Pimpology: Lessons of the Streets Jean Mellor,2022-08-31 Just when you think you got it all figured out Pimpology Lessons of the Streets will remind you that you re dead wrong Besides pimping women there are harsh lessons that you pick up along the way In a world that connects us all the streets require you to use your third eye especially when you choose to pimp women trying to come up with a hustle that you think would be smooth However for every choice and action you take you have to answer to somebody whether the eyes of the law or a jealous girlfriend at home A lesson is learned but then after spending most of your life behind bars how do you come back to a world that has changed after losing eighteen years This novel will remind us that even the smoothest criminal who runs an empire for decades can lose everything Especially when love comes into play how do you ever come back to the streets One thing for sure that is a lesson for most who use the streets to make money Never let your heart take over the way you make your next dollar From the author who brought you Bingo It s Not a Game to Trapped but Free of Heart this third novel displays lessons that will hopefully remind us that every choice we make comes with heartache and pain
