to the Nuclear Age** Peter Paret, Gordon A. Craig, Felix Gilbert, 1986-10-30 War cannot be controlled in future without an understanding of its past These essays analyse war its strategic characteristics and its political and social functions over the past five centuries

Esthetic Experiments Marek Wojtaszek, 2014-08-26 Contemporary American landscape is wrought with ongoing processes and phenomena of technicization observable at the intersections of multiple layers of society This book brings to attention their cultural and political aspects emphasizing timeliness and necessity of academic intervention into and evaluation of their specificity and ramifications Presenting critical and analytical account of cultural narratives which define speak of and use diverse technologies of writing sound media representations surveillance war the texts compiled in this volume investigate the coalescence between technological production on the one hand and the textual on the other The idea of the book responds to the current academic appeal inspired by postmodern questioning of the foundations and realized most importantly by deconstruction to dismantle one of the constitutive pillars of Western civilization namely between techne and episteme In their interpretative mode the texts proceed largely experimentally bridging the gap between techne and episteme In doing so they endeavor to reformulate and complexify an experience of American culture The book aims to clarify and exemplify that the junction of text and technology implies that meanings are embedded in a material Consequently the publication introduces and popularizes the assumption that American cultural experience emerges as a genuine experiment of an esthetic nature **Military Memoirs of Four Brothers, by the Survivor [T. Fernyhough]**

Thomas Fernyhough, 2023-07-18 An inspiring tale of courage and sacrifice This book tells the story of four brothers who served in the British Army during World War I and the hardships they faced on the battlefields of France Written by the survivor Thomas Fernyhough the memoirs offer a firsthand account of the brutalities of war and the bond of brotherhood that transcends even death A touching tribute to the bravery of ordinary soldiers This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Disgrace at Gettysburg John F. Krumwiede, 2015-03-18 The Battle of Gettysburg was a scene of roiling chaos Thousands of casualties and an unexpected Union retreat left the field and its soldiers in utter confusion It was in the midst of this uproar that Brigadier General Thomas A Rowley U S A was arrested for drunkenness and disobedience But what really happened on that chaotic day and how did it affect Rowley and those around him in the years to come A military man for

many years Rowley had served during the Mexican War and had worked his way up from second lieutenant to colonel When the fighting began at Fort Sumter he immediately offered his services to the Union Army This volume chronicles Rowley s life up to the July 1 1863 battle that ended his military career with particular attention to the events of that fateful day The author discusses the court martial s questionable guilty verdict and Rowley s reaction to it as well as his role in a confrontation between Major General George Meade and G K Warren shortly after Lincoln and Stanton reversed the court martial s finding Subsequent events in the careers of other participants including Lieutenant Colonel Rufus Dawes and Major General Abner Doubleday are also discussed Sources include personal letters and diaries of the men who served with and under General Rowley Pertinent information regarding the military rules of the period is provided in order to reveal how Rowley s case deviated from the norm Finally appendices provide a list of Rowley s commands a roll of the court martial participants and Rowley s personal defense statement *Catalogue of the Printed Books in the Library of the Society of Writers to H.M. Signet in Scotland* ,1891

The Soviet Army's High Commands in War and Peace, 1941-1992 Richard W. Harrison,2022-07-28 The first full treatment of the unique phenomenon of High Commands in the Soviet Army during World War II and the Cold War The war on the Eastern Front during 1941 45 was an immense struggle running from the Barents Sea to the Caucasus Mountains The vast distances involved forced the Soviet political military leadership to resort to new organizational expedients in order to control operations along the extended front These were the high commands of the directions which were responsible for two or more fronts army groups and along maritime axes one or more fleets In all five high commands were created along the northwestern western southwestern and North Caucasus strategic directions during 1941 42 However the highly unfavorable strategic situation during the first year of the war as well as interference in day to day operations by Stalin severely limited the high commands effectiveness As a consequence the high commands were abolished in mid 1942 and replaced by the more flexible system of supreme command representatives at the front A High Command of Soviet Forces in the Far East was established in 1945 and oversaw the Red Army s highly effective campaign against Japanese forces in Manchuria The Far Eastern High Command was briefly resurrected in 1947 as a response to the tense situation along the Korean peninsula and the ongoing civil war in China but was abolished in 1953 soon after Stalin s death Growing tensions with China brought about the recreation of the Far Eastern High Command in 1979 followed a few years later by the appearance of new high commands in Europe and South Asia However these new high commands did not long survive the collapse of the Soviet Union in 1991 and were abolished a year later The book relies almost exclusively on Soviet and post communist archival and other sources and is the first unclassified treatment of this subject in any country East or West *The Palgrave International Handbook of Gender and the Military* Rachel Woodward,Claire

Duncanson,2017-06-27 The Palgrave International Handbook of Gender and the Military provides a comprehensive overview of the multiple ways in which gender and militaries connect International and multi disciplinary in scope this edited volume

provides authoritative accounts of the many intersections through which militaries issues and military forces are shaped by gender The chapters provide detailed accounts of key issues informed by examples from original research in a wealth of different national contexts This Handbook includes coverage of conceptual approaches to the study of gender and militaries gender and the organisation of state military forces gender as it pertains to military forces in action transitions and transgressions within militaries gender and non state military forces and gender in representations of military personnel and practices With contributions from a range of both established and early career scholars The Palgrave International Handbook of Gender and the Military is an essential guide to current debates on gender and contemporary military issues

Literature of Travel and Exploration Jennifer Speake,2014-05-12 Containing more than 600 entries this valuable resource presents all aspects of travel writing There are entries on places and routes Afghanistan Black Sea Egypt Gobi Desert Hawaii Himalayas Italy Northwest Passage Samarkand Silk Route Timbuktu writers Isabella Bird Ibn Battuta Bruce Chatwin Gustave Flaubert Mary Kingsley Walter Raleigh Wilfrid Thesiger methods of transport and types of journey balloon camel grand tour hunting and big game expeditions pilgrimage space travel and exploration genres buccaneer narratives guidebooks New World chronicles postcards companies and societies East India Company Royal Geographical Society Society of Dilettanti and issues and themes censorship exile orientalism and tourism For a full list of entries and contributors a generous selection of sample entries and more visit the Literature of Travel and Exploration An Encyclopedia website **Dead Men Telling**

Tales Matilda Greig,2021 Dead Men Telling Tales is an original account of the lasting cultural impact made by the autobiographies of Napoleonic soldiers over the course of the nineteenth century Focusing on the nearly three hundred military memoirs published by British French Spanish and Portuguese veterans of the Peninsular War 1808 1814 Matilda Greig charts the histories of these books over the course of a hundred years around Europe and the Atlantic and from writing to publication to afterlife Drawing on extensive archival research in multiple languages she challenges assumptions made by historians about the reliability of these soldiers direct eyewitness accounts revealing the personal and political motives of the authors and uncovering the large cast of characters from family members to publishers editors and translators involved in production behind the scenes By including literature from Spain and Portugal Greig also provides a missing link in current studies of the Revolutionary and Napoleonic Wars showing how the genre of military memoirs developed differently in south western Europe and led to starkly opposing national narratives of the same war Her findings tell the history of a publishing phenomenon which gripped readers of all ages across the world in the nineteenth century made significant profits for those involved and was fundamental in defining the modern soldier s tale **Decisions at The Wilderness and Spotsylvania**

Court House Dave Townsend,2024-01-12 The successive battles of The Wilderness and Spotsylvania Court House opened Lt Gen Ulysses S Grant s 1864 Overland Campaign As the first confrontation between Union and Confederate leaders Grant and Gen Robert E Lee these two bloody battles signaled the new reality of war The fighting at the Battle of The Wilderness

immediately followed by the Battle of Spotsylvania Court House was costly for both sides and while the Union army could replace its losses Lee's Army of Northern Virginia could not. It would be exactly one year from Grant's orders to Gen George G Meade stating that Lee's army would be his objective until the surrender at Appomattox. Decisions at The Wilderness and Spotsylvania Court House introduces readers to critical decisions made by Confederate and Union commanders throughout the two costly meetings. Dave Townsend examines the decisions that prefigured the action and shaped the course of each battle as it unfolded. Rather than a linear history of the battles, Townsend's discussion of the critical decisions presents readers with a vivid blueprint of the battles' developments. Exploring the critical decisions in this way allows the reader to progress from a sense of what happened in these battles to why they happened as they did. Complete with maps and a guided tour, Decisions at The Wilderness and Spotsylvania Court House is an indispensable primer and readers looking for concise introductions to the battles can tour this sacred ground or read about it at their leisure with key insights into the battles and a deeper understanding of the Civil War itself. Decisions at The Wilderness and Spotsylvania Court House is the seventh in a series of books that will explore the critical decisions of major campaigns and battles of the Civil War.

Getting the books **Army Memoirs** now is not type of inspiring means. You could not without help going in the manner of books accretion or library or borrowing from your contacts to approach them. Army Memoirs Introduction

In today's digital age, the availability of Army Memoirs books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Army Memoirs books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Army Memoirs books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Army Memoirs versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Army Memoirs books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Army Memoirs books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Army Memoirs books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals.

These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Army Memoirs books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Army Memoirs books and manuals for download and embark on your journey of knowledge?

FAQs About Army Memoirs Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Army Memoirs is one of the best book in our library for free trial. We provide copy of Army Memoirs in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Army Memoirs. Where to download Army Memoirs online for free? Are you looking for Army Memoirs PDF? This is definitely going to save you time and cash in something you should think about.
