Demastes,1996-10-23 The year 1956 marked a point when British drama and theater fell into the hands of a group of young playwrights who revolutionized the stage During that time playwrights such as Samuel Beckett and Harold Pinter made the British theater as rich varied and vital as any national theater in history This reference

chronicles the history of British theater from 1956 to 1995 by providing detailed information about the playwrights of that period. Included are entries for some three dozen British playwrights active between 1956 and 1995. Entries are arranged alphabetically to facilitate use. Each entry supplies biographical information, the production history for particular plays, a survey of the playwright's critical reception, an assessment of the dramatist's work, and primary and secondary bibliographies. A Companion to British-Jewish Theatre Since the 1950s Jeanette R. Malkin, Mark Taylor-Batty, Eckart Voigts, Sarah Jane Ablett, Enoch Brater, 2022-11-17. The first of its kind, this companion to British Jewish theatre brings a neglected dimension to the work of many prominent British theatre makers to the fore. Its structure reflects the historical development of British Jewish theatre from the 1950s onwards, beginning with an analysis of the first generation of writers that now forms the core of post-war British drama, including Tom Stoppard, Harold Pinter, and Arnold Wesker, and moving on to significant thematic force fields and faultlines such as the Holocaust, antisemitism, and Israel/Palestine. The book also covers the new generation of British Jewish playwrights, with a special emphasis on the contribution of women writers and the role of particular theatres in the development of British Jewish theatre, as well as TV drama. Included in the book are fascinating interviews with a set of significant theatre practitioners working today, including Ryan Craig, Patrick Marber, John Nathan-Julian, Pascal and Nicholas Hytner. The companion addresses not only aesthetic and ideological concerns but also recent transformations with regard to institutional contexts and frameworks of cultural policies.

Jahrhundert Maurus Roller, 2014-02-27. *Beyond the Mainstream* Peter Paul Schnierer, 1997. *Jüdische Literatur und Kultur in Grossbritannien und den USA nach 1945* Beate Neumeier, 1998. *British and Irish Short-fiction Writers, 1945-2000* Cheryl Alexander, Malcolm David, 2006. Essays on British and Irish authors of short stories written between 1945 and 2000 that are traditional in subject matter and technique and cover social, political, and economic changes that occurred during this time. The Irish contribution to short fiction in English is second to none. Short fiction in languages other than English also plays a significant role in the post-war British and Irish literary world, including the use of the working-class Scottish dialect.

Lindsay Anderson Revisited Erik Hedling, Christophe Dupin, 2016-06-14. This book is about the British film maker Lindsay Anderson. Anderson was a highly influential personality within British cinema, mostly famous for landmark films like *This Sporting Life* (1963) and *If* (1968). *Lindsay Anderson Revisited* deals primarily with hitherto unexplored aspects of his career, his biographical background in the British upper class, his devoted film criticism, and his angry relationship to contemporary society in general. Thus, the book contains chapters about his childhood in India, his writings about John Ford, his relationship to French star Serge Reggiani, his work on TV in the 1950s, his troubles with the British film establishment, and his gradually emerging preoccupation with being Scottish, not English. Also featured are chapters written by close friends of Anderson who died in 1994, dwelling on his

penchant for controversy and quarrel but also on his remarkable artistic talent and commitment
